Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

01 Jun ☽ ☌ ♐ 02:40 pm EDT Tran-Tran 00°♐00'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

Full Moon in Sagittarius

This "Honey" Moon may see the situation more abuzz than the usual full Moon, whether it's birds and bees or just the rumor mill in overdrive. Talk is cheap because there's too much of it, and truth is dear because everyone claims to be telling it. Your challenge is to ride the tide of tale-telling and separate the fish story from the one that really got away. There's a drop of truth in every concoction, however, and if you can find it, that will be your reward for the trip. All that glitters is not gold, but what is you can take to the bank.

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Multiple starts mark the month and you may have to run two races at a time, one complimenting the other, in order to be in tune with the season and ride it to success. It's all about branching and leafing out, fractalizing your fundamentals into multiple scalings and positions. Leadership is about adaptability right now, and having it right in your head beats playing it from the heart this go-round, so don't feel you have to go deep to go far. There's better fishing in shallow water, so you don't have to cast your nets far from shore - just fling them fast and furious and pull in your catch from all quarters.

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

17 Jun ☽ ∠ ♃ 02:20 am EDT Tran-Tran 04°♋08'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

17 Jun ☽ ☍ ⚳ 09:43 pm EDT Tran-Tran 14°♋43'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

19 Jun ☽ ☌ ♌ 02:23 am EDT Tran-Tran 00°♌00'
Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.

Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

21 Jun ☽ □ ♄ 12:10 pm EDT Tran-Tran 29°♌35'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

Where free-ranging conversation may have been the order of the day only yesterday, suddenly it's truth-or-dare which makes people go underground and hesitate to be the first to venture an opinion. An atmosphere of enforced sincerity ushers in a month of raised intensity, higher emotional risk and nervous betting.

21 Jun ☽ ☌ ♍ 12:59 pm EDT Tran-Tran 00°♍00'

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

21 Jun ☽ ⚹ ☉ 01:01 pm EDT Tran-Tran 00°♍01'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

22 Jun ☽ ☍ ♆ 08:40 am EDT Tran-Tran 09°♍47'
As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

22 Jun ♃ △ ♅ 09:46 am EDT Tran-Tran 20°♌03'
This is, in general, a period when it's more all right to experiment with the unusual, pursue original approaches, and follow those flashes of insight however strange they might seem. Partially, it's because what you might have thought strange not long ago now seems lucidly obvious and everyone wants a piece of the action. Now is not the time to recriminate or remind others of how unimaginative they recently were -- much better to acknowledge how ahead of the pack you were because, of course, you're a natural leader.

22 Jun ☽ △ ⚵ 06:24 pm EDT Tran-Tran 14°♍36'
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

Accept uncertainty, and certainty will arrive soon enough.

24 Jun ☽ ☌ ♎ 01:42 am EDT Tran-Tran 00°♎00'

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

24 Jun ♂ ☌ ♋ 09:34 am EDT Tran-Tran 00°♋00'

People will be exerting themselves with some amount of caution for some time to come, as the inclination is to put all your energy into one, cherished effort and nurture it through, ignoring other prospects or demands. That doesn't make for good team play, but it favors solo artists who know what they're up to.

Skullduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

25 Jun ☽ ⚹ ♀ 01:17 pm EDT Tran-Tran 17°♎36'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

25 Jun ☽ ⚹ ♃ 07:24 pm EDT Tran-Tran 20°♎39'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.
