What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.

					Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.

					As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. 04 Jan	♀ ♂ ☉	02:06 pm EST	Tran-Tran		14° ♏19'Rx

High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.

- 04 Jan ☽ △ ♀ 07:06 pm EST Tran-Tran  12°♎53'  
Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 04 Jan ☽ △ ♀ 08:51 pm EST Tran-Tran  13°♎56'  
Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.
- 04 Jan ☽ △ ☾ 10:02 pm EST Tran-Tran  14°♎39'  
Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

This is an ideal time for achievement in arts and letters -- whether it's redecorating, taking great pictures and movies, or doing a makeover. Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

Skullduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 06 Jan ☽ ☿ ♯ 07:55 am EST Tran-Tran  04°♁36'  
The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.
- 07 Jan ☽ □ ☉ 05:40 am EST Tran-Tran  17°♁01'  
Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 07 Jan ☽ ✖ ♂ 06:35 am EST Tran-Tran  17°♁32'

Ego compounding desire can make this moment hot but nearsighted at the same time. In the passion of the moment all are more likely looking out for number one than for the general good, and the possibility of missing the long-range win is real. Seek what you want, but

When new year's resolutions are based on fact, they're hardly resolutions anymore, just projections. So get a realistic perspective and make that your prospective and you'll be ahead of the game. It's time for the new, but the new that you know and can rely upon. A small, firm start is twice as good as a big, false one that has to be redone from scratch. Once you have your foot in the door, you can bust it down with the next push. It feels compulsory to do something right now, but the choice of action is up to you. ## Mercury Stationary Direct in 10th House

The best-laid plans for self-promotion may have been getting tangled during the last three weeks, but the wind is changing and you'll begin to find it easier to chart your course, especially career wise. Correcting misconceptions about yourself is an important task to undertake, as you can't benefit if others don't really know where you're at. That especially applies where you are trying to nurture valuable connections that will buoy you up in weeks to come. When you make things perfectly clear, that's just what they become, and clearing up confusion clears the skies in general.

- 15 Jan ☽♂♌ 12:17 pm EST Tran-Tran  00°≈00'  
Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.
- 15 Jan ☽△♎ 09:44 pm EST Tran-Tran  04°≈39'  
There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.
- 17 Jan ♃♂♌ 09:11 pm EST Tran-Tran  00°≈00'  
The coming year is likely to see people going out on a hunch and staking their gains on intuitive calls that may easily founder or, if on the mark, race to a new level. It's all about listening to that still, small voice - and about quieting the noise enough to hear it. If you're a hard-nosed realist, this could drive you crazy - but it's in the air, so why not share?
- 18 Jan ☽♂♌ 01:18 am EST Tran-Tran  00°≈00'

Everything is worth a try for the next few weeks, and branching out to have a little of each is what it's all about. That of course includes taking the banal with the sublime, and if mixed tastes are not your style you may want to tread water for a while. On the other hand, there will be some dishes up for grabs you wish you'd known about earlier, so don't turn a blind eye.

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

Groupthink and inclusiveness analysis are very much the mindset for the next month, which can broaden horizons but limit your individuality. You'll do better at least temporarily as a team player, but don't forget yourself in the technocracy of the moment, as when general moorings are lost, you'd best have your own.
- 20 Jan ☽♃♁ 01:07 am EST Tran-Tran  23°✕43'  
Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.
- 20 Jan ☽♁☉ 02:55 pm EST Tran-Tran  00°♃39'  
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 20 Jan ☽♁♀ 07:38 pm EST Tran-Tran  03°♃02'  
It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 20 Jan ☽♁♃ 10:43 pm EST Tran-Tran  04°♃36'  
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.
- 21 Jan ☽☐♀ 04:27 am EST Tran-Tran  07°♃31'  
This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

Beauty and wealth both come from the bottom up -- built, not just acquired. Desires are truly fulfilled only by plumbing their depths and knowing what it is you really want in the long term. Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

22 Jan ☽ ☿ ♉ 11:41 pm EST Tran-Tran  00°08'00"

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

23 Jan ☽ ✨ ♋ 01:52 am EST Tran-Tran  01°08'10"

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

23 Jan ☽ ☐ ☉ 05:55 am EST Tran-Tran  03°08'20"

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

23 Jan ☽ △ ♀ 07:20 am EST Tran-Tran  04°08'05"

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

 Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off.  A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

 Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

 Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.
- 25 Jan ☽ □ ♃ 09:10 am EST Tran-Tran  01° 11'42"  
 It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down.  There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 25 Jan ☽ △ ☉ 04:18 pm EST Tran-Tran  05° II 48'  
 Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 26 Jan ☽ ✖ ♂ 01:37 am EST Tran-Tran  11° II 13'  
 A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much.  Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

 Sometimes when desire is there, opportunity or energy is not, and vice versa. People chase what they want, and when they catch it, change their minds or just can't follow through. You can wind up on either side of this formula, which can lead to frustration or disappointment, so don't play the game. Say yes or no, then go for it.

Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

27 Jan ☽ ♂ ♀ 03:57 pm EST Tran-Tran  04° ♄ 14'

Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

27 Jan ☽ ♋ ♃ 04:21 pm EST Tran-Tran  04° ♄ 28'

Whatever the weather outside, this full "Snow" Moon is painted by the conflict between the urge to just have fun and the perceived duty to do everything just so and give everyone their due, whether they merit it or not. Social pressures arise when individual constraints become just too much and people have to break out of the mold, sometimes unexpectedly. If this were hurricane season, you'd have a hurricane party, but it's not so you'll have to think up another suitable excuse to let off steam and let others do so, too. This period of a year or so marks a somewhat troubled time for society at large, during which political and economic struggles arise and engage in conflicts that don't actually seem to get anywhere but take up a lot of news time. Unless you're part of the news, chances are this doesn't hurt you directly, but it does sow a certain unease all around that makes people more uncertain than usual about committing to long-range agreements. When the wind is shifting,

everyone waits until it's changed before settling down to business. With that in mind, you may find you can make more headway in smaller affairs and short-term commitments, personal or financial, pending further advisories.
