The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

Everything is worth a try for the next few weeks, and branching out to have a little of each is what it's all about. That of course includes taking the banal with the sublime, and if mixed tastes are not your style you may want to tread water for a while. On the other hand, there will be some dishes up for grabs you wish you'd known about earlier, so don't turn a blind eye.

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

A broad scope of varied and original experiences are open for exploration, and it's easy to lose your fear of risk and embrace the new. What might have seemed a bit over the top before now looks like your cup of tea, with others jumping in to try out the most exotic tastes. There's nothing like a hands-on education.

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

You may have found the last few weeks have required you to spend some time pinning down just who your real friends are. Misplaced expectations can make for delay, but once you've separated the wheat from the chaff you'll have a better idea of who is really in the game. Now is the time to nail down those connections who had been hovering in the wings, time to get the message through to the ones who matter. That's important because you may soon need a shoulder to lean on, or at least a reliable counterpart who can help provide focus and serve as radar when the fog rolls in.

Good taste is everything and it's at its most real when you don't even notice it. What feels right, is, and there's no need to question it right now. Enjoy the drink that's already been brewed and you'll find it suits you more than you ever imagined as the rest of the world is in a tasting mood, too.

| Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame. |     |              |           |  |         |

| This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. | Compulsive desire is all the rage, and some people are ready to go to any ends to get what they want. Gotta, gotta, have it, whatever the price anyone pays. So, be sure that you don't get in between the desirer and the desirer. New Moon in Pisces

To focus your mind, you must empty it first - if you can't do that, you'll never line up the sights. The compelling urgency right now is to take your attention away from the details and let the white noise take over until something materializes in the midst of it, a new figure stepping out of the mist. The challenge is to let go of the safety of the boat and swim, follow the swirls of the current until you feel the change in the waters around you, sense the nearness of the shore, and then direct your stroke to the sound of the waves on the beach. The courage is in knowing there will be a resolution when there isn't yet one.

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

09 Mar ☽ ♏ 04:43 am EST Tran-Tran  00°✕21'

09 Mar ☽ ♏ 07:54 am EST Tran-Tran  02°✕03'

A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.

09 Mar ☽ ♏ 09:57 am EST Tran-Tran  18°✕48'

09 Mar ☽ ☾ 10:38 am EST Tran-Tran  03°✕31'

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or

get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

09 Mar ☽ ♋ ♉ 02:12 pm EST Tran-Tran  05°♐25'

09 Mar ☽ ♀ ♋ 04:00 pm EST Tran-Tran  06°♐23'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

09 Mar ☽ ♀ ♋ 09:09 pm EST Tran-Tran  09°♐09'

09 Mar ☽ ♀ ♋ 11:54 pm EST Tran-Tran  10°♐38'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

10 Mar ☽ ♀ ♋ 06:26 am EST Tran-Tran  14°♐10'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

10 Mar ☽ ♋ ♉ 02:43 pm EST Tran-Tran  18°♐41'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

If things seem to be running smoothly around you, they are, so let them. Clear

understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

- 11 Mar ☽ △ ♂ 00:07 am EST Tran-Tran  23° 15' 50'  
Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

Sputtering short circuits of the mind appear around you as thinking interferes with action and vice versa. It can be highly stimulating or highly annoying, depending on where it happens. Great ideas lose their steam followed by energy surges with no place to go. Pull them both together and you'll be back in gear.

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

Skullduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will

be easier to move in concert together.

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

13 Mar ☽ ☐ ♂ 04:44 am EST Tran-Tran  23°♊16'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

The little things in life can be the most satisfying, and, when closely viewed, often loom larger than they really are. Simple desires, simply satisfied, have a way of sustaining life that allows both joy and unhindered progress. Today's endeavors will share that quality as they develop, quenching your thirst, banking your fires.

13 Mar ☽ ☐ ♀ 08:33 am EST Tran-Tran  25°♊27'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.

Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

The general air today is, let's say, overcast but not unpleasant. Misentanglements can snowball, so be ready to cut loose and try again later. Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

- 17 Mar ☽ ☿ ♏ 11:41 pm EDT Tran-Tran  00° ♏ 00'  
Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.
- 18 Mar ☽ ✖ ♏ 03:31 am EDT Tran-Tran  02° ♏ 18'  
A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 18 Mar ☿ ☿ ✖ 06:02 am EDT Tran-Tran  00° ✖ 00'  
Putting the right phrase to the task is not the focus for the next few weeks - so if you're at a loss for words, join the party. But words aren't everything, and those slippery concepts that emerge right now can yet be pounced upon when the time is right, like a cat on a mouse, and nailed to the ground. Just mind your mind in the meantime.
- 18 Mar ☽ △ ♀ 06:05 am EDT Tran-Tran  03° ♏ 50'  
It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

- 18 Mar ☽ ♀ ♀ 10:40 am EDT Tran-Tran  06° ♏ 35'  
Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

- 19 Mar ☽ △ ♏ 01:03 am EDT Tran-Tran  15° ♏ 14'  
There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

- 19 Mar ☽ ☿ ♋ 05:34 am EDT Tran-Tran  17° ♏ 57'  
This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with

it now and you'll go far.

Sometimes when desire is there, opportunity or energy is not, and vice versa. People chase what they want, and when they catch it, change their minds or just can't follow through. You can wind up on either side of this formula, which can lead to frustration or disappointment, so don't play the game. Say yes or no, then go for it.

19 Mar ☽ ♂ ♂ 12:17 pm EDT Tran-Tran  21° 259'

Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.

19 Mar ☽ ♂ ♀ 12:17 pm EDT Tran-Tran  21° 259'

Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

20 Mar ☽ ♀ ☿ 02:13 am EDT Tran-Tran  00° 221'

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

20 Mar ☽ □ ♂ 05:34 am EDT Tran-Tran  02° 222'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until

you can take a second look.

20 Mar ☿ ☐ ♈ 10:10 am EDT Tran-Tran  02°♋22'

Squabbles about pet concepts and particulars can get in the way of clarity and progress. Chasing down specifics can be more like chasing your tail. If at first you don't succeed, don't try, try again -- just take a break and look at it later. Harsh words happen, but it's only the heat of the moment, so forgive.

There's a fairly sudden shift of energy as a month of urgency begins, painting a patina of action and purpose on a previously passive environmental palette. Patience and gestation won't do anymore, time to get up and go - but exactly where to may be the puzzle. Preventing premature detonation while delivering a timely bombshell is the challenge of the month ahead.

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

Full Moon in Libra

You may find this "Egg" full Moon may be about cleverly getting through relationship tussles without getting egg on your face. There's a whole lot of manipulation going on, and without much forethought gone into it, so don't be put off by thoughtless remarks, although you'll be glad to finally have a handle on where they're coming from. The urge to get involved and ask questions later is a challenge to meet and overcome, both from within and without. But the triumph of coming through gracefully, having honed your skills, is the reward you should be looking for. They'll owe you for this one, but gloat privately.

22 Mar ☽ △ ☿ 08:12 am EDT Tran-Tran  02° 26'

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

22 Mar ☽ ♋ ♀ 08:41 am EDT Tran-Tran  02° 43'

22 Mar ☽ ☾ ♀ 10:51 am EDT Tran-Tran  04° 00'

As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

Sometimes you can see just as well with a flashlight as with a floodlight, especially if you are examining something small. The simplest solutions are often the most ingenious, and it's the household gadget that makes most inventors rich. Small and clever is the order of the day, and it has staying power.

23 Mar ☽ ☾ ☿ 07:10 am EDT Tran-Tran  15° 45'

The environment is running hot and cold today, and just as you think you're warming up to

someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

| A dreamy atmosphere makes getting down to brass tacks difficult, so put that off to another day. On the other hand, the realm of the imagination opens up and connections to otherworldly things are close at hand. Connections and commitments made now have a haunting, spiritual quality that lingers in the back of the mind.              |       |              |           |                                                                                      |         |

| Skullduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.                      |       |              |           |                                                                                      |         |

Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.                                                 |       |              |           |                                                                                      |         |

| It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. | Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough. |       |              |           |                                                                                      |         |

- The more ethereal the better for a few weeks, and if you can't quite put your finger on it, that's just what everybody wants. The elusive, mysterious, and hard to get or understand are what's on the general menu, though satisfaction may be hard to find afterward. But just the right taste could lead straight to heaven.

- The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.
- 26 Mar ☽ ☐ ♀ 04:57 pm EDT Tran-Tran  00° 38'
- Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

- Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.
- 26 Mar ☽ △ ♀ 11:43 pm EDT Tran-Tran  04° 10'
- It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

- 27 Mar ☽ △ ☾ 04:05 am EDT Tran-Tran  06° 26'
- Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.
- 27 Mar ☽ ♄ ♀ 04:44 am EDT Tran-Tran  06° 46'
- A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is

definitely the way to go.

27 Mar ☼ ♋ ♏ 12:26 pm EDT Tran-Tran  06° 47'

Quiet self-confidence allows forward motion without interference and without making waves. If you look like you know where you're going, the crowd will part to let you pass. Commitments or relationships begun now will share that enduring quality and make it easily through the storms of life and into the sunshine.

27 Mar ☽ ☐ ♏ 01:37 pm EDT Tran-Tran  11° 20'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

27 Mar ☽ ♏ ♏ 06:43 pm EDT Tran-Tran  13° 57'

27 Mar ☽ ♋ ♏ 11:24 pm EDT Tran-Tran  16° 20'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

28 Mar ☽ ♋ ♏ 01:29 am EDT Tran-Tran  17° 24'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

28 Mar ☽ ♋ ♏ 08:40 am EDT Tran-Tran  21° 02'

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

28 Mar ♀ ☐ ♏ 09:18 am EDT Tran-Tran  02° 40'

One experiment leads to another, and the further you push your tastes, the less they seem to satisfy. In general, situations arising today can lead to pushing the envelope of desire without getting the satisfaction everyone is looking for. If you can't seem to get what you want, you may actually be happier with simpler fare.

| Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line. |       |              |           |                                                                                      |            |

| It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. | Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. | Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.                             |       |              |           |                                                                                      |            |

understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

| Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame. |       |              |           |                                                                                      |           |

| This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.                     |       |              |           |                                                                                      |           |
