Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

Sparks fly as honing in on issues gets problematical and irritation makes for rough handling. Mistakes born of haste are not easily corrected and repeated efforts are best marked off to experience. Itchy and edgy, the mood is unsettled and it's not the best time for laying down foundations where steadiness is required.

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

A period of changeability and shifting focus has turned the corner and you will increasingly know better which choices are viable and which are not. Provisional projects will turn into final directions; distractions will be identified and pushed aside. Wherever you do wind up going, don't simply forget the road not taken, the path decided against. Keep them in your memory bank as they may turn up in other guises later and you'll already be halfway there. Follow through on what looks like a winner now, but don't let seemingly wasted time be forever lost by throwing away its fruits. Act selectively, but retain all.

If what you believe is what you are, then everyone is feeling very self-aware right now, and rather relaxed about it. There is a general feeling, in the background, that dreams and expectations are quite realizable (if not, indeed, already realized) and that none of it requires much tending, as what will be, will be; I'm OK, you're OK; win-win; let it be. That can be particularly annoying if it isn't applying specifically to you right now, but understand it as a background illusion that can be used if you're clever, and otherwise taken with a grain of salt. The best of times change with time itself and all illusions sooner than expected devolve into the next scene....

Throwing your energies into various forms of self-promotion may have yielded not much forward motion lately, but a turnaround is now becoming available if you corral your energies and choose a single plan of operations. Single-minded career efforts will find reward and you will be judged by your level of commitment to your own exertions. Believe in yourself and follow word with deeds -- it's the proof of the pudding where others are concerned. Where you make an impression with manifested self-confidence, there you will find fast friends and lasting connections.

- 27 Aug ☽ △ ♃ 10:25 am EDT Tran-Tran  16°✕35'
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

- 27 Aug ☽ ✕ ♀ 03:13 pm EDT Tran-Tran  19°✕02'
A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

The best-laid plans suddenly are at sixes and sevens, mostly because there's a nest of non-working components that just keep on popping up. Basically, it's a time for debugging new operations and whipping coming launches into shape. A better time for sorting things out than for starting anew.
- 28 Aug ☽ ✕ ♂ 09:54 am EDT Tran-Tran  28°✕37'
A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

- 28 Aug ☽ ♂ ♃ 12:35 pm EDT Tran-Tran  00°♠00'
Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

30 Aug ☽♁♁ 01:02 am EDT Tran-Tran  19°♄04'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

- 30 Aug ☽♁♀ 06:56 am EDT Tran-Tran  22°♐12'
 Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.
- 30 Aug ☽☐♁ 07:04 pm EDT Tran-Tran  28°♐41'
 Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.
- 30 Aug ☽♁♄ 09:30 pm EDT Tran-Tran  00°♄00'
 The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

 Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.
- 31 Aug ☽♌♁ 02:17 am EDT Tran-Tran  02°♄34'
 There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.
- 31 Aug ☽☐♁ 07:37 am EDT Tran-Tran  05°♄28'

Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.
