<p>Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.</p>

<p>It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.</p>

					The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

					Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.
02 Jun	♀ ☐ ♂	08:41 pm EDT	Tran-Tran		14°♁02'♁
					Try, try again and you may wonder why you did. Sometimes an object of desire eludes the chase and constant and repeated forays tangle things even more. You may have to call it perfecting your technique, and that may be the long and short of it. Anyone can have an off day, one that holds lessons for tomorrow.

Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

03 Jun ♀ ♂ ☉ 01:44 pm EDT Tran-Tran  13°♁36'Rx

Ego compounding desire can make this moment hot but nearsighted at the same time. In the passion of the moment all are more likely looking out for number one than for the general good, and the possibility of missing the long-range win is real. Seek what you want, but remember you'll still have needs tomorrow.

03 Jun ☽ ♀ ♃ 08:01 pm EDT Tran-Tran  19°♍30'

03 Jun ☽ △ ♀ 10:15 pm EDT Tran-Tran  20°♍52'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

04 Jun ☽ ✨ ♃ 07:37 am EDT Tran-Tran  26°♍34'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

04 Jun ☽ ♁ ♁ 11:44 am EDT Tran-Tran  29°♍03'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

04 Jun ☽ ✨ ♃ 03:44 pm EDT Tran-Tran  01°♃28'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

The wellsprings of the mind are, like water, often taken for granted. When ideas flow fresh from the tap, one assumes they are always there, as at this moment. Launch it now and that will likely always be the case, but a look inside the mechanics of your everyday creativity might help you drink when wells run dry.

Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.

Full Moon in Sagittarius

This "Honey" Moon may see the situation more abuzz than the usual full Moon, whether it's birds and bees or just the rumor mill in overdrive. Talk is cheap because there's too much of it, and truth is dear because everyone claims to be telling it. Your challenge is to ride the tide of tale-telling and separate the fish story from the one that really got away. There's a drop of truth in every concoction, however, and if you can find it, that will be your reward for the trip. All that glitters is not gold, but what is you can take to the bank.

05 Jun ☽ □ ♂ 03:45 pm EDT Tran-Tran  15° ↗53'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

	There is a grating quality to the moment that smells of friction and wasted energy. This can come from needless repetition that overheats the system or from backing and filling because of taking hasty aim. Lessons learned now will be valuable, but get them under your belt before you make final decisions.				
06 Jun	☽ ♂ ♃	03:45 pm EDT	Tran-Tran		00° 13'00"

Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

07 Jun ☽ ♃ ☉ 10:52 pm EDT Tran-Tran  17°♁47'

08 Jun ☽ ♃ ♀ 04:26 am EDT Tran-Tran  20°♁54'

Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

Deceits and deceptions are hard to separate from honest mistakes and confusions, but when in doubt, it's probably best not to follow up and try to find out. Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

 The next three weeks may cause you to step back and rethink your course and reset your bearings to make sure you are really on the course you intended. Do not hesitate to question fundamental values in order to get to the heart of what you believe and resolve inner conflicts that may arise. Small insights can net you large gains, particularly in the future stability of your ship. Rock your own boat before others do, and you'll be the better off for it. By the end, you may find risk reevaluation highly useful, particularly when you depend on others to evolve into what you will lean on in the future.

Where free-ranging conversation may have been the order of the day only yesterday, suddenly it's truth-or-dare which makes people go underground and hesitate to be the first to venture an opinion. An atmosphere of enforced sincerity ushers in a month of raised intensity, higher emotional risk and nervous betting.

20 Jun ☽ □ ♂ 05:48 pm EDT Tran-Tran  25° II 35'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. An inner wellspring arises this month that demands a hearing and after that careful tending. What you begin now has an inner sanctity that may sometimes be beyond sharing, a personal touch that requires the privacy of protection to keep it whole and nurture its growth. It's not that you can't share the burden or the responsibilities, just that you become so closely

attached to what you're doing that you can't - and shouldn't - let go of it. Like a mother and child, there are certain attachments that even later, parted circumstances cannot decay. Such is the quality of what may be arising now, so be ready to hold it close to you always.

Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.

You may have found some difficulty lately getting what you want across to others, making your desires and wishes known in ways that are not misunderstood. A period of clarification is now underway, during which you can clear things up and get what you need from the immediate surroundings without having to repeat yourself so much. Partially, that's due to general happenstance, but equally important is putting your own thoughts in order and being sure of what you want, so you can ask for it clearly and effectively.  It takes firm ground and good traction to run a long race, and that's what is available for those willing to take advantage of it now. Put the heat on low and slow cook that roast until it's perfectly tender. Playing the long game is easy -- Rome wasn't built in a day, and that's how it became the Eternal City.

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

Sometimes innovation and expansion arrive on a gentle breeze, sometimes on a hurricane. This time it is likely to see the latter, when progress is not to be resisted or it will overcome you by sheer force. This does not mean you have to get on board of every new brainstorm, but if you see a juggernaut coming, either climb on or get out of the way. On a personal level, however, this can mean shoving your ideas or beliefs down someone's throat, albeit with well-

-meaning, and that can be tantamount to coercion or worse. No means no, whether you believe it or not, and since the tendency for coercion is in the air in general, you may be the one on the receiving end to most benefit from that.

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

30 Jun ☽ △ ♀ 11:39 am EDT Tran-Tran  10°♌02'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

The wellsprings of the mind are, like water, often taken for granted. When ideas flow fresh from the tap, one assumes they are always there, as at this moment. Launch it now and that will likely always be the case, but a look inside the mechanics of your everyday creativity might help you drink when wells run dry.

High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to

realize that what recommends it is only the heat of the moment.
