It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

 Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

 As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

 Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way.  Desires deceive and getting hold of what's wanted seems to be a continuing and elusive task.  High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy,

Full Moon in Scorpio

One of the lessons of the "Flower" full Moon is that the beauty of a flower is in its mystery, and you don't really enjoy it more if you take it apart, petal by petal. Take it slow and allow personal secrets to remain so, all the while admiring the magic of the show you are both participating in and watching at the same time. The urge not only to blossom but cross-pollinate is very much in the air, and so is the pressure to behave accordingly. Choose wisely and discreetly, because indiscretion lasts longer than you may think. What you take from this period may much depend on your loyalty and trustworthiness under pressure.

- 07 May ☽ ♂ ♀ 12:31 pm EDT Tran-Tran  20°♌54'
What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

Steady focus and clear, reductive thinking get reliable results that inspire confidence in others, particularly those on the conservative side. Keep your eye on long-term operations and slow but steady development. Think big but not fast, what is begun now is for posterity, and that's forever, so you've got time.

A delicate, sensitive touch and a slow hand are the order of the day, and subtle movements are in demand. That may be partly due to confusion and hesitation, which aren't missing from the scene, but hopefully it is because people have their antennae up and are really listening before making a move. Feel your way with the rest, you could learn something.

Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

For a period you may find yourself wondering if the people you're involved with on an everyday basis are worth all the trouble, and you may consider doing a little pruning of time-

-wasters and social situations that give less satisfaction than they promise. In fact, you may discover that less is more in terms of your social appetite and a breath of peaceful fresh air beats the excitement of a crowded venue. The issue is an internal one, and giving up at this point may actually result in getting more down the line as you resolve your priorities. In fact, in the end, you may find you save money in the process....

Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.
- 26 May ☽ ♂ ♃ 09:06 pm EDT Tran-Tran  27°☾00'

Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.

Creative and uncensored feelings can make for an almost party atmosphere if you follow the

flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.

- 27 May ☽♁♃ 05:42 am EDT Tran-Tran  01° 02' 45"

The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 27 May ☽♁♃ 05:34 pm EDT Tran-Tran  08° 02' 21"

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

People mean what they say a little too much, and say what they really mean too little. There's a cry over the milk, spilled or not, so speak judiciously, with sensitivity.</p>

the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

29 May ☽ ☐ ☼ 11:30 pm EDT Tran-Tran  09° 17' 12"

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

30 May ☽ ♃ ♂ 03:34 am EDT Tran-Tran  11° 17' 35"

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

 Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

 Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.
- 31 May ☽ △ ♃ 01:20 pm EDT Tran-Tran  01°⁰⁰37'
 There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

 This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
