Quiet confidence in achievable goals makes things run smoothly and cooperation in the mutual interest means everybody gets just the right piece of the pie. Giving easily without a thought to the cost breeds instant karma and it all comes back again in spades. Fearless love is its own greatest reward.

Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.

Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

					Personal confrontations abound and you will do well to avoid them, as they lead nowhere but take up a lot of time and energy, leaving resentment in their trail. Force plays and squeeze plays are no substitute for fair play, and you'll never regret walking away. Let the air clear and then be ready to move on untrammelled.

Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

As you turn the corner toward clarity after a few weeks of unmasked-for change, you realize that no one was to blame. What seemed like mistakes were simply different roads to the same destination and it's clear that keeping your eye on the ball and not on the pitcher is the only way to go. Resolving differences is the surest way to a strong partnership, especially when driven by a common goal. You can look forward to a backward look that may give you a boost in the coming month or so, so keep those eyes in the back of your head wide open. Tomorrow's prize lies in the hand of another, so be ready to shake it.

The general air today is, let's say, overcast but not unpleasant. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

 Full Moon in Aries
 This full "Hunter's" Moon contains all the craziness of the chase - sudden turns and reversals, quick dodges, arrows loosed on the fly. It may be hard to keep track of all the action as you try to pull in the rewards of what you've been working on without letting important bits elude your grasp. It's too easy to go tramping through the brush, scaring everything away, when what you should be doing is swift but careful stalking and seizing just the right moment to take your one, perfect shot at success. You've been careful this long, so don't blow it at the end just because the pressure's on. Be still, then pounce.

- 28 Oct ☽ ♂ ♃ 07:03 pm EDT Tran-Tran  07° ♀09'
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

	If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

30 Oct	☽ ♂ ♃	00:24 am EDT	Tran-Tran		22° ♀ 34'
	Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.				
30 Oct	☽ ♁ ♀	03:05 am EDT	Tran-Tran		24° ♀ 01'
	Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

	Nagging criticism and contrary thinking can slow up operations, and the nattering nabobs of negativity can get you down, so don't be one of them. When insecurity and self-doubt arise, pause for thought, correct mistakes, and then move on. Lingering and obsessing should be left to others, there's plenty to go around.				
30 Oct	♂ ♂ ♍	10:21 am EDT	Tran-Tran		00° ♀ 00'
	The best-laid plans of mice and men are just getting underway, and every action has not just a plan but a plot hatching along with it. A lot of it is about conserving, and not sharing, the available energy and resources, so don't expect to participate without paying the price of loyalty beyond suspicion - which may not always be worth it.

	If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're				

ahead of expectations, you'll have it locked up tight.

<p>A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.</p>

<p>This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.</p>
