New Moon in Aries

This first New Moon of the astrological year is all about bounding out from the starting line the instant the signal is given. The early bird definitely gets the worm and the race is to the fleet, especially those exactly and promptly off the mark. Sharing is fine, but it's leadership that counts right now, let the others fall in line as the race develops. If sudden acceleration isn't your thing, don't pull a muscle trying to sprint, because those who try too hard will find themselves flagging and out of steam all too soon. Being the leader of the pack in the first furlong often means you won't stay there, but impressive starts can make the rest of the run easy if you've got what it takes. Take the initiative, or at least ride the slipstream of the next ahead of you.

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.

 Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

 Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

A delicate, sensitive touch and a slow hand are the order of the day, and subtle movements are in demand. That may be partly due to confusion and hesitation, which aren't missing from the scene, but hopefully it is because people have their antennae up and are really listening before making a move. Feel your way with the rest, you could learn something.

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

Full Moon in Libra

You may find this "Egg" full Moon may be about cleverly getting through relationship tussles without getting egg on your face. There's a whole lot of manipulation going on, and without much forethought gone into it, so don't be put off by thoughtless remarks, although you'll be glad to finally have a handle on where they're coming from. The urge to get involved and ask questions later is a challenge to meet and overcome, both from within and without. But the triumph of coming through gracefully, having honed your skills, is the reward you should be looking for. They'll owe you for this one, but gloat privately.

16 Apr ☽ ♀ ♀ 03:37 pm EDT Tran-Tran  27°♁11'

Skullduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

16 Apr ☽ ♂ ♍ 08:23 pm EDT Tran-Tran  00°♍00'

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. - 17 Apr ☽ △ ♀ 06:51 pm EDT Tran-Tran  13°♌26'
 Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 17 Apr ☽ ♂ ♄ 07:28 pm EDT Tran-Tran  13°♌48'
 Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

 Personal confrontations abound and you will do well to avoid them, as they lead nowhere but take up a lot of time and energy, leaving resentment in their trail.  The month ahead is all about pacing, or at least that's the prevailing atmosphere. Making it work and being sure that it's going to deliver, without getting sidetracked or distracted, is the common wisdom. Doing that without getting bored may sometimes be the problem. Common

beauty with an uncommon touch is the solution.

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

Mystery holds much appeal and the more difficult it is to put a finger on, the more people are going to want it. Dreams, fantasies, fiction, and the generally ineffable are all good sellers, whoever is buying. A time to be gloriously unspecific and totally undemanding of the suddenly gossamer fabric of reality.

When you've got it figured out, run with it and everyone will follow. Forceful words expressed in a friendly manner brook no opposition. A powerful concept sweeps the field better than a cannonade, proving again that the pen is mightier than the sword. Nail it down now, and you're in charge well beyond the horizon.

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

The coming few weeks will be ideal for wide-range brainstorming, as the general climate is up for more open communications and generally batting ideas around without having to commit to them immediately. There's a breezy feeling to it, like air running through your hair, freedom of speech at its safest and best.

The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

New Moon in Taurus

Getting a startup going this month is all about moving out the whole division, baggage, support, and all. You may not get in motion as fast as you like, but you'll find you get a lot of impetus going once you're underway. It's not about a quick pass play, more like a full lineup smashing through to get the next first down. Look for what lasts because of strength and endurance - it is beyond the season of the sprout and into that of the steady sapling, with roots that resist pulling. Progress comes more slowly, but it has shoulders that push through until the season of bloom provides its reward.

Big appetites and a large bite out of life depict the day, and that means dig right in there but don't overdo, whatever need you are satisfying. Spectacular beauty will characterize launches in love or money, but it might be well to take overweening charm with a barrel of salt. Nevertheless, go ahead and revel in it.

That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.
