Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.

04 May ☽ ♂ ♃ 10:32 am EDT Tran-Tran  00°♃00'

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

04 May ☽ ☐ ♀ 11:12 am EDT Tran-Tran  00°♃22'

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

04 May ♀ ☐ ♀ 01:40 pm EDT Tran-Tran  26°♁50'

Desires deceive and getting hold of what's wanted seems to be a continuing and elusive task. Watch out for illusions and delusions being sold as the real thing, then snatched out of reach just before consummation. If you're unsure, don't invest time or money or you'll be perpetuating the situation.

There is an opulence in good taste that surpasses grandeur, and the key to satisfaction is not how much you have but what you do with it. Taking just what you need to feed your desires makes for a gentle spiral of growth and gratification. By making it just so, the afterglow of contentment lingers on.

05 May ☽ ♂ ♀ 03:15 am EDT Tran-Tran  09°♈13'

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Full Moon in Scorpio

One of the lessons of the "Flower" full Moon is that the beauty of a flower is in its mystery, and you don't really enjoy it more if you take it apart, petal by petal. Take it slow and allow personal secrets to remain so, all the while admiring the magic of the show you are both participating in and watching at the same time. The urge not only to blossom but cross-pollinate is very much in the air, and so is the pressure to behave accordingly. Choose wisely and discreetly, because indiscretion lasts longer than you may think. What you take from this period may much depend on your loyalty and trustworthiness under pressure.

Although delays may have been annoying, the resolutions they have brought will benefit you immediately and in the long run. Picking up loose ends and tightening your operation has lasting benefits, not only on your resources, but also on your opportunities to disseminate your ideas and expand your contacts and horizons. Any headway you may have lost is momentary and will be made up for by a smoother operation, a steadier course, and fewer distractions over the next several weeks. Tie up loose ends and be ready to move on to expanded horizons and a surer sense of your underpinnings.

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

Ideal thrusts and parries are easy to make and the show is entertaining enough to make progress without getting bored. Putting energy into dream-building is just the thing and the more you put your shoulder into it, the more help you'll get from others you convince to follow your star. Belief and deeds go hand in hand.

The future looks bright, but gradual, and the sure-footed approach is the accepted way to go. It's all about doing it well, making it all come true at the right time.

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

17 May ☽ ☉ ♃ 08:48 am EDT Tran-Tran  00°♉11'

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings --

or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

- 17 May ☽ ☐ ♀ 09:01 am EDT Tran-Tran  00°♾18'
Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

- 17 May ☽ ☌ ♀ 07:28 pm EDT Tran-Tran  06°♾10'
Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.
- 17 May ☽ ✖ ♁ 07:58 pm EDT Tran-Tran  06°♾27'
The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 17 May ♃ ☐ ♀ 08:50 pm EDT Tran-Tran  00°♾18'
In the enthusiasm for a new cause or idea you can sometimes back it up with a little too much or ill-placed force and break the very thing that you want to sustain. Or, you can overestimate the effectiveness and reach of your powers and wind up going "a bridge too far." There is a general climate right now for making that judgment error, and once you have made it, there usually is no going back. You may equally find yourself the recipient of this kind of pressure, and should you see it happening, don't fight it and have it go to its logical hurtful conclusion, but don't give in, either. Just make yourself scarce until the situation blows over. In the survival game, the fittest often know to flee.
- 18 May ☉ ✖ ♀ 05:00 am EDT Tran-Tran  27°♾11'
Implicit understandings based on mutual visions are the opportunity of the day, so don't take your dreams for granted. What you share with others on the inner front greases the path to harmony and profit, so anything you can cook up along those lines will provide you with a tangible window to your imagination.
- 18 May ☽ ✖ ♀ 05:19 am EDT Tran-Tran  11°♾39'

 Getting a startup going this month is all about moving out the whole division, baggage, support, and all. You may not get in motion as fast as you like, but you'll find you get a lot of impetus going once you're underway. It's not about a quick pass play, more like a full lineup smashing through to get the next first down. Look for what lasts because of strength and endurance - it is beyond the season of the sprout and into that of the steady sapling, with roots that resist pulling. Progress comes more slowly, but it has shoulders that push through until the season of bloom provides its reward.

		<p>This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may</p>			

be. Open your eyes, listen up, try a taste.

- 28 May ☽ ♀ 08:19 pm EDT Tran-Tran  22° 17' 37"
It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

- 29 May ☽ ♃ 05:46 am EDT Tran-Tran  27° 17' 24"
As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.
- 29 May ☽ ♃ 11:12 am EDT Tran-Tran  00° 00' 11"
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

 Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

 Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

- 31 May ☽ ♁ ♎ 07:45 pm EDT Tran-Tran  00° 00'
 The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.
- 31 May ☽ ♁ ♏ 08:02 pm EDT Tran-Tran  00° 09'
 Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
