A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

01 Sep ☾ ☌ ♃ 09:25 am EDT Tran-Tran 00°⌒00'

Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.

Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.

03 Sep ☽ ♄ ☿ 11:00 am EDT Tran-Tran  00° 00'

The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.

03 Sep ☽ ♁ ♀ 01:10 pm EDT Tran-Tran  01° 16'

03 Sep ☽ ♁ ♃ 04:36 pm EDT Tran-Tran  03° 16'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

Stirred and circling creative urges start to take more concrete shape now, and it's time to select those projects that have real sex appeal and drop the humdrum. Conflicting desires begin to show signs of harmony, and spontaneity becomes its own reward. The essence of choosing is the sureness of your choice, and confidence in your decisions will now begin to pick up the pace. This actually impacts on your wellness, and the better you feel, the better you are -- and the more you will accomplish as a result. Take a deep breath of desire, and you'll find it satisfies.

04 Sep ♀ ♁ ♃ 06:29 am EDT Tran-Tran  15° 35' R

Big plans put into operation now will have legs that make seven-league strides. Confidence in what you have cooked up attracts customers and begets imitation, so move on apace to stay ahead of the competition. Ideas flow easily, but don't take them for granted -- put them into action to carry you in less creative times.

- 04 Sep ☽ △ ☉ 07:13 am EDT Tran-Tran  11°♁41'
Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

- 05 Sep ☽ △ ♀ 12:47 pm EDT Tran-Tran  28° 8' 10"

- 05 Sep ☽ ♂ ♀ 04:08 pm EDT Tran-Tran  00° 11' 00"
Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.

Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.
- 06 Sep ♃ ♂ ☉ 07:09 am EDT Tran-Tran  13° 11' 37" R
High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.

This is probably a good time for all parties to back off a bit and make sure that what looks like

06 Sep	☽ ☾ ☺	06:22 pm EDT	Tran-Tran		14° II 04'

	Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.

 Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off.  This month's point of intensity is all about focus, finding the exact key and fitting it into the perfect lock to open the biggest door. If you have to say it twice, you've said too much, and you didn't get it right in the first place. A word, and only a word, to the wise is sufficient, so if you haven't a wise word to say, wait until you do. It's not about cooking the meal, it's about perfecting the recipe, so check every ingredient before you turn on the flame. When you have all your ducks in a row, the entire operation will happen in one fell swoop. It's worth waiting for the double-check so you won't have to pay double.

 Hectic reduplication, delays, and scheduling confusions will be straightening themselves out after a few weeks of necessary resorting. All that remains is to put the finishing touches on new approaches and link them all up with others who may be involved. Missed or mixed up messages are resent or clarified so everybody is back on the same page and agrees upon what the next step is going to be. A general sense of well-being supplants a certain unease born of uncertainty and you get back to your healthy glow born of knowing where you've been and focus on where you're going.

					It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

One more added touch, just another taste, try it once again, until satisfaction goes out the window. Sometimes less really is more, even if it doesn't seem like it, so backing off may save you both time and money.

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

Attempts at self-assertion can be met with sporadic confusion and uncertainty caused by misinformation, or even disinformation. Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa.
