## INTRODUCTION: A FORECAST REPORT FOR YOUNG ADULTS

AstroJourney II is written for young adults. The report focuses upon, but is not limited to, 18 to 29 years of age. There are a lot of transit reports out there. Why write one for youth?

Survival is tougher today. Astrology is like a road map. Your road map. Your destiny. Today, more than ever before, we live in a world of choices. Your fate isn't set in stone. From the looks of things, we don't have too much to say about who our parents are, where we're born, how many siblings we get, whether our parents are rich or poor, loving or mean, rigid or liberal. Spiritual astrology teaches that you got the best deal you could get in terms of your karma. Your karma is the picture of your past, your debts and credits from many lifetimes, for better or for worse. Whether you believe in karma or not, you still have to work with what you've got!

## CHOICES

The older you get, the more you're going to want to have a say, the more what you say is going to make a difference, and the more you're going to have to account for the consequences. Growing up, separating from your parents, and making it on your own is about making decisions and taking responsibility for your life. This happens in stages. Some stages of maturation are gradual. Others are dramatic. Many things are hard to understand until later in life, when we can look back on our experience with wiser eyes. Your personalized AstroJourney II Report can help you understand what's going on while you're in the middle of it. AstroJourney can help you pinpoint various possibilities to help you make the best choices.

## THE FIRST SATURN OPPOSITION

Some challenges we face have to do with stages in life. For example, between the ages of 14 1/2 and 16 everyone lives through the first Saturn opposition. This is usually a tough time, because you may feel quite capable of making it on your own, but somehow you're not ready yet. You're probably still financially dependent on your parents and you need to finish High School. You may need, love, and respect your parents, but chances are you don't totally agree with the way they do things. This is the age when you really start to see things in a different way. This transition is necessary. Everyone goes through it. Your parents went through it. It's usually a time of tension.

## YOUR PERSONAL DESTINY

Other happenings in your life have to do with the day and the moment you were born. Some of these cycles last for a couple of hours, others last for as long as 14 years! Going through Uranus conjoined your Sun, which happens only once in a lifetime and can totally turn around your life, is going to be different at 18 or 22 than it would be at age 40 or 80! A transit like Neptune squaring Mercury, which lasts a couple of years, would be confusing at any age in any time. But today the danger of getting wasted with drugs or alcohol or dropping out of school during this sensitive period is going to be more than it was a generation ago. It's also a great time for self-discovery, creativity, getting into music and art, meditation, Tai Chi, exploring spiritual concepts. In writing this report, we want you to know what each transit means for you, at your age, at this time in history

## EVERYONE'S LIFE MATTERS

One thing I've discovered by working with thousands of people is that everyone, without

exception, no matter how much better off they may appear to be, has tough issues to work out. Some kids are in more deeply than others. Maybe this has to do with your relationships with parents, school issues, jobs or just feeling good about yourself. Sometimes your attention is on your overall health or appearance. During your twenties especially, much change centers around friendships and intimate relationships. In writing each entry we had to cover a lot of ground to speak to many people in different situations, but at the same time hit how a certain influence works for you.

If you're 16 and living at home, stuff about looking for an apartment, buying a car, getting involved in serious relationships and filling out job apps may not be relevant to you yet. But, then again, it might. Many of you are sexually mature, if not necessarily ready. We decided to treat you as older rather than younger. You'll know what relates to you because it fits!

Some are in college, still deciding upon a major. Others go to work straight out of High School. Still others defend our country and the cause of freedom across the world. Some marry early and enter into the responsibility of parenthood. Others have no obligations outside themselves. Everyone's story is unique. Regardless of countless diverse scenarios, somehow (and this is the fun of it) you'll find the transit description makes sense.

#### CONTRADICTIONARY INFLUENCES

On some days you'll hit a mixed forecast. For example, transiting Mercury might be Square your Mars, a challenging aspect. Your report warns you that you are vulnerable to getting into arguments or get a ticket for speeding. At the same time Mercury might be trine Jupiter, telling you it's a great time for communication of all sorts and short trips. When you think about it, in a single day, we deal with sometimes contradictory energies. If you put the two together, they'd read, "a great day for short trips as long as you watch your speed; you have a lot to say, but be willing to listen to someone else's point of view. " You can often make the good better by taking note of the precaution, or you can blow a positive possibility by letting your ego be too large.

#### A SPIRITUAL GENERATION

This report is not religious in any way, but it is spiritual. All of you were born with an astrology that brings you into understanding spiritual dimensions of life not available to previous generations. East has met West with yoga and acupuncture, Tai Chi, and meditation. Even chiropractors were for the alternative crowd when many of your parents brought these and other "New Age" concepts in a generation ago. Today, they're more and more commonplace, just the beginning of what's to come.

You've been brought up with computers in an informational age. Technology and the media are changing our lives so quickly that it's not easy to keep pace. It may be harder to plan for the future when the present moves so fast. Yesterday's model for marriage and close relationships doesn't really work today. In talking about your social and career aspects, we kept these things in mind.

#### YOU'RE CHANGING THE WORLD

Finally, you are adolescents and young adults at a time in history when major cycles are changing. We've just entered a new Astrological Age -- Aquarius, the age of Love. People have different ideas about what love means but Aquarius is already changing the way we think, work, play, relate. You are inheritors of a new world, one which many people in

many lands believe will be a "Golden Age" preceded by incredible turmoil.

In writing to each of you and all of you, we do so with great respect and understanding, and with hopes that this book of changes will make a positive difference on your journey.

The AstroJourney Report text was written by astrologer Kathie Garcia. Kathie received valuable feedback from her children, Eugene and Indra, who were 17 and 19 years old at the time of the writing.

## HOW TO USE ASTROJOURNEY

At the exact moment of your birth, the planets were in certain signs, in a certain relationship to one another. To erect your natal chart, the astrologer takes a picture of that moment, as if the heavens froze! The story of your life is written in the working out of these energies over time. Some are harmonious and others are challenging. Astrologers are able to predict what will happen, when it will happen, and the duration of the effect by evaluating the impact of transits. Transits compare the positions of a planet on a given date with a planet or position in your natal chart.

Using AstroJourney II is easy! In your report you'll read the date on which a transit is exact on the left hand side. This is when its influence is strongest. In parentheses you'll see the full duration of the influence, when it comes into play and when it leaves. On the right hand side, you'll see the description of the transit which includes a transiting planet in aspect to a natal planet. For example : Merc Sxtil Ven means transiting Mercury is sextile natal Venus.

The following paragraph is the interpretation of the influence.

## UNDERSTANDING ASPECTS

Aspects are the astrologer's tool to understanding the nature of the relationship between two planets or positions: Sextiles (60 degrees) and Trines (120 degrees) show where energies flow harmoniously. Take advantage of these transits to lighten your load, move forward, get that date, etc. Squares (90 degrees) are the most challenging of all aspects. Conquering a square can be difficult and requires discipline, but the prize is worth the effort. Oppositions (180 degrees) challenge you in your relationships with other people. Sometimes you feel a real positive, even stimulating exchange of energy. Other times we deal with conflicts, confrontations, schisms, or separations. Someone else could be mirroring something about yourself that you need to deal with but don't see. Conjunctions (0 degrees) can go either way and depend much upon the nature of the two planets coming together. Venus and Jupiter form a fun, if potentially lazy, combination while Mars and Pluto can be pretty heavy since they both relate to anger and ego.

## PLANETS IN HOUSES

Planets transiting through houses are going to highlight a specific area of your life for the duration of the transit, according to the nature of the planet. AstroJourney II will tell you when a transiting planet enters a particular house in your natal chart. The date on the left tells when the planet enters the house. In parentheses you'll see the duration of the transit. It will start a day earlier than the beginning date. This is when the transiting planet is on the house cusp. On the right hand side you'll see the name of the planet and the house its entering. For example, "Merc 4th H." means "transiting Mercury is entering the 4th house of your natal chart." So, now you've got the pack, enjoy your journey!

Sun passing through the House of values and money: Consider what resources are available to you and how best to use them. Above all, be true to yourself. Do the clothes make the man? Know that you are worthy and shine! Some lessons in letting go might be on the menu; remember that when a door is locked, a window is opened.

*Dec 31, 2018*                      *(Dec 30, 2018 to Jan 28, 2019)*                      Ven 1st H.

Venus passing through the House of self: Even the shy radiate warm smiles now. This is a time to improve your image and indulge your sense of style. Reach out and share your happiness.

*Dec 31, 2018*                      *(Dec 30, 2018 to Jan 21, 2019)*                      Mer 2nd H.

Mercury passing through the House of values and money: Your mind is set to take care of business. Write down ideas to increase cash flow; eliminate confusion and see results. You might be especially convincing during this time. If your mind is befuddled, wait for the solution to appear before committing.

*Dec 31, 2018*                      *(Dec 26, 2018 to Jan 5, 2019)*                      Jup Trine Mer

Under this stimulating mental influence, curiosity could get out of hand. You could ask a thousand questions, gab until dawn, crack a book you can't put down, or begin more projects than you can realistically complete on time. So much is going on! To avoid scattering your energies, you'll need to prioritize. If you're seeking admission to schools or universities, make the most of this positive mental energy to push forward your plans. Take advantage of chances to visit schools, check out jobs or take short vacations. Communication lines are open, especially with brothers and sisters. An aunt, uncle, sibling or cousin might help you out.

*Dec 31, 2018*                      *(Dec 26, 2018 to Jan 5, 2019)*                      Jup Sextil Ura

Opportunity knocks and your life's never the same again. You meet somebody or read something, then suddenly you're off on a journey of inner awakening. You receive unexpected financial and educational payoffs; the inventive mind pushes the limits of the mental and electronic horizons. This is a time for breakthroughs.

*Jan 3, 2019*                      *(Dec 26, 2018 to Jan 12, 2019)*                      Sat Qucnx Mer

Try not to identify so much with your problems. Don't freak out over tests and overwhelming responsibilities. In the grand scheme of things, it's all small stuff, so why sweat it? It has been said:

"Please grant me the courage to change the things that I can change, the serenity to accept those things that I cannot change, and the wisdom to know the difference."

Respond to outer challenges with sincerity and equanimity. Conflicts with siblings and/or

neighbors require diplomacy to avoid getting stuck.

*Jan 5, 2019*      *5 AM (Jan 5, 2019 to Jan 6, 2019)*      Ven Trine Jup

The breezes feel warm and favorable. Use the extra dose of love and good vibes you feel know to settle any outstanding grievances. Diplomacy and kindness mend the rifts. This transit is an epicure's delight; cook it up and invite someone special or hit your favorite restaurant. Take some time out to enjoy your life; a mini vacation might be ideal. By providing some service, extending a hand, helping those in need, you expand the joy within your heart. Your romantic life receives a few sprinkles of happiness now. This astrology is potentially positive for increased cash flow. Even though this is a positive influence, it must be said: too much of a good thing can be harmful.

*Jan 5, 2019*      *9 PM (Jan 5, 2019 to Jan 6, 2019)*      Mer Trine MC

This is a good time to think about where you're going and what you want to do. Your ability to tune in to your future possibilities is definitely enhanced now. If it's appropriate, share your vision with those who believe are supportive of your plans.

*Jan 5, 2019*      *(Jan 4, 2019 to Feb 14, 2019)*      Mar 5th H.

Mars passing through the House of creative self-expression, Romance and children: When going for the goal, keep other people's happiness in mind. Are you feeling overly charged up? Try channeling a portion of your energy into exercise, workouts, and/or sports. All artistic and creative ventures prosper under this influence, but you could lose ground if you put others off by being too full of yourself. With money, as with all things, discern the difference between necessary risk and foolish impulse. Children might try your patience, so open up your heart and search for creative solutions that work!

*Jan 6, 2019*      *3 AM (Jan 5, 2019 to Jan 7, 2019)*      Mer Oppos Mar

Your thoughts may not be in sync with your feelings, and this could result in a clash with someone today. Try not to get stuck in your point of view. Either agree to disagree or steer clear of arguments. Disagreements could become heated and result in hard feelings. Refrain from sarcasm and words that become weapons. You could be vulnerable to mechanical problems and fights at home. Drive carefully.

*Jan 6, 2019*      *1 PM (Jan 5, 2019 to Jan 7, 2019)*      Mer Trine Sat

It's time to get to business. Put your mind to work and take care of any details on your desk. Stuff you may have felt blocked about is more easily resolved now. Take advantage of this clear frame of mind to turn in those job or school applications, meet with parents, employers or other authority figures. Mental organization, patience and determination, and a welcome dose of common sense, help you resolve even complex problems. Need an extension on your paper deadline, a later curfew perhaps? Ask now!

*Jan 7, 2019*      *12 AM (Jan 6, 2019 to Jan 7, 2019)*      Sun Oppos Sun

About six months have passed since you began the birthday cycle kick off. During the next three months, be prepared to deal with experiences that demand you look deeper into yourself. Your "mirror" could be someone at home, your parents, a co-worker, an employer or your significant other. So, what's the test? Maintain emotional harmony. Ride the wave by tuning in to what life is trying to tell you and keep your cool.

*Jan 7, 2019*      *2 PM (Jan 7, 2019 to Jan 8, 2019)*      Sun Qucnx Ven

Chances are you feel like taking it easy today. It could be hard gearing up if you've work to do. Your sense of self and your need to be loved meet, but could be at odds with each other. Some people seek comfort in sweets. Instead of mellowing out, they tend to be crabby and emotional, and unreasonably demanding with close friends and family. Maybe it's just a bad hair day, or perhaps older persons are put off by your appearance. Whatever it is, it's probably not a big deal. On the up side, this influence can inspire you to perfect art and music projects, upgrade your wardrobe, or enjoy the company of another --that is, if you're willing to take the time and make the effort.

*Jan 8, 2019*      *10 AM (Jan 7, 2019 to Jan 9, 2019)*      Ven Sxtil Nep

Compassion, sensitivity to the needs and feelings of others and artistic and musical inspiration are enhanced under this influence. This is an opportune time to visit family or friends, especially those in need of comfort. Relationships initiated under this aspect could be an ideal encounter or some pie-in-the-sky bubbles soon to burst.

*Jan 8, 2019*      *3 PM (Jan 7, 2019 to Jan 9, 2019)*      Ven Sqr MC

If you meet this square successfully, you could spend an enjoyable, even stimulating few days with someone special. However, if you feel yourself put down in relation to someone else, this shows that you need to work on your basic self-esteem. Cash flow issues could cut into plans. Duty and desire may be at odds.

*Jan 8, 2019*      *11 PM (Jan 7, 2019 to Jan 9, 2019)*      Ven Qucnx Mar

Squares create challenges. Being that this is a love challenge, your heart is your best counselor for whatever might come up in your personal relationships. It's likely that you desire to express and receive love now. So, where's the rub? It might be just a moment during the day in the midst of larger happenings. Did you react with anger or hurt at another's words? Did s/he react to yours? Your sense of values could be in conflict with your feelings. Go into your heart. Think through your actions before jumping into anything. Maybe you're tempted to spend more than you can afford or go further than you think you should. Don't be afraid to say no. Never put yourself or another down in the name of love. We all have different needs. Be honest in all business transactions.

*Jan 9, 2019*      *7 AM (Jan 9, 2019 to Jan 10, 2019)*      Mar Trine Plu

Your sense of purpose and determination is intensified. You're working through some killer internal changes that could lead to great new beginnings. Changes made now could have

long lasting consequences. Nevertheless, if you push too hard, you could be too oppressive to yourself and others.

*Jan 9, 2019*      *2 PM (Jan 9, 2019 to Jan 10, 2019)*      Ven Qucnx Sat

This is not an easy time. You could feel unappreciated and unloved. You can't always get what you want. What's keeping you from getting the love you need? Practice "heart smarts." First of all, recognize what's good in you. Then, even if you don't feel like it, go into your heart. Bring up memories of good times you've had. Replace negative feelings with good vibes.

*Jan 10, 2019*      *4 AM (Jan 9, 2019 to Jan 11, 2019)*      Mer Conj Moo

You're full of thoughts and ideas that you want to express. This could be a busy time of visits and conversations. Time spent with brothers and sisters, cousins or other relatives could be fun. Take care, however, that your emotions not take over your head and make it hard to think clearly.

*Jan 12, 2019*      *2 PM (Jan 11, 2019 to Jan 14, 2019)*      Mar Sqr Moo

A tendency to take things personally could cause you to overreact emotionally. Ask yourself if you're acting like you did with your mother when you were an infant! The trouble is you've grown up! This transit gives you a good idea of what habits hurt you and keep you from getting the love you need. Emotional anger can challenge you. It doesn't matter if it comes from you or if someone else ticks you off. Be advised: booze, drugs and careless sex are especially dangerous outlets now! Look for new ways to conquer old hurts and you'll find a peace you haven't known before.

*Jan 12, 2019*      *3 PM (Jan 11, 2019 to Jan 13, 2019)*      Mer Qucnx Mer

Don't allow yourself to be pressured into making decisions you're not yet clear about. You could be dealing with a build-up of mental tension and nervous energy. Write down areas of non-resolution. Give yourself some time to figure out answers and be patient if the answers come slowly now. Sometimes car problems crop up under this influence, so check your oil.

*Jan 12, 2019*      *5 PM (Jan 11, 2019 to Jan 13, 2019)*      Ven Conj Plu

This transit is short, but potentially intense. Jealousy, strong sexual desire, possessiveness, and selfishness are shadow aspects that could emerge. You can use this time constructively by cleaning out stuff standing between you and true love. Regenerate core attitudes regarding self-worth and how you relate to others.

*Jan 13, 2019*      *2 AM (Jan 13, 2019 to Jan 14, 2019)*      Sun Sxtil Asc

As far as your image goes, things are looking super today. Chances are you feel very expressive and are able to communicate well. This, then, is a good time to approach the boss, older persons or those in positions of authority. Unless Mars and Jupiter are severely

challenged, this might be the day to start a vacation, get into sports or begin a new project.

*Jan 15, 2019*      *5 PM (Jan 15, 2019 to Jan 16, 2019)*      Mer Oppos Sun

You're ready for brainstorming, swapping ideas, and defending your point of view. All this could be very energizing. Watch out, however, that conversations not turn into arguments due to a bruised ego. The better you feel about yourself, the easier it'll be for you to keep out of fights and arguments. If you carry a chip on your shoulder, you'll react to words as if they were cannonballs. A little humility won't hurt, especially when dealing with older persons.

*Jan 16, 2019*      *3 AM (Jan 15, 2019 to Jan 17, 2019)*      Mer Qucnx Ven

You may feel others aren't listening or they could complain you're not in tune with them. Decisions made now may have to be rethought later. You could be tempted to buy fancy stuff you really don't need. If this happens, it could be a sign that you need to bring your head together with your heart. Stay away from gossip.

*Jan 16, 2019*      *(Jan 15, 2019 to Feb 20, 2019)*      Sun 3rd H.

Sun passing through the House of communication: This is a busy, busy time possibly involving, siblings, roommates, neighbors, and co-workers. Enhance connectedness. Know what daily details must be dropped to successfully handle others. An effective mode of transportation keeps you in the flow.

*Jan 18, 2019*      *3 AM (Jan 17, 2019 to Jan 19, 2019)*      Sun Sxtil Jup

Take advantage of this uplifting forecast. A return of positive karma could be coming your way. A surge of extra enthusiasm brightens your day. Whether it's romance, school or a job that you're thinking of, all should go well. A good day for making up if need be. Advice from a guide or older person is helpful. Opportunities happening now tend to be fortuitous.

*Jan 18, 2019*      *6 AM (Jan 16, 2019 to Jan 19, 2019)*      Mar Sxtil Ura

You're quick on your feet. This is a perfect time for brilliant ideas, startling revelations, new friendships, a novel approach. You've an extra dose of will power at your disposal. Take a moment and consider well where to direct it! If you've been restless for change, unless other major aspects strongly advise otherwise, this may be the time to take the leap! Your keyword during this brief but promising cycle is breakthroughs!

*Jan 18, 2019*      *6 AM (Jan 16, 2019 to Jan 19, 2019)*      Mar Trine Mer

You're juiced! You're quick! Make those crucial phone calls, land that contract, get in the game! You'll have no problem getting your point across now. Take advantage of this positive mental energy; a great influence for any kind of competition, all sorts of games, plugging into the computer, and interfacing with others. Positive action is potentially indicated with a roommate, sibling, cousin (or relative), or co-workers. Guard against

impatience.

*Jan 18, 2019*      *8 AM (Jan 17, 2019 to Jan 19, 2019)*      Ven Sxtil Ura

Be ready for unexpected romantic, social or financial opportunities. Write down your poetic and practical inspirations. Why not get away from routine and do something completely different for a change? Friendships formed during this transit tend to be special, if out of the ordinary. Combining art and technology might be a lot of fun. Your team might experience a breakthrough at work.

*Jan 18, 2019*      *8 AM (Jan 17, 2019 to Jan 19, 2019)*      Ven Trine Mer

This positive astrology brings love and communication together harmoniously. The possibilities are endless, but it doesn't last long. Some simply take pleasure in the everyday details of life. Others enjoy mini-excursions, a movie or a chat with a friend in a local café. Still others use this influence by writing and sharing the thoughts of their hearts. If you want to win someone's love, now is the time to impress them with your words. This is a propitious moment to take up a course like Compassionate Communication by Marshall Rosenberg, or to read *How to Influence Friends and Loved Ones* by Dale Carnegie. It's classic. Give loved ones a call.

*Jan 19, 2019*      *3 PM (Jan 19, 2019 to Jan 20, 2019)*      Mer Sxtil Asc

You can really get your thoughts and ideas across. A good time for purchases and sales, and for asking someone out. This is a positive influence for job hunting.

*Jan 21, 2019*      *8 AM (Jan 21, 2019 to Jan 22, 2019)*      Sun Conj Nep

This transit only lasts a few days but could be disturbing. At best, Neptunian enchantment allows you to enjoy a peaceful interlude. Perhaps you pause to meditate and relax or perhaps you simply soothe your soul by listening to your favorite music and/or enjoying a movie. This is a good time to delve into your psychology, as long as you can remain objective. Imagination and visualization is enhanced. The negative potential of this transit relates to fantasizing, fooling yourself, sleeping when you should be alert, or looking for an easy out when the problem needs to be handled. It's tempting to space out.

*Jan 21, 2019*      *2 PM (Jan 21, 2019 to Jan 22, 2019)*      Sun Qucnx MC

You may be looking for answers in the basic areas of life: relationships, home, school, future. However, if you come on too strong now, others might react and you could feel frustrated as a result. Or you may need a boost of self-confidence to get others to help facilitate your plans.

*Jan 21, 2019*      *(Jan 20, 2019 to Feb 11, 2019)*      Mer 3rd H.

Mercury passing through the House of communication, transportation, siblings, roommates: During this busy time, eliminate the nonessentials. This is a time to send and to receive.

Clear communication should clear up any potential misunderstandings or transportation problems.

*Jan 21, 2019*      *9 PM (Jan 21, 2019 to Jan 22, 2019)*      Sun Qucnx Mar

You're feeling exceptionally sure of yourself. Use this positive charge to get a lot accomplished. This a good time to push through important projects, apply for a job, or set out to win in any competition.

he down side is that your fuse is likely to be short now. Guard against impatience and irritation, and you'll reach the goal Jordan style. But watch out. Little things could get you mad. Being pushy with members of the opposite sex is not going to go over well now. Obviously, if you're edgy, this is not a particularly good time for approaching parents and other authorities. Carelessness, anger and frustration can result in accidents. It's a lot of ch'i to handle. Physically working out, engaging in sports, or dancing could help you blow off some steam.

*Jan 22, 2019*      *1 PM (Jan 21, 2019 to Jan 23, 2019)*      Sun Sqr Sat

Saturn, sometimes called "The Great Teacher," is testing you. Psychological attitudes or external events block the flow. Responsibilities pile up. Clashes with parents and/or other authority figures may occur. While some might choose to sit this one out, you can make this influence work for you. If you feel overwhelmed, determine your priorities and tackle each situation one by one. Look at the glass as half full instead of half empty. Patience is a powerful key. Don't force things.

*Jan 22, 2019*      *6 PM (Jan 21, 2019 to Jan 23, 2019)*      Ven Qucnx Sun

Everyone needs to love and be loved. Rather than feeling lonely or despondent, meditate on the light within the heart. You value yourself by acknowledging inner beauty. Consider the notion that Love is the gardener preparing the garden of your heart. Sometimes it's necessary to meet another half way. Other times, the loving choice is to say "no," even to the best of friends. Try not to over personalize. You're not the only one learning how to love. As long as you're not overly sensitive, you can have fun today. Too much sugar opens the chutes to moodiness. Retail therapy is cathartic, but determine your budget before you set out. Restraint today could mean riches gained tomorrow.

This influence will help you balance the big picture with the details. For example, if you want to apply for a job or go to school away from home, this is the time to plan it out and possibly to apply. Vacations, schoolwork and travel are all favored. This is an optimum time to sign contracts as long as you carefully consider the fine print. Your life may be spiced by communication with siblings, cousins or even foreigners or people in faraway places. Good news!

It's helpful to remember that opposites attract. When they don't, you're looking at a potential tug of war. At best, this means some positive social interactions, and at worst a real clash of values. Diplomacy is Venus' weapon of love.

Under this conjunction, you can add new dimensions to your spiritual and inner worlds. This is truly a good time to delve into your psychology, but try not to float away. The potential danger is giving in to an urge to escape pain and responsibility. Explore creative, nondestructive ways to express your feelings such as meditation, yoga, poetry, soul searching with a friend, or taking in a movie. Artists, musicians and spiritual seekers find this to be a most inspiring interlude. The powers of imagination could take you to new heights of understanding and happiness or plunge you into the depths of despair. Guard the mind.

This transit will test your level of self-knowledge, self-discipline and self-restraint. Doors open, but if caught off guard you could blow your chance for success through poor timing, overoptimism, exaggerated promises, gullibility or some other type of naivete. Avoid getting caught up in the illusion that life and its problems will somehow solve themselves without a defined effort on your part. Watch your expenses since it's far too easy to blow your cash these days. Balance the big picture with the details and you'll prosper.

Master the challenge of this square and you may find you have the right answers at the right time. Then again, you could be irritable and easily set off. While you may have legitimate complaints, think about the way you choose your words if you want positive results. If you use your tongue like a weapon, be prepared to handle the return artillery. Getting ticked off sets you up for a fall. Remember, anything you say could be used against you. Strategize and put your energy into your work. It'll pay off. Reasonable caution is advised while traveling.

Keeping your cool, even under pressure, pays off big now. You'll discover how much patience you have or perhaps still need! Blowing it could do more damage than you think. Lots of people struggle with stress, so try not to take things so personally. Feeling good about yourself and considering the needs of others is the key to keeping the peace. Think before you react. Reasonable caution with cars and machines is advised.

Try to remember that every black cloud has a touch of gray. Any important decision making or problem solving now is going to require centeredness and patience. You could easily feel irritated by or concerned about siblings, cousins, roommates, schoolmates and/or co-workers. Serious discussions may take place. Confirm appointments. If you can work with this, the sun will come out and turn your gray to silver!

All that glitters is not gold. In the yin/yang potential of all oppositions, these two bountiful planets could usher in a period of relative happiness and an overall sense of well being. You may be experiencing a strong attraction to a special somebody. Vacations could be a ball, but vacation romances probably are best left as they ended. If you tend to be uptight, this transit could help you loosen up and enjoy life. Yet, even happiness can turn sour if you

overdo it. You could regret ignoring the need for boundaries in an intimate relationship. If your cash is burning a hole in your pocket, stash some. Do you really want to spend all your green on one ride? Sometimes relationship conflicts center on cultural or moral differences that have to be sorted out. Give any partnerships formed during this cycle some time before committing to serious engagements.

Your mind is charged. You're intuitively connected. Write down fleeting revelations, but avoid impulsive decisions and/or judgments. Later, you may change your mind completely. This natural high requires no auxiliary support. While revelation is a possibility, it's no good if it has no practical application. Let your friends enjoy the speed of your mind, but try not to be a klutz. Have fun but pay attention to what's going on around you.

This is the time for exchanging ideas and brainstorming. You could get worked up when your opinion is challenged, but hey, it's just your ego popping up. There could be static about thoughts, classes or schedules with someone older or in authority. Rather than allowing a sibling, relative, roommate or coworker to get on your nerves, remember this: you can learn a lot by listening!

How you experience this transit depends a lot on how things are generally going these days. You're more brazen than usual, so you might break loose and experience liberation from the ordinary. Or perhaps you're willing to make important changes that seemed scary before. New insights or breakthroughs are possible with parents, elders, employers and other elders. The negative possibility is that of giving into rebellious urges like going out on a limb without caring about consequences. Taking foolish chances could be risky and later regretted. This might mean saying "no" to a friend.

The planet of love and money (Venus) and the planet of opportunity (Jupiter) come together, but they may be at odds with each other. Much good fortune comes from this meeting. The square, however, alerts us to the dangers of excess, overspending, overeating, and over dating. Sometimes, the sweet breezes of these astros incline the person toward laziness, a definite waste. This is not the hour to follow impulses or overindulge desires. The things you know are best for you may not jive with what you feel like doing. Some self-restraint allows for fun and pays off big tomorrow. Resist the

temptation to buy stuff you really don't need or cannot afford.

You may have a hard time getting your ideas across right now. Ego conflicts get in the way of effective communication. Arguments are possible with an authority figure or someone older than yourself. Handle the nervous energy and watch your mouth. You could discover at the end of this period that you've gotten a lot done. Karma with the Word could manifest in mumbled exchanges, mail mishaps, problems with the neighbors or misunderstandings.

Oppositions can manifest as perfect polarities and/or as conflicts. Actually, sweet Venus and go get 'em Mars can be great dancing partners. Mars brings out Venus' charm while Venus softens Mar's brusque demeanor. You may breeze through this transit and hardly know the difference, or you might find yourself engaged in conflict.

So, what kind of strife potentially occurs under this influence? To begin with, there can be Martian jealousies, anger and strong sexual urges. Then there are the many ways people who love each other forget and fight. There could be suspicion and mistrust, replacing love's buoyant joy with dark misgivings, or the all too frequent conflicts over money, sex; who gets what, when and how much. Well, it takes two to argue. If you vow to restrain yourself and maintain your harmony, half the battle is already won. If you play Venus to another person's Mars, remember the power of kindness. If you play Mars, examine your motive and purify your desire. Martian energy is impulsive; love now, think later can be a disastrous formula in romance. Have fun but be careful. A lot of unplanned pregnancies and broken hearts happen with this astrological combination. A little note: just because someone turns you on, that doesn't mean they understand you. Navigate from the heart.

Challenges that seem to get in your way are really testing your sense of self-confidence. If you feel good about yourself and others, the worst that can happen is that your friends or teachers tell you to get over yourself. When circumstances or people in positions of power (parents, teachers, bosses, etc.) prevent you from doing what you want to do, you could feel bummed out. To avoid frustration, do what you have to do so you can do what you want to do!

Take advantage of this clear frame of mind to turn in those job or school applications, meet with parents, employers or other authority figures. Mental organization, patience and determination, and a welcome dose of common sense, help you resolve even complex problems. Need an extension on your paper deadline, a later curfew perhaps? On the other hand, you could feel more self-conscious than usual, a little too aware of the more negative aspects of your personality, and overly concerned with the way others see you. Center in your heart and you'll be able to ride this one out.

Go Zen. To navigate this intense labyrinth, you must keep your mental balance. Dark energies are surfacing. This is your chance to cleanse and purify your mental outlook. Keeping up a positive mental attitude now may be easier said than done. Nevertheless, it's your way out of heavy thoughts and attitudes that weigh on you at this time. Just because you feel something, it doesn't mean you should act it out. This means suicide, drugs and self-destruction are not the ticket. If they come up, they've got to go. Dive into your heart and retrieve a happy thought!

Suspicious about others may tell you more about yourself than about them. Otherwise it's probable your problem comes from within. This is a helpful influence for self-discovery and understanding as long as your angle is positive.

Steer clear of brawls, especially with brothers, sisters, classmates and co-workers. Be careful driving.

Help your head work with your heart; be caring and loving. Taking time to say special words or to send a thank you note really does make a difference. In any financial agreement, get it in writing and read the fine print. Give detail your loving attention, but don't stress over the small stuff!

Making the time to do a basic health inventory pays off. Which habits tie up your energy and which promote wholeness? Why not check out your pet as well? Be patient. You may not see immediate results, but provided you don't overdo it, gain will almost certainly result from your efforts. Now is the time for working hard. However, if you allow stress to build up, it could manifest as illness or a short fuse. No need to worry, but do take a reasonable degree of caution with occupational hazards.

This transit usually stimulates a period of self-evaluation. Unfortunately, the tendency is to be too hard on oneself, to concentrate on mistakes and failures and hence, to feel discouraged. Learn from the past, but redefine your goals and sense of mission for the future. You may be vulnerable to wishful thinking or to some pretty convincing delusions. Examine any personal or professional proposals objectively before making a commitment. You could easily get carried away with some fancy or another. To escape into illusion and give into temptation would leave you wondering later what it was all about. If you feel excessively bummed these days, ponder if there be someone or something (including yourself) who you need to forgive. Forgiveness is the key to peace and resolution. Whatever you do, do not play the victim! Self-knowledge and attunement with the heart can help you navigate this fog!

*Feb 16, 2019*             *(Feb 6, 2019 to Feb 26, 2019)*             Sat Oppos Sun

This isn't an easy time. Saturn always brings up past accounts and forces us to reevaluate our situation. For the time being, you likely will find it is best to work within the system in your dealings with parents or authorities and especially with key persons related to your career direction. Not all are likely to be sympathetic to your cause. As you ponder what the future holds in store for you, don't be so hard on yourself. Rather than moaning and groaning, use this cycle as a chance to seek constructive long term solutions to chronic problems. A relationship from the past could reappear now, causing you to look deeply into yourself. Issues related to the father or the father principle demand resolution. Patience!

The change you seek will soon arrive. The key to soul power now, a real possibility, comes from a willingness to grow spiritually.

This quite possibly is a time of hard work. Much can be accomplished if you are patient. Parents, loved ones, employers, creditors and other key authority people are apt to be unsympathetic at this time. Your best bet, for the time being, is working within the system. The result is that you gain self-mastery!

*Feb 18, 2019*      *2 AM (Feb 18, 2019 to Feb 19, 2019)*      Ven Oppos Sun

You may find yourself butting heads with someone you care about over values. Especially in close relationships, you could feel terribly self-conscious. Everyone needs to love and be loved. Rather than feeling lonely or despondent, meditate on the light within the heart. You value yourself by acknowledging inner beauty. Consider the notion that Love is the gardener preparing the garden of your heart. Sometimes it's necessary to meet another half way. Other times, the loving choice is to say "no," even to the best of friends.

Try not to over personalize. You're not the only one learning how to love. So, what helps you feel happy? Go shopping, change your hairstyle, play with your dog or bake a cake. As long as you consider your budget and your waistline, you could have fun. While you may be at your creative and romantic best, it's easy to overindulge. Wear that outfit, visit that bistro, go on that date; just check your vanity and insecurity at the door.

It takes willingness to struggle with inner enemies and a basic honest attitude. Resist the temptation to be hard, cruel or otherwise blame others for your own problems. You may not get what you want, but believe it or not, you may be getting exactly what you need. If you need to vent these intense energies somewhere safe, you might want to hit the gym, do some yoga or dance away your rage. *Mar 2, 2019*      *11 PM (Mar 2, 2019 to Mar 3, 2019)*      Ven Qucnx Mar

It's likely that you desire to express and receive love now. So, where's the rub? It might be just a moment during the day in the midst of larger happenings. If there wasn't a battle, how could you win? The conquering hero is meditating within; bow to one another and join forces.

On the up side, this influence can inspire you to perfect art and music projects, upgrade your wardrobe, or enjoy the company of another --that is, if you're willing to take the time and make the effort.

Love is indeed the key. During this cycle, you may have experiences testing your ability to discern the difference between true love and compelling, but harmful, desires. Even the wisest of worldly men have been duped when dealing with the lure of human love. In this challenging aspect to Venus, Neptune, often called the Achilles' heel of the zodiac, can undo you if you allow your sentiments to blur your better judgment. Torturing yourself by getting into affairs with someone who's married or dating someone else; unplanned pregnancies; or making a fool of yourself by chasing the impossible are all part of the negatives. The only way to curb potentially self-destructive appetites is to compose yourself. Develop the insight to know the difference between mystical vision and fantasizing.

Nevertheless, for some, an important friendship begun now is meant to be, but the lessons entailed are tough. Take reasonable precautions to avoid theft. Be honest with yourself and with others.

*Apr 8, 2019*                      *3 PM (Apr 7, 2019 to Apr 10, 2019)*                      **Mar Oppos Plu**

The key word is power struggle! You could lose years of progress on the Path in five

minutes of explosive anger. Regardless of circumstances that trigger your primal rage, own your problem and keep yourself in check. Taking things into your own hands can be dangerous. Unavoidable conflicts can work out better if you draw the line but maintain your harmony. Chill!

A warm breeze caresses your heart. It's easy to be good to yourself and to others. Share your feelings. Since creativity is enhanced under this influence, artists, cooks, musicians and entertainers are especially delighted. A positive attitude and a friendly smile add sparkle to any financial negotiations. All else being equal, parents and elders are receptive. They want to open the doors of opportunity for you. Love relationships formed under this aspect can often be built to last. Already committed? Bring this bounty to the one you love. Single? No matter. Beauty abounds.

Chances are you're very touchy these days. You could feel unloved or could even be unloving. You could feel lonely or confused about a relationship, about your romantic prospects, your financial situation or about life in general. During this time you can get in touch with your heart. Artists, dancers, writers and musicians are expert at turning the soul's longings, even when unfulfilled, into inspiring poetry and images. The only lasting happiness comes from within. Don't blow your cash on stuff you may not really want tomorrow.

*Apr 10, 2019*                      *9 AM (Apr 9, 2019 to Apr 11, 2019)*                      Mer Trine Asc

You can really get your thoughts and ideas across. A good time for purchases and sales, and for asking someone out. This is a positive influence for job hunting.

*Apr 12, 2019*                      *12 AM (Apr 10, 2019 to Apr 13, 2019)*                      Mar Qucnx Moo

A tendency to take things personally could cause you to overreact emotionally. Ask yourself if you're acting like you did with your mother when you were an infant! The trouble is you've grown up! This transit gives you a good idea of what habits hurt you and keep you from getting the love you need. Emotional anger can challenge you. It doesn't matter if it comes from you or if someone else ticks you off. Be advised: booze, drugs and careless sex are especially dangerous outlets now! Look for new ways to conquer old hurts and you'll find

a peace you haven't known before.

*Apr 12, 2019 7 PM (Apr 11, 2019 to Apr 13, 2019) Sun Qucnx Asc*

Run ins with others who don't see things the way you do are a possibility today. Be aware of your ego and avoid steam rolling to get your way. On the other hand, you could feel more self-conscious than usual, a little too aware of the more negative aspects of your personality, and overly concerned with the way others see you. Center in your heart and you'll be able to ride this one out.

*Apr 14, 2019 12 PM (Apr 13, 2019 to Apr 15, 2019) Ven Trine Asc*

*Apr 15, 2019 7 AM (Apr 15, 2019 to Apr 16, 2019) Mer Conj Jup*

Your headlights are on bright. You see the road ahead and are likely to make all the correct turns and choices. Writing, giving speeches, gaining admittance into college or acing your latest research project, sports and travel are all favored by this influence. A philosophical conversation or writing, advice given, perhaps by a minister, teacher, guru, or astrologer is worth contemplating. Maybe the soul connections occur with a sibling, relative, neighbor or roommate. You're very convincing these days.

A mental reality check keeps you from offering the moon. Keeping your accounts in order may be the last thing you feel like doing. Nevertheless, a bit of self-control assures that your balloon will not pop with a groan when you must look at all those bills!

*Apr 17, 2019 8 PM (Apr 16, 2019 to Apr 19, 2019) Mar Sxtil Mer*

You're juiced! You're quick! Make those crucial phone calls, land that contract, get in the game! You'll have no problem getting your point across now. Take advantage of this positive mental energy; a great influence for any kind of competition, all sorts of games, plugging into the computer, and interfacing with others. Positive action is potentially indicated with a roommate, sibling, cousin (or relative), or co-workers. Guard against impatience.

Your keyword during this brief but promising cycle is breakthroughs!

*Apr 18, 2019 12 AM (Apr 17, 2019 to Apr 18, 2019) Mer Sxtil Nep*

You could spellbind your audience, get that date by pure persuasion, be at your most poetic. Imagination and creative thinking are enhanced by this aspect. It's easier than usual to express your feelings and explore philosophical and spiritual truths. At the very least, you'd enjoy a good book or movie.

*Apr 18, 2019*      *5 AM (Apr 17, 2019 to Apr 19, 2019)*      Mer Qucnx MC

Be aware of the potential for banging heads now. Confronting your parents or boss may not be the brightest of moves. Watch what you say. You could easily alienate others or damage your reputation. With those who understand you best, the conversational dance could be exhilarating.

*Apr 18, 2019*      *11 AM (Apr 17, 2019 to Apr 19, 2019)*      Mer Sqr Mar

Master the challenge of this square and you may find you have the right answers at the right time. Then again, you could be irritable and easily set off. While you may have legitimate complaints, think about the way you choose your words if you want positive results. If you use your tongue like a weapon, be prepared to handle the return artillery. Getting ticked off sets you up for a fall. Remember, anything you say could be used against you. Strategize and put your energy into your work. It'll pay off. Reasonable caution is advised while traveling.

This is the aspect that breaks the procrastinator's back. This is when you're forced to confront and finish your most dreaded assignments. One can only avoid the inevitable so long! So, will you respond with some sort of ingenious solution, or will you let fear keep you

cooped up in a gilded cage? Radical events and disruptive changes may rock your world. Let the storm pass and move on with your life. Changes related to your father, tradition, career, reputation, and possibly your group of friends are inevitable. Put your creative ideas into a practical framework and enjoy long term gains. Greater self-discipline and organization opens the way for significant progress. Fear not, nor cling to past relationships. New friendships and associations are waiting in the wings!

*Apr 21, 2019 9 AM (Apr 21, 2019 to Apr 22, 2019) Sun Sqr Nep*

Under Neptune's imaginative influence, you might be inspired to meditate, paint, listen to music, or dance. Stretch your antenna, but beware. Neptune can blur your vision with emotional clouds almost unnoticeably, leaving you feeling confused, bummed or wiped out. This is certainly the case for those who allow themselves to be enticed into a magic carpet ride to Never-never Land by getting stoned or drunk. Hold back now to have no regrets later. If you're feeling like pulling the covers over your head, try looking on the bright side of things. Resist the temptation to wear your problems. Rather, release the sense of struggle. Actually, much healing can happen now. Jot down momentary inspirations, interesting ideas, poems, songs and symbolic dreams.

*Apr 21, 2019 10 AM (Apr 21, 2019 to Apr 22, 2019) Mer Trine Plu*

A great time to get to the core of the matter. Whether you're taking it to the next level in sports or in convincing others, this is the time to make it happen. This influence is like having a ballpark halogen light inside your brain. Subject matter previously hidden becomes apparent. Constructive financial strategies you devise under this influence are likely to pay off.

*Apr 21, 2019 10 AM (Apr 21, 2019 to Apr 22, 2019) Ven Sxtil Nep*

Compassion, sensitivity to the needs and feelings of others and artistic and musical inspiration are enhanced under this influence. This is an opportune time to visit family or friends, especially those in need of comfort. Relationships initiated under this aspect could be an ideal encounter or some pie-in-the-sky bubbles soon to burst.

*Apr 21, 2019 3 PM (Apr 21, 2019 to Apr 22, 2019) Ven Qucnx MC*

If you meet this square successfully, you could spend an enjoyable, even stimulating few days with someone special. However, if you feel yourself put down in relation to someone else, this shows that you need to work on your basic self-esteem. Cash flow issues could cut into plans. Duty and desire may be at odds.

*Apr 21, 2019 3 PM (Apr 21, 2019 to Apr 22, 2019) Sun Trine MC*

You're sitting pretty, so take charge and do your very best. Your diligence and persistence pay off at work. Interactions with employers, professors, parents or other older persons are highly favored.

*Apr 21, 2019 10 PM (Apr 21, 2019 to Apr 22, 2019)* Ven Sqr Mar

Squares create challenges. Being that this is a love challenge, your heart is your best counselor for whatever might come up in your personal relationships. It's likely that you desire to express and receive love now. So, where's the rub? It might be just a moment during the day in the midst of larger happenings. Did you react with anger or hurt at another's words? Did s/he react to yours? Your sense of values could be in conflict with your feelings. Go into your heart. Think through your actions before jumping into anything. Maybe you're tempted to spend more than you can afford or go further than you think you should. Don't be afraid to say no. Never put yourself or another down in the name of love. We all have different needs. Be honest in all business transactions.

*Apr 21, 2019 11 PM (Apr 21, 2019 to Apr 22, 2019)* Sun Sxtil Mar

You have an extra dose of self-confidence. That makes this a good time to get things done. Good eye-hand coordination and steady effort make almost any job doable. If you don't get out and do something, all this energy could drive you nuts. How about at least hitting the gym to blow off some steam?

*Apr 22, 2019 3 PM (Apr 21, 2019 to Apr 23, 2019)* Sun Conj Sat

Now's the time to plan, organize and get things done. If you've been putting it off, do it now. Burdens or heavy responsibilities might weigh on you, especially in relationship to authorities, fathers and/or bosses. Be patient and willing to account for your actions. Serious feelings lead you to areas of your life where things aren't the way you'd like them to be. Still, try not to get bummed. Take a deep breath and get the not so fun things out of way, so you'll be free to go out and play.

*Apr 23, 2019 12 AM (Apr 23, 2019 to Apr 24, 2019)* Mer Sqr Moo

Watch out! Your emotions are getting in the way of your thinking. You could be impatient with younger kids, fed up with teachers, or generally disgruntled. Try to keep in touch with your inner feelings. Stuff that happened in the past could resurface. To avoid getting into it with people, it's best not to revolve negative experiences in your mind.

*Apr 23, 2019 (Apr 22, 2019 to May 15, 2019)* Ven 5th H.

Venus passing through the House of creative self-expression, romance and children: Circumstances align to grant the heart center stage. This is a time to connect with the heart of a child, even your own inner child. Have fun, but if you're gonna binge, beware of unwanted pregnancies and empty wallets.

*Apr 25, 2019 4 AM (Apr 25, 2019 to Apr 26, 2019)* Ven Trine Plu

Strong attractions to the opposite sex often occur under this influence. Something deep inside you draws you to relationships that reveal your hidden self. This energy can also be channeled successfully into creative work and really fun social outings. Some financial gain is possible. This is a good time to use funds resourcefully. You could get some top notch

entertainment, obtain something beautiful or luxurious, and improve your wardrobe or appearance.

*Apr 25, 2019 3 PM (Apr 25, 2019 to Apr 26, 2019) Mer Trine Mer*

You're juiced. You're quick. Get in the game! You'll have no problem getting your point across now. This influence is favorable for any kind of competition, all sorts of games, plugging into the computer, and interfacing with others. Take advantage of this positive time to apply for jobs or schools, working things out, or making plans with brothers, sisters, roommates, classmates and/or co-workers.

*Apr 25, 2019 3 PM (Apr 25, 2019 to Apr 26, 2019) Mer Sxtil Ura*

Your mental genie is awake. Quick answers, great lines, and brilliant solutions are yours to command. This is the time to get your point across and be creative. What appears to be an unforgettable revelation could vanish like a dream. Jot down or record original flashes of genius and inspiring thoughts.

*Apr 26, 2019 12 AM (Apr 24, 2019 to Apr 27, 2019) Sun Qucnx Plu*

Fights, power struggles, and intense arguments characterize this short but powerful influence. Gear up to the challenge and try to handle any confrontational situations sensibly. Don't allow others to clobber you with criticism. You could be too hard on them as well. Nevertheless, Pluto can show you where changes have to be made. If you're financially independent, questions related to your credit could surface now. Control your temper and keep clear of violence.

*Apr 26, 2019 5 AM (Apr 24, 2019 to Apr 27, 2019) Mar Conj Ven*

You're mad for love! Married? Call the sitter and go out and have some fun! Single? Although romantic attractions often occur during this sexy influence, staying with someone long-term is not a given. This aspect imparts a basic drive to appreciate and taste life. Desires are strong and chances are you'll want to enjoy yourself. Over spending is very possible. Sexual energy, the energy behind all creativity, should be used wisely; don't give away your light indiscriminately!

*Apr 27, 2019 12 AM (Apr 26, 2019 to Apr 27, 2019) Ven Sqr Moo*

You're so sensitive now. No pouting allowed! Especially if you find yourself at odds with a woman, chances are that you're actually feeling pain and insecurities left over from your childhood. Or perhaps your concern over a loved one or even the latest headline bring tears to your eyes. An amorous urge seeks expression. Be careful not to overpower with smothering kisses nor with sentimentality the object of your affectionate. Here's a meditation for you: serenity: a lake without ripples. Get a grip! You can handle this one.

*Apr 28, 2019 6 AM (Apr 27, 2019 to Apr 29, 2019) Sun Trine Moo*

The world is looking friendly right now. You should be able to figure out even tough problems. Take advantage of this positive breeze to seek answers and work things out.

*Apr 28, 2019*      *6 PM (Apr 28, 2019 to Apr 29, 2019)*      Mer Sqr Sun

You may have a hard time getting your ideas across right now. Ego conflicts get in the way of effective communication. Arguments are possible with an authority figure or someone older than yourself. Handle the nervous energy and watch your mouth. You could discover at the end of this period that you've gotten a lot done. Karma with the Word could manifest in mumbled exchanges, mail mishaps, problems with the neighbors or misunderstandings.

*Apr 29, 2019*      *3 AM (Apr 29, 2019 to Apr 30, 2019)*      Mer Sxtil Ven

You're feeling more together than usual. Take care of any negotiations or important correspondence. All else being equal, this might be a good time to take in a movie, see a show, go out. Even better, enjoy a meaningful conversation with a friend. How about an excursion combining work, study and fun?

*Apr 30, 2019*      *3 AM (Apr 29, 2019 to May 1, 2019)*      Ven Trine Mer

This positive astrology brings love and communication together harmoniously. The possibilities are endless, but it doesn't last long. Some simply take pleasure in the everyday details of life. Others enjoy mini-excursions, a movie or a chat with a friend in a local café. Still others use this influence by writing and sharing the thoughts of their hearts. If you want to win someone's love, now is the time to impress them with your words. This is a propitious moment to take up a course like Compassionate Communication by Marshall Rosenberg, or to read *How to Influence Friends and Loved Ones* by Dale Carnegie. It's classic. Give loved ones a call.

*Apr 30, 2019*      *4 AM (Apr 29, 2019 to May 1, 2019)*      Ven Sxtil Ura

Be ready for unexpected romantic, social or financial opportunities. Write down your poetic and practical inspirations. Why not get away from routine and do something completely different for a change? Friendships formed during this transit tend to be special, if out of the ordinary. Combining art and technology might be a lot of fun. Your team might experience a breakthrough at work.

*May 2, 2019*      *5 AM (May 1, 2019 to May 3, 2019)*      Sun Sqr Mer

The forecast: high probability of harsh words with a brother or sister, authority figure, parent, teacher or older person. Communication is improved when you center in your heart and take a moment to consider the other person's needs and feelings. Instead of getting angry or down on yourself or someone else, listen to your own thoughts and be willing to admit mistakes. You can learn a lot from taking in what others have to say.

*May 2, 2019*      *5 AM (May 1, 2019 to May 3, 2019)*      Sun Sqr Ura

Watch out! Here's a fuse about to blow. Uranian squares bring in a lot of restlessness and can be very disruptive. Uranus is "The Awakener." You could receive a needed lesson, but perhaps not in the packaging you'd prefer. Be humble. If you do feel riled up, take a jog or find a constructive way to release this energy. Sitting on it could lead to explosions. You may feel the "system" or someone with greater authority than yourself, stifles your freedom. Or maybe you're impatient with protocol, legal glitches, and rules. Seek changes but avoid radical actions that cause unnecessary damage. Be nice to your vehicle and hi-tech equipment. This is a dangerous time to live on the edge. If good friends would mislead you with foolish invites, be prepared to say no.

*May 2, 2019*      *12 PM (May 1, 2019 to May 3, 2019)*      Mer Qucnx Asc

You're ready to brainstorm, but is the world ready for you? Blocks in communication are common under this influence. Instead of getting uptight, stay patient with anyone who doesn't seem to get your point. Gossip and meaningless chitchat can make you lose your focus. Stick to what counts.

*May 4, 2019*      *3 AM (May 3, 2019 to May 5, 2019)*      Ven Sqr Sun

Everyone needs to love and be loved. Rather than feeling lonely or despondent, meditate on the light within the heart. You value yourself by acknowledging inner beauty. Consider the notion that Love is the gardener preparing the garden of your heart. Sometimes it's necessary to meet another half way. Other times, the loving choice is to say "no," even to the best of friends. Try not to over personalize. You're not the only one learning how to love. As long as you're not overly sensitive, you can have fun today. Too much sugar opens the chutes to moodiness. Retail therapy is cathartic, but determine your budget before you set out. Restraint today could mean riches gained tomorrow.

*May 4, 2019*      *4 PM (May 3, 2019 to May 5, 2019)*      Ven Sxtil Ven

You're showing fabulous taste. Now's the time to appreciate the finer things in life. This is a propitious cycle for going out, being with friends, going shopping, and in short, for enjoying life. The time is especially auspicious for artists, entrepreneurs, romantics and lovers of beauty.

*May 4, 2019*      *8 PM (May 3, 2019 to May 6, 2019)*      Mar Qucnx Asc

Others may not support the direction you want to take. Or circumstances could get in the way. While its easy to feel frustrated, take a breather. With a dose of patience and a pinch of resourcefulness, you can get a lot done.

*May 4, 2019*      *(May 3, 2019 to Jun 26, 2019)*      Mar 8th H.

Mars in the House of sex, financial transactions, spiritual regeneration, the deep and the mysterious: Practice proactive kindness! When dealing with business transactions, know the ways of the world but be wary of greed and other, more subtle, forms of selfishness. Using others or allowing yourself to be used to provide a temporary fix is toxic to the soul. During this cycle, an honest sorting out of constructive from destructive desires within yourself

exposes denial and strengthens you to resist temptation. Such inner purging could even be the springboard to inner and/or outer healing.

*May 6, 2019*                      *(May 6, 2019 to May 17, 2019)*                      Mer 6th H.

Mercury passing through the House of health, work, studies and service: This is a good time for pulling out weeds, unwanted habits, and replacing them with healthier ways. Balance work with rest. Stay positive. In regard to self and to others, keep in mind that criticism kills the spirit.

*May 7, 2019*                      *5 AM (May 7, 2019 to May 8, 2019)*                      Mer Sqr Nep

This isn't the clearest of times. Neptunian fog can lead you astray. The powers of imagination are stimulated, taking you to new heights of understanding and happiness or plunging you into the depths of despair. Guard the mind. Even so, you're in tune with parts of yourself that are usually blocked off. Become and stay centered. Substance detours and psychic experimentation could be devastating during this cycle. Getting wasted or artificially high will only result in missing the message. Watch out for the temptation to lie; even little white lies make karma. Be aware of the possibility that others could be less than honest with you.

Get the most out of this cycle by tuning into the higher spheres through music, meditation, philosophical sharing or spiritual musing. Explore creative nondestructive ways to express your feelings such as meditation, yoga, poetry, soul searching with a friend or taking in a movie. Artists, musicians and spiritual seekers find this to be a most inspiring interlude. If you're feeling confused or misunderstood, wait this one out.

Friends may seek your council. By being compassionate but objective, you'll not fall in the trap of licking another's wounds. Stay alert while driving. Make sure the driver of your vehicle is awake and sober. Sleeping at the wheel is dangerous but preventable in most cases. You could easily space things now. Lists are a must.

*May 7, 2019*                      *5 AM (May 7, 2019 to May 8, 2019)*                      Sun Sxtil Sun

This feeling good influence should give you a real boost. Be creative. Get out there! Stress levels are relatively low, making this an opportune time to get your schedule organized or figure out your plans. Regardless of whatever else you might be handling, here's some good energy for dealing with parents, teachers and/or people in charge. Carpe Diem, seize the day!

*May 7, 2019*                      *8 AM (May 7, 2019 to May 8, 2019)*                      Mer Trine MC

This is a good time to think about where you're going and what you want to do. Your ability to tune in to your future possibilities is definitely enhanced now. If it's appropriate, share your vision with those who believe are supportive of your plans.

*May 7, 2019*                      *12 PM (May 7, 2019 to May 8, 2019)*                      Mer Sxtil Mar

You're sharp today. You say what you mean and mean what you say. It's easier to talk about your feelings, write up those school or business strategies. Get those projects in motion now while you've got the steam. Now is prime time to work out or pump up. If you're into sports or competition, make this one a win. You might enjoy a short trip.

*May 7, 2019*      *9 PM (May 7, 2019 to May 8, 2019)*      Mer Conj Sat

The thinker! You may feel the weight of responsibility upon your shoulders. A serious mind set has its place, but why stress it? What you need now is mental discipline and a positive mental outlook. Maybe a sibling is getting in your way or your significant other didn't call. Tests, life tests or academic, could be stressing you. Use this time to look for answers and don't get too down on yourself. Getting caught in cynicism and similar other pessimistic expressions can be a major mental bummer. Or perhaps you're fine but have to deal with someone else's dark thoughts. Look at the facts, but keep a positive mind set.

Delays are common under this influence so patience is essential. Conversations with or news about a sibling, roommate, co-worker, classmate or neighbor could cause you concern. This won't last long. Hanging in there pays off!

*May 9, 2019*      *6 AM (May 9, 2019 to May 10, 2019)*      Ven Qucnx Asc

Seek balance in interpersonal interactions. Venus problems, such as binging and making waves, affect your public image. So stay cool!

*May 9, 2019*      *2 PM (May 9, 2019 to May 10, 2019)*      Mer Qucnx Plu

Go Zen. To navigate this intense labyrinth, you must keep your mental balance. Dark energies are surfacing. This is your chance to cleanse and purify your mental outlook. Keeping up a positive mental attitude now may be easier said than done. Nevertheless, it's your way out of heavy thoughts and attitudes that weigh on you at this time. Just because you feel something, it doesn't mean you should act it out. This means suicide, drugs and self-destruction are not the ticket. If they come up, they've got to go. Dive into your heart and retrieve a happy thought!

Suspicious about others may tell you more about yourself than about them. Otherwise it's probable your problem comes from within. This is a helpful influence for self-discovery and understanding as long as your angle is positive.

Steer clear of brawls, especially with brothers, sisters, classmates and co-workers. Be careful driving.

*May 10, 2019*      *5 PM (May 10, 2019 to May 11, 2019)*      Mer Trine Moo

This time might see you working on children's affairs or community events. You have a natural sense for communicating with others, especially those younger than yourself. Enjoy a chat with the family.

Despite the rush, you may not be on the roll you imagine. Before you take the gamble, assess the risk well. Chances are, you're overreaching the mark or underestimating the odds. Losses could be costly if you opt to act on impulse. This is a time to be tolerant: different strokes for different folks!

You're emotionally vulnerable and somewhat susceptible to being duped right now. So, try to stay centered. If temptation knocks at your door, tell him, "Not now! I have transiting Venus square Neptune. We can talk next week!" To avoid regrets, use caution.

yourself instead of focusing on what's wrong.

*May 17, 2019*      *6 PM (May 16, 2019 to May 19, 2019)*      Mar Qucnx Nep

This transit usually stimulates a period of self-evaluation. Unfortunately, the tendency is to be too hard on oneself, to concentrate on mistakes and failures and hence, to feel discouraged. Learn from the past, but redefine your goals and sense of mission for the future. You may be vulnerable to wishful thinking or to some pretty convincing delusions. Examine any personal or professional proposals objectively before making a commitment. You could easily get carried away with some fancy or another. To escape into illusion and give into temptation would leave you wondering later what it was all about. If you feel excessively bummed these days, ponder if there be someone or something (including yourself) who you need to forgive. Forgiveness is the key to peace and resolution. Whatever you do, do not play the victim! Self-knowledge and attunement with the heart can help you navigate this fog!

Seriously though, if you realize that getting your point across isn't a matter of life and death, you can deliver your message with measured intensity. Use this energy to figure out what's up, but be willing to listen to others.

For some, this transit ushers in intense conflicts with or related to a sibling, neighbor, co-worker, classmate or roommate. Take a breath. Say what must be said. If you remember we all have different needs, you're more apt to maintain equanimity and avoid needless argumentation.

*May 24, 2019*      *5 PM (May 23, 2019 to May 26, 2019)*      Mar Qucnx Plu

Something irking you? This transit will let you know! If you take the time to know yourself, you could begin a course of self-improvement with awesome results. It takes willingness to struggle with inner enemies and a basic honest attitude. Resist the temptation to be hard, cruel or otherwise blame others for your own problems. You may not get what you want, but believe it or not, you may be getting exactly what you need. If you need to vent these intense energies somewhere safe, you might want to hit the gym, do some yoga or dance away your rage. Determine to be considerate, take the time to relax, and you may be able to break your old records and come out shining!

note really does make a difference. In any financial agreement, get it in writing and read the fine print. Give detail your loving attention, but don't stress over the small stuff!

*May 24, 2019*      *8 PM (May 24, 2019 to May 25, 2019)*      Mer Qucnx Moo

Watch out! Your emotions are getting in the way of your thinking. You could be impatient with younger kids, fed up with teachers, or generally disgruntled. Try to keep in touch with your inner feelings. Stuff that happened in the past could resurface. To avoid getting into it with people, it's best not to revolve negative experiences in your mind.

*May 24, 2019*      *9 PM (May 24, 2019 to May 25, 2019)*      Ven Sqr Ura

Perhaps this transit brings nothing more than a whim for a tattoo or an itch for a body piercing. Nevertheless, a word of caution, just in case you need it: Blindness to potential consequences and non-sensitivity to the feelings of others can result in regrets later. Be prepared to meet unexpected emotional urges and strong magnetic attractions. Even if you're sure you've met the love of your life, attractive and long lasting are not synonymous under this combination. Few relationships formed under this aspect stand the test of time. You might have to say no to a friend. It all could be fun, but know what you're getting into.

*May 26, 2019*      *3 PM (May 26, 2019 to May 27, 2019)*      Mer Sxtil Mer

What appears to be an unforgettable revelation could vanish like a dream. Jot down or record original flashes of genius and inspiring thoughts.

*May 27, 2019*      *1 AM (May 27, 2019 to May 28, 2019)*      Sun Oppos Plu

This transit tends to provoke conflicts. For some, the challenge is going to be to stand up for your beliefs; for others, the challenge will be to keep your mouth shut. Mutual understanding is the only solution, but harmonious interchanges may not be in the cards for the time being. Sometimes Pluto exposes something you'd rather not see but from which you can't hide. Steer clear of fights.

*May 28, 2019*      *4 AM (May 26, 2019 to May 29, 2019)*      Mar Oppos Moo

You're hanging on in a sea of emotion. A lot of emotional stuff is coming up for clearance. The trouble is you could react, rather than reflect, and cause a lot of damage. How to keep

the peace when everything is blowing up inside you? This is your chance to discover which attitudes and feelings that worked when you were a kid somehow get in the way and mess things up now. This is especially the case if you had problems with your Mom. (Who doesn't?) If you keep your objectivity, you can permanently change certain habit patterns for the better. Maybe you're totally okay but someone close to you acts really strange. Take a look. See yourself?

*May 28, 2019*      *8 PM (May 28, 2019 to May 29, 2019)*      Ven Sxtil Sun

*May 29, 2019*      *8 AM (May 29, 2019 to May 30, 2019)*      Sun Qucnx Moo

Get ready for clashes. That is, if you take yourself too seriously now. Even if your family or significant other is in your face, you can make it right if you try to understand. Your feelings could take you in one direction, your head in another. Don't be too hard on yourself. If you can't get everything you want, settle for now for what you need.

*May 31, 2019*      *10 PM (May 31, 2019 to Jun 1, 2019)*      Mer Qucnx Asc

You're ready to brainstorm, but is the world ready for you? Blocks in communication are common under this influence. Instead of getting uptight, stay patient with anyone who doesn't seem to get your point. Gossip and meaningless chitchat can make you lose your focus. Stick to what counts.

*May 31, 2019*      *(May 30, 2019 to Jun 22, 2019)*      Mer 8th H.

*Jun 2, 2019*      *8 AM (Jun 2, 2019 to Jun 3, 2019)*      Sun Trine Ura

Do something different. Pay attention. You may discover insights into day-to-day problems and into your psychology that will prove to be of great value later. Your antennas are tingling, making this a prime time to study your astrology. A teaching you attend now or dream you experience could be a revelation. No matter how cosmic it appears, you're apt to forget if you don't write it down. This is a positive influence for participating in group activities and for taking the lead. Tying into the Internet or some other computer related work may be on your menu.

*Jun 3, 2019*      *4 AM (Jun 1, 2019 to Jun 4, 2019)*      Mar Qucnx Ura

Whoa, the battle is raging! Or is it? Whether the disruptive energy comes from within or from without, the challenge is the same. Learn how to handle your own inner conflicts rather than throwing them on people you love (or innocent bystanders)! This may be a time to forgive and let go; most of all, forgive yourself and move on! Avoid all and any people, substances, or actions that are hurtful or destructive.

If there wasn't a battle, how could you win? The conquering hero is meditating within; bow to one another and join forces.

*Jun 3, 2019*      *1 PM (Jun 3, 2019 to Jun 4, 2019)*      Mer Sqr Jup

You're in a problem-solving mood. Discovering exactly the lessons life has offered you and how to learn from your experience is the way to crack the code. Meditating in motion may suit you better than staying still.

If you're going to get an apartment or buy a car, read the fine print. Schoolwork could suffer if you're not in the mood or if you're sloppy. Just do it! Leave fishing for later. Ignoring details could prove costly and at the very least you may have to do things over later. Backing up and protecting copies of files is always a good idea. Your life may be spiced by communication with siblings, cousins or even foreigners or people in faraway places. No matter how good the news sounds, give it a few days or more to see if it pans out.

*Jun 5, 2019*      *6 AM (Jun 4, 2019 to Jun 6, 2019)*      Mer Qucnx Nep

This isn't the clearest of times. Neptunian fog can lead you astray. The powers of imagination are stimulated, taking you to new heights of understanding and happiness or plunging you into the depths of despair. Guard the mind. Even so, you're in tune with parts of yourself that are usually blocked off. Become and stay centered. Substance detours and psychic experimentation could be devastating during this cycle. Getting wasted or artificially high will only result in missing the message. Watch out for the temptation to lie; even little white lies make karma. Be aware of the possibility that others could be less than honest with you.

Get the most out of this cycle by tuning into the higher spheres through music, meditation, philosophical sharing or spiritual musing. Explore creative nondestructive ways to express your feelings such as meditation, yoga, poetry, soul searching with a friend or taking in a movie. Artists, musicians and spiritual seekers find this to be a most inspiring interlude. If you're feeling confused or misunderstood, wait this one out.

Friends may seek your council. By being compassionate but objective, you'll not fall in the trap of licking another's wounds. Stay alert while driving. Make sure the driver of your vehicle is awake and sober. Sleeping at the wheel is dangerous but preventable in most cases. You could easily space things now. Lists are a must.

*Jun 5, 2019*      *10 AM (Jun 4, 2019 to Jun 6, 2019)*      Mer Sxtil MC

This is a good time to think about where you're going and what you want to do. Your ability to tune in to your future possibilities is definitely enhanced now. If it's appropriate, share your vision with those who believe are supportive of your plans.

*Jun 5, 2019*      *2 PM (Jun 5, 2019 to Jun 6, 2019)*      Mer Conj Mar

This transit packs a punch. You're ready to make quick and sharp decisions. There's no doubt that you can get your point across. Right or wrong, others could find your comments too loaded. A discussion could easily turn into an argument. You're energized, and you need to avoid impulsive decisions and unnecessary risks. This is definitely not the time to snowboard the Himalayas!

*Jun 5, 2019*      *11 PM (Jun 5, 2019 to Jun 6, 2019)*      Mer Sxtil Sat

It's time to get to business. Put your mind to work and take care of any details on your desk. Stuff you may have felt blocked about is more easily resolved now. Take advantage of

this clear frame of mind to turn in those job or school applications, meet with parents, employers or other authority figures. Mental organization, patience and determination, and a welcome dose of common sense, help you resolve even complex problems. Need an extension on your paper deadline, a later curfew perhaps? Ask now!

*Jun 7, 2019*      *4 AM (Jun 6, 2019 to Jun 8, 2019)*      Ven Sxtil Jup

The breezes feel warm and favorable. Use the extra dose of love and good vibes you feel know to settle any outstanding grievances. Diplomacy and kindness mend the rifts. This transit is an epicure's delight; cook it up and invite someone special or hit your favorite restaurant. Take some time out to enjoy your life; a mini vacation might be ideal. By providing some service, extending a hand, helping those in need, you expand the joy within your heart. Your romantic life receives a few sprinkles of happiness now. This astrology is potentially positive for increased cash flow. Even though this is a positive influence, it must be said: too much of a good thing can be harmful.

*Jun 7, 2019*      *7 PM (Jun 7, 2019 to Jun 8, 2019)*      Mer Qucnx Plu

Go Zen. To navigate this intense labyrinth, you must keep your mental balance. Dark energies are surfacing. This is your chance to cleanse and purify your mental outlook. Keeping up a positive mental attitude now may be easier said than done. Nevertheless, it's your way out of heavy thoughts and attitudes that weigh on you at this time. Just because you feel something, it doesn't mean you should act it out. This means suicide, drugs and self-destruction are not the ticket. If they come up, they've got to go. Dive into your heart and retrieve a happy thought!

Suspicious about others may tell you more about yourself than about them. Otherwise it's probable your problem comes from within. This is a helpful influence for self-discovery and understanding as long as your angle is positive.

Steer clear of brawls, especially with brothers, sisters, classmates and co-workers. Be careful driving.

*Jun 8, 2019*      *1 AM (Jun 8, 2019 to Jun 9, 2019)*      Sun Conj Ven

This transit is good for any kind of social activity as well as for shopping. If you're looking for a good day to throw a party, or to go out for dinner and the movies with a special friend, then this could be your day. Be careful not to blow all your cash. Everything looks extra good today!

*Jun 9, 2019*      *2 AM (Jun 8, 2019 to Jun 10, 2019)*      Mer Oppos Moo

You're thinking through your emotions. Some of this could be unconscious. If you're not careful you could be sorry later for remarks that are childish or simply out of place. You could over react to another's comments, or have to deal with them overreacting to you. It helps to step outside the situation to understand what's really going on. Communication with little kids or siblings could test your patience.

*Jun 9, 2019*      *8 PM (Jun 8, 2019 to Jun 10, 2019)*      Ven Trine Nep

Compassion, sensitivity to the needs and feelings of others and artistic and musical inspiration are enhanced under this influence. *Jun 10, 2019*      *1 AM (Jun 10, 2019 to Jun 11, 2019)*      Ven Sqr MC

If you meet this square successfully, you could spend an enjoyable, even stimulating few days with someone special. However, if you feel yourself put down in relation to someone else, this shows that you need to work on your basic self-esteem. Cash flow issues could cut into plans. Duty and desire may be at odds.

You may feel weirded out today. You could find yourself changing your mind again and again. You might want to do something crazy. However, try not to go off half-cocked.

By pushing the limits, accidents can happen. Friends could prove to be unreliable, so its okay to be picky. Speeding while driving is dangerous under this influence. Reckless behavior now could result in accidents.

Have a back up plan just in case you run into any unexpected interruptions to your routine due to a computer malfunction, telephone interruption, etc. Hey, there's no need to freak out. Backing up files is always a good idea.

Intense interpersonal battles often occur under this influence. Pluto/Venus contacts tend to stimulate selfish attitudes. Arguments and power struggles, particularly related to money and sex, are common. Diplomacy, rather than control tactics, is advised. In sports, fair play is a must. Avoid all temptation to enter into dishonest dealings.

Run ins with others who don't see things the way you do are a possibility today. Be aware of your ego and avoid steam rolling to get your way. On the other hand, you could feel more self-conscious than usual, a little too aware of the more negative aspects of your personality, and overly concerned with the way others see you. Center in your heart and you'll be able to ride this one out.

You're so sensitive now. No pouting allowed! Especially if you find yourself at odds with a woman, chances are that you're actually feeling pain and insecurities left over from your childhood. Or perhaps your concern over a loved one or even the latest headline bring tears to your eyes. An amorous urge seeks expression. Be careful not to overpower with smothering kisses nor with sentimentality the object of your affectionate. Here's a meditation for you: serenity: a lake without ripples. Get a grip! You can handle this one.

This positive astrology brings love and communication together harmoniously. The possibilities are endless, but it doesn't last long. Some simply take pleasure in the everyday details of life. Others enjoy mini-excursions, a movie or a chat with a friend in a local café. Still others use this influence by writing and sharing the thoughts of their hearts. If you want to win someone's love, now is the time to impress them with your words. This is a propitious moment to take up a course like Compassionate Communication by Marshall Rosenberg, or to read How to Influence Friends and Loved Ones by Dale Carnegie. It's classic. Give loved ones a call.

Be ready for unexpected romantic, social or financial opportunities. Write down your poetic and practical inspirations. Combining art and technology might be a lot of fun. Your team might experience a breakthrough at work.

This influence is like having lots of money in your hands but not necessarily spending it wisely. You've got plenty of enthusiasm. But you could easily go too far, take on too much,

promise more than you're willing or able to deliver. You could get ripped off if you're not careful. Someone older or in authority could disapprove of your actions or decisions. It could be hard to figure out the right move. If you believe in yourself, you're more likely to obtain the support of others. If you feel full of yourself, you're apt to make foolish mistakes. If you feel frustrated as to where you're headed in life just now, wait this one out.

*Jun 19, 2019*      *1 PM (Jun 18, 2019 to Jun 20, 2019)*      Mer Trine Asc

Under Neptune's imaginative influence, you might be inspired to meditate, paint, listen to music, or dance. Stretch your antenna, but beware. Neptune can blur your vision with emotional clouds almost unnoticeably, leaving you feeling confused, bummed or wiped out. This is certainly the case for those who allow themselves to be enticed into a magic carpet ride to Never-never Land by getting stoned or drunk. Hold back now to have no regrets later. If you're feeling like pulling the covers over your head, try looking on the bright side of things. Resist the temptation to wear your problems. Rather, release the sense of struggle. Actually, much healing can happen now. Jot down momentary inspirations, interesting ideas, poems, songs and symbolic dreams.

This time is called "the Venus Return." It represents an opportunity for enrichment in all love relationships. Returns signify the closing of a cycle and the beginning of a new one. This doesn't necessarily mean a new romantic relationship, although that's a possibility. If already involved, enjoy this interlude with your special somebody. Even if single, there are so many ways to bring beauty into your life. Even if you're shy by nature, you might enjoy spending time with a friend. Some new clothes or a special purchase is a possibility. If you're prone to spoiling yourself, remember every rose has its thorns.

You're charged now! This is the time to get projects off to a good start. Mars gives you lots of potent energy for sports and competitive events. Now here's the ugly part: Mars energy can make you feel full of yourself and aggressive, not caring much about other peoples' feelings or needs. Reckless and impulsive actions could be dangerous or get you into trouble. It's not worth it! A coach or older person may motivate you onward. As long as you're respectful and mindful of protocol, this is actually a good time to talk to parents, teachers and those in charge. Chances are they'll listen.

*Jun 24, 2019*      *12 AM (Jun 22, 2019 to Jun 25, 2019)*      Sun Sxtil Sat

You're up to tackling projects that require real discipline and organization. Hard work pays off. Progress you make now could benefit you for some time to come. All else being equal, you'll likely to be well received by parents, employers, or other authority figures.

Your innermost demons are suddenly unchained! Be on guard! You must muster the inner strength and courage to confront them at the gates of your soul. It helps to have a positive focus in your life, such as a family member you love, a good friend, a coach and sports activity, or a creative outlet. The important thing is to focus on the positives that you've had in your life in order to root out the negatives.

Allowing your demons to pursue their appetites for drugs, sex and self-destruction gives them control, not you. So, don't let them have it. You, and you alone, are in charge of your destiny! Don't be afraid to make a stand for what's right in the face of what momentarily seems to be "cool."

This influence will help you balance the big picture with the details. For example, if you want to apply for a job or go to school away from home, this is the time to plan it out and possibly to apply. Vacations, schoolwork and travel are all favored. This is an optimum time to sign contracts as long as you carefully consider the fine print. Your life may be spiced by communication with siblings, cousins or even foreigners or people in faraway places. Good news!

Mars in the House of travel, higher education and philosophy: While adventuring and wandering is tempting, consciously training for a future goal might prove more profitable. Assertive business affairs or military service involving travel, foreigners and/or foreign lands

sometimes happen under this influence. Mars aspects during this time tell the story. If possible, avoid travel in unstable areas. You might feel almost compelled to share your religious, philosophical or political views. For greater receptivity, balance your enthusiasm with tolerance for those who think differently. Avoid hypocrisy at all costs. While this is usually a favorable cycle for publishing and for higher studies, it is not without bumps in the road.

*Jun 27, 2019 10 AM (Jun 26, 2019 to Jun 28, 2019) Sun Qucnx Plu*

Fights, power struggles, and intense arguments characterize this short but powerful influence. Gear up to the challenge and try to handle any confrontational situations sensibly. Don't allow others to clobber you with criticism. You could be too hard on them as well. Nevertheless, Pluto can show you where changes have to be made. If you're financially independent, questions related to your credit could surface now. Control your temper and keep clear of violence.

*Jun 27, 2019 1 PM (Jun 26, 2019 to Jun 28, 2019) Ven Qucnx Asc*

Dense mind set alert! Watch out, for Neptunian fog could lead you astray. The powers of imagination are stimulated, taking you to new heights of understanding or plunging you into the depths of despair. Guard the mind. Even so, you're in tune with parts of yourself that are usually blocked off. Substance detours and psychic experimentation could be devastating during this cycle. Getting artificially high results in missing the true inner message.

Watch out for the temptation to lie; even little white lies create karma. Others could be less than honest with you. Friends may seek your council. By being compassionate but objective you'll not fall into the trap of licking another's wounds. Assure that the driver of your vehicle is awake and sober. These are extremes, but sleeping at the wheel is dangerous but preventable in most cases.

As long as you maintain centeredness, this might be an opportune time to tune in to higher spheres through music, meditation, philosophical sharing or spiritual musing. Explore creative nondestructive ways to express your feelings such as meditation, yoga, poetry, soul searching with a friend or taking in a movie. Artists, musicians and spiritual seekers find this to be a most inspiring interlude.

All that glitters is not gold. In the yin/yang potential of all oppositions, these two bountiful planets could usher in a period of relative happiness and an overall sense of well being. You may be experiencing a strong attraction to a special somebody. Vacations could be a ball, but vacation romances probably are best left as they ended. If you tend to be uptight, this transit could help you loosen up and enjoy life. Yet, even happiness can turn sour if you overdo it. You could regret ignoring the need for boundaries in an intimate relationship. If your cash is burning a hole in your pocket, stash some. Do you really want to spend all your green on one ride? Sometimes relationship conflicts center on cultural or moral differences that have to be sorted out. Give any partnerships formed during this cycle some time before committing to serious engagements.

*Jun 29, 2019 5 PM (Jun 28, 2019 to Jun 30, 2019) Sun Oppos Moo*

If you manage to keep your cool, these could be enjoyable days. You're feeling more emotional than usual so you're prone to take things personally and to overreact. Getting stressed out is easy to do. Step back a moment. Other people pushing your buttons may actually be mirroring parts of you that you don't see clearly. We're all players in each other's scripts. So, stay loving and peaceful, especially with family or with friends of the opposite sex.

*Jun 30, 2019 11 AM (Jun 28, 2019 to Jul 2, 2019) Mer Sqr Sat*

You could be too hard on yourself and on others these days. A heavy workload, difficult circumstances or bad weather could make you feel out of it. Try to remember that every black cloud has a touch of gray. Any important decision making or problem solving now is going to require centeredness and patience. You could easily feel irritated by or concerned about siblings, cousins, roommates, schoolmates and/or co-workers. Serious discussions may take place. Confirm appointments. If you can work with this, the sun will come out and turn your gray to silver!

The planet of love and money (Venus) and the planet of opportunity (Jupiter) come together, but they may be at odds with each other. Much good fortune comes from this meeting. The square, however, alerts us to the dangers of excess, overspending, overeating, and over dating. Sometimes, the sweet breezes of these astros incline the person toward laziness, a definite waste. This is not the hour to follow impulses or overindulge desires. The things you know are best for you may not jive with what you feel like doing. Some self-restraint allows for fun and pays off big tomorrow. Resist the

temptation to buy stuff you really don't need or cannot afford.

Neptune is your connection to the unseen worlds, your data line to the Muses. Be on guard; it's tempting to detour. Tune in to the soul crying out for healing and avoid "making wrong right!" If you think you've found the love of your life, take it easy until this transit passes and you see/sense more clearly. Stay objective and attuned with your heart, so that you not be vulnerable to being duped.

If you feel excessively bummed during this transit, there may be someone or something (including yourself) who you have to forgive. Forgiveness is the key to peace and resolution. On Neptunian days, we often feel like we'd rather pull the covers over our heads. Its tough, Mommy and Daddy aren't there anymore! And when they were there, the circumstance may of been less than ideal. No matter how busy you may be, take the time to meditate. Unpleasant events or emotions, the results of past actions, may appear on the screen of your life. Your impulse may be to run and hide or play the victim, but it is best to face such times head on. If it doesn't sit well with your heart, don't do it! The fact is that the truth does indeed set us free! Paint, write, play or listen to beautiful tunes, dance, pray! Enjoy this inspirational time.

Watch out! Here's a fuse about to blow. Uranian squares bring in a lot of restlessness and can be very disruptive. Uranus is "The Awakener." You could receive a needed lesson, but perhaps not in the packaging you'd prefer. Be humble. If you do feel riled up, take a jog or find a constructive way to release this energy. Sitting on it could lead to explosions. You may feel the "system" or someone with greater authority than yourself, stifles your freedom. Or maybe you're impatient with protocol, legal glitches, and rules. Seek changes but avoid radical actions that cause unnecessary damage. Be nice to your vehicle and hi-tech equipment. This is a dangerous time to live on the edge. If good friends would mislead you with foolish invites, be prepared to say no.

*Jul 4, 2019*      *9 AM (Jul 4, 2019 to Jul 5, 2019)*      Ven Qucnx Nep

You're emotionally vulnerable and somewhat susceptible to being duped right now. So, try to stay centered. If temptation knocks at your door, tell him, "Not now! I have transiting Venus square Neptune. We can talk next week!" To avoid regrets, use caution.

Use this time to get in tune with the wounded inner child who could threaten to run the show if you ignore him. When emotions are "bigger" than the situation calls for, look within. An inner nerve is being tapped. Don't be carried away by infatuations. Forgiveness is a cosmic unguent. Kindness never fails. Music soothes the soul.

This transit will test your level of self-knowledge, self-discipline and self-restraint. Doors open, but if caught off guard you could blow your chance for success through poor timing, overoptimism, exaggerated promises, gullibility or some other type of naivete. Avoid getting caught up in the illusion that life and its problems will somehow solve themselves without a defined effort on your part. Watch your expenses since it's far too easy to blow your cash these days. Balance the big picture with the details and you'll prosper.

Physical passions, strong attractions -- this coupling of love (Venus) and action (Mars) has numerous possibilities. You may find yourself more flirtatious than usual. This is a terrific time to take in a show, go shopping, rev up a romance and/or clinch a new financial venture. At the very least, call a friend and share the good vibes. Creativity is enhanced. Colors appear brighter, making this a favorable time for artists, writer, chefs, businesspeople and lovers. A little note: just because someone turns you on, that doesn't mean they understand you. Martian energy is impulsive; to act now and think later can be a disastrous formula in romance. More than a few unplanned pregnancies pop up during this transit. If you feel angry at someone or possessive, it has less to do with them and more to do with you. What are your needs? Are they being met?

*Jul 5, 2019*                      *10 AM (Jul 4, 2019 to Jul 6, 2019)*                      Ven Sxtil Sat

This is a positive aspect, especially if you're involved in the arts. It's also a good time to select a new wardrobe or decorate your room. Sometimes old friendships and important relationships are rekindled during this time. It's easy to relate to employers and authority figures. There's a sense of mutual appreciation. Long term friendships or romances sometimes develop under this influence.

You are ready to roll but you may find that your current circumstances keep you from getting where you want to go, at least not as quickly or effortlessly as you imagine arriving. Most people feel stressed or frustrated when grappling with such energies. Relax. This transit is meant to teach you about discipline and order, qualities that will multiply your capacity for long term success. Accept the teaching and the Teacher with gratitude. This is not the time to push your way through. Aggressive moves are likely to boomerang. Hopefully you'll contact the power at the core of this square. Otherwise, be patient, and let this one blow over. Make sure your car's in shape.

Intense sexual encounters are possible under this "fly by" influence. If you feel yourself coming on too strong, getting power hungry, or allowing other people to dominate you, you could feel very discouraged. Rather than trying to remake the other person, let go and deal with your own stuff.

Blow out those candles, make a wish, and start this year off with a bang.

Saturn comes with hard lessons related to the heart and to love. This is a time to be patient. The heart must grow, however painfully. Even if you experience loss of some kind, you may discover love through friends or loved ones who come through and really care. Don't be afraid of letting go of relationships that have run their course; relationships worth keeping will make it through this and be stronger. Venus also deals with finances, and you could find yourself in a crunch. Patience! Relationships and projects worth keeping demand considerable effort but pay off in the long run

*Jul 9, 2019*      *9 PM (Jul 9, 2019 to Jul 10, 2019)*      Ven Oppos Moo

Emotional clashes are common under this influence. Often the conflict relates to sex or to spending. A defensive attitude could keep you (or possibly a loved one) from seeing clearly. A bit of detachment helps. If your heart is hurting, give yourself some love, but no self-pity, please. If you're partying, avoid overdoing it. If you're shopping, have fun but respect your limits.

*Jul 10, 2019*      *5 PM (Jul 9, 2019 to Jul 12, 2019)*      Mar Trine Plu

Your sense of purpose and determination is intensified. You're working through some killer internal changes that could lead to great new beginnings. Changes made now could have long lasting consequences. Nevertheless, if you push too hard, you could be too oppressive to yourself and others.

*Jul 13, 2019*      *12 AM (Jul 12, 2019 to Jul 14, 2019)*      Ven Qucnx Ura

Perhaps this transit brings nothing more than a whim for a tattoo or an itch for a body piercing. Nevertheless, a word of caution, just in case you need it: Blindness to potential consequences and non-sensitivity to the feelings of others can result in regrets later. Be prepared to meet unexpected emotional urges and strong magnetic attractions. Even if you're sure you've met the love of your life, attractive and long lasting are not synonymous under this combination. Few relationships formed under this aspect stand the test of time. You might have to say no to a friend. It all could be fun, but know what you're getting into.

*Jul 14, 2019*      *4 AM (Jul 14, 2019 to Jul 15, 2019)*      Mar Qucnx Moo

A tendency to take things personally could cause you to overreact emotionally. Ask yourself

if you're acting like you did with your mother when you were an infant! The trouble is you've grown up! This transit gives you a good idea of what habits hurt you and keep you from getting the love you need. Emotional anger can challenge you. It doesn't matter if it comes from you or if someone else ticks you off. Be advised: booze, drugs and careless sex are especially dangerous outlets now! Look for new ways to conquer old hurts and you'll find a peace you haven't known before.

This isn't an easy time. Saturn always brings up past accounts and forces us to reevaluate our situation. For the time being, you likely will find it is best to work within the system in your dealings with parents or authorities and especially with key persons related to your career direction. Not all are likely to be sympathetic to your cause. As you ponder what the future holds in store for you, don't be so hard on yourself. Rather than moaning and groaning, use this cycle as a chance to seek constructive long term solutions to chronic problems. A relationship from the past could reappear now, causing you to look deeply into yourself. Issues related to the father or the father principle demand resolution. Patience! The change you seek will soon arrive. The key to soul power now, a real possibility, comes from a willingness to grow spiritually.

Your mental dragon is fiery now. Just don't singe those around you with the whiplash tongue. Hey, it's great for the debate team but ripping on others leaves you feeling wiped out! There's a potential for confrontation with siblings or with neighbors. With so much mental energy buzzing around you, you can begin your thesis, dare to say that something you've guarded in your heart, drive your point home...or, simply enjoy a drive.

*Jul 20, 2019*      *6 AM (Jul 20, 2019 to Jul 21, 2019)*      Mar Oppos Ura

Explosive arguments could lead to you going your own way when someone or something tries to confine you. You could feel that your sense of independence and freedom is being challenged. Nevertheless, when the heat of the moment passes, you could sorely regret impulsive actions. Pull in the reins on impatience and compulsive urges, especially with friends or in group situations. You're subject to sudden changes and disruptive events which can be extremely stressful. Keep centered and make room in your schedule and budget for the unexpected. EXPECT THE UNEXPECTED! Even hard changes sometimes lead to liberation from restrictive circumstances. Car-ma (Karma) can be intense now. Accidents are less the hand of fate than simply the result of careless or reckless states. Stay cool!

*Jul 20, 2019*      *6 PM (Jul 20, 2019 to Jul 21, 2019)*      Sun Trine Jup

Take advantage of this uplifting forecast. A return of positive karma could be coming your way. A surge of extra enthusiasm brightens your day. Whether it's romance, school or a job that you're thinking of, all should go well. A good day for making up if need be. Advice from a guide or older person is helpful. Opportunities happening now tend to be fortuitous.

*Jul 22, 2019*      *12 AM (Jul 22, 2019 to Jul 23, 2019)*      Ven Trine Asc

You appear more charming, upbeat and refined than usual. Spend some time on yourself but resist overdoing. Now could be the time to make that date, apply for that job, or otherwise make yourself known.

*Jul 22, 2019*      *3 AM (Jul 22, 2019 to Jul 23, 2019)*      Mer Trine Jup

This influence will help you balance the big picture with the details. For example, if you want to apply for a job or go to school away from home, this is the time to plan it out and possibly to apply. Vacations, schoolwork and travel are all favored. This is an optimum time to sign contracts as long as you carefully consider the fine print. Your life may be spiced by communication with siblings, cousins or even foreigners or people in faraway places. Good news!

*Jul 24, 2019*      *3 AM (Jul 24, 2019 to Jul 25, 2019)*      Sun Oppos Nep

Neptune fog alert! In close relationships you could be seeing what you want to see rather than what's really there. Your expectations of another person could be unrealistic, and you could be disappointed when they don't come through. You could be easily misled. Watch out for the users. If you dwell on your problems, it's easy to feel sorry for yourself. Lasting only a few days, you could wait this one out. Nevertheless, drinking, drugs, meaningless or dangerous sex, and other escape routes could leave you with more than a hangover. This transit often shows up in cases of unwanted or unplanned pregnancies. Forewarned is forearmed. Even if you've long graduated from the arena of senseless pleasures, you still might have to consciously maintain positive spirits. At best, this is a time for reflection, for understanding self and others, and for seeking spiritual meaning in the way you relate.

*Jul 24, 2019*      *(Jul 23, 2019 to Aug 7, 2019)*      Mer 8th H.

Mercury passing through the House of sex, financial transactions, spiritual regeneration, the deep and mysterious: Life's ultimate mysteries arouse your curiosity. This is an opportune time to figure out ways to make your nest egg grow. Rather than worry, seek creative solutions.

*Jul 25, 2019*      *(Jul 23, 2019 to Aug 22, 2019)*      Ven 9th H.

Venus passing through the House of travel, higher education and philosophy: Adventure is fun, but not necessarily profitable. Traveling, attending an art show, participating in a spiritual retreat, and perhaps simply enjoying another's company can all expand your horizons.

*Jul 25, 2019*    *11 AM (Jul 24, 2019 to Jul 26, 2019)*      Sun Sqr Sat

Saturn, sometimes called "The Great Teacher," is testing you. Psychological attitudes or external events block the flow. Responsibilities pile up. Clashes with parents and/or other authority figures may occur. While some might choose to sit this one out, you can make this influence work for you. If you feel overwhelmed, determine your priorities and tackle each situation one by one. Look at the glass as half full instead of half empty. Patience is a powerful key. Don't force things.

*Jul 26, 2019*    *4 AM (Jul 26, 2019 to Jul 27, 2019)*      Ven Trine Jup

The breezes feel warm and favorable. Use the extra dose of love and good vibes you feel know to settle any outstanding grievances. Diplomacy and kindness mend the rifts. This transit is an epicure's delight; cook it up and invite someone special or hit your favorite restaurant. Take some time out to enjoy your life; a mini vacation might be ideal. By providing some service, extending a hand, helping those in need, you expand the joy within your heart. Your romantic life receives a few sprinkles of happiness now. This astrology is potentially positive for increased cash flow. Even though this is a positive influence, it must be said: too much of a good thing can be harmful.

*Jul 28, 2019*    *8 PM (Jul 27, 2019 to Jul 30, 2019)*      Mar Sxtil Ven

There's a basic drive to appreciate and taste life. This could be the time to get that new look! Married? Keep romance alive in your marriage. Single? Desires are strong, and you could hook up with someone really special. If nothing's happening in the romance department, well, at very least enjoy a special time with your buds. Artists and other creative people should take advantage of this inspirationally stimulating influence.

*Jul 28, 2019*      *8 PM (Jul 28, 2019 to Jul 29, 2019)*      Ven Oppos Nep

This Neptune transit could signify a chance to serve others through devotion and love. But be aware, due to impracticality and foolish idealism (yours, theirs, or both), you could end up feeling disappointed. They could simply exasperate your patience through inappropriate behavior, extravagance, false promises, lies or forgetfulness. It's tempting to dream of impossible loves; the gullible could be taken for a ride. Stay centered and keep your energies at the level of the heart or above. Make it a point to be honest and aboveboard with others. Don't believe everything you hear.

*Jul 28, 2019*      *8 PM (Jul 28, 2019 to Jul 29, 2019)*      Sun Trine Plu

Whether you're clearing out your closet or your brain, this is the time to get rid of what you don't really need. Focus on progress and self-improvement. Gauge by other people's reactions if you're coming on too strong. You might make some important changes in your image.

*Jul 29, 2019*      *8 PM (Jul 29, 2019 to Jul 30, 2019)*      Ven Sqr Sat

This is not an easy time. You could feel unappreciated and unloved. You can't always get what you want. What's keeping you from getting the love you need? Practice "heart smarts." First of all, recognize what's good in you. Then, even if you don't feel like it, go into your heart. Bring up memories of good times you've had. Replace negative feelings with good vibes.

*Jul 31, 2019*      *4 AM (Jul 30, 2019 to Aug 1, 2019)*      Sun Qucnx Moo

Get ready for clashes. That is, if you take yourself too seriously now. Even if your family or significant other is in your face, you can make it right if you try to understand. Your feelings could take you in one direction, your head in another. Don't be too hard on yourself. If you can't get everything you want, settle for now for what you need.

*Aug 1, 2019*      *11 AM (Aug 1, 2019 to Aug 2, 2019)*      Ven Trine Plu

Strong attractions to the opposite sex often occur under this influence. Something deep inside you draws you to relationships that reveal your hidden self. This energy can also be channeled successfully into creative work and really fun social outings. Some financial gain is possible. This is a good time to use funds resourcefully. You could get some top notch entertainment, obtain something beautiful or luxurious, and improve your wardrobe or appearance.

*Aug 3, 2019*      *7 AM (Aug 3, 2019 to Aug 4, 2019)*      Ven Qucnx Moo

You're so sensitive now. No pouting allowed! Especially if you find yourself at odds with a woman, chances are that you're actually feeling pain and insecurities left over from your childhood. Or perhaps your concern over a loved one or even the latest headline bring tears to your eyes. An amorous urge seeks expression. Be careful not to overpower with smothering kisses nor with sentimentality the object of your affectionate. Here's a meditation for you: serenity: a lake without ripples. Get a grip! You can handle this one.

*Aug 4, 2019*      *4 AM (Aug 3, 2019 to Aug 5, 2019)*      Sun Conj Mer

Sharpen your antenna. This is the day for brainstorming and throwing around ideas. You'll find this a propitious time for all kinds of connections -- phone and email chats, a short trip, a letter. You could benefit from getting extra exercise, working out, or improving your diet.

*Aug 4, 2019*      *4 AM (Aug 3, 2019 to Aug 5, 2019)*      Sun Oppos Ura

Under this influence, you're apt to feel extremely restless, unwilling to take orders or listen to advice. It's going to take Herculean type strength to deal with situations or relationships that you think stifle you without simply breaking loose. Even if you feel cool, calm and collected (an ideal now), someone close to you could be demanding and irrational. Pressures you've managed to keep under raps could threaten to explode. So we're looking at potential arguments and strife. Avoid ultimatums in relationships. You could regret it later when this short influence passes. Nevertheless, you don't have to hide in a cave in Tibet to keep out of trouble. Simply be extra aware of your words and of your choices. Despite the warning against breaking loose prematurely or dangerously, be willing to work with changes whose time has come.

*Aug 6, 2019*      *9 AM (Aug 5, 2019 to Aug 7, 2019)*      Ven Conj Mer

This influence brings love and wit together. You could be at your most poetic, humourous and entertaining. Email social visits could be fun now. Now's an ideal time to clear up any misunderstandings in relationships. Give loved ones a call, interview for that job, burn the midnight oil with a friend, sing.

*Aug 6, 2019*      *9 AM (Aug 5, 2019 to Aug 7, 2019)*      Ven Oppos Ura

You might attract some weird new friends or have an exciting time at clubs. But be aware that romantic attractions formed now are probably infatuations. Acting on feelings rather than on values often leads to sexual promiscuity and compulsive behavior, with potentially disastrous results. THE ASTROLOGER GENERAL'S WARNING: blowing off common sense and rationality may lead to betrayed friendships, nights in ugly disputes, and unexpected pregnancies. Guard your cash.

*Aug 6, 2019*      *4 PM (Aug 5, 2019 to Aug 8, 2019)*      Mar Sqr Asc

Others may not support the direction you want to take. Or circumstances could get in the way. While its easy to feel frustrated, take a breather. With a dose of patience and a pinch

of resourcefulness, you can get a lot done.

*Aug 7, 2019* (Aug 6, 2019 to Aug 29, 2019) Mer 9th H.

Mercury passing through the House of travel, philosophy and higher education: With favorable aspects, you find good fortune related to travel, spiritual pursuits and school. With challenging aspects, difficulties must be mastered to acquire the experience you seek. If travel is on your agenda, make sure that your paperwork is in order.

*Aug 9, 2019* 2 PM (Aug 9, 2019 to Aug 10, 2019) Mer Trine Jup

This astrological influence (Mer Trine Jup) also occurred on Jul 22, 2019 (peak date). Please refer to this date.

*Aug 9, 2019* 9 PM (Aug 9, 2019 to Aug 10, 2019) Sun Sxtil Ven

Are you radiating an extra dose of love these days? It's Venus! Share the good vibes. You might spend this tender time with loved ones, perhaps with children. Romance may be in the air. Shopping's fun. This astrology helps promote business and smooth over negotiations. You could enjoy good food and drink, but don't pig out.

*Aug 10, 2019* 7 PM (Aug 9, 2019 to Aug 11, 2019) Ven Sxtil Ven

You're showing fabulous taste. Now's the time to appreciate the finer things in life. This is a propitious cycle for going out, being with friends, going shopping, and in short, for enjoying life. The time is especially auspicious for artists, entrepreneurs, romantics and lovers of beauty.

*Aug 12, 2019* 2 PM (Aug 11, 2019 to Aug 13, 2019) Mer Oppos Nep

Dense mind set alert! Watch out, for Neptunian fog could lead you astray. The powers of imagination are stimulated, taking you to new heights of understanding or plunging you into the depths of despair. Guard the mind. Even so, you're in tune with parts of yourself that are usually blocked off. Substance detours and psychic experimentation could be devastating during this cycle. Getting artificially high results in missing the true inner message.

Watch out for the temptation to lie; even little white lies create karma. Others could be less than honest with you. Friends may seek your council. By being compassionate but objective you'll not fall into the trap of licking another's wounds. Assure that the driver of your vehicle is awake and sober. These are extremes, but sleeping at the wheel is dangerous but preventable in most cases.

As long as you maintain centeredness, this might be an opportune time to tune in to higher spheres through music, meditation, philosophical sharing or spiritual musing. Explore creative nondestructive ways to express your feelings such as meditation, yoga, poetry, soul searching with a friend or taking in a movie. Artists, musicians and spiritual seekers find this to be a most inspiring interlude.

*Aug 13, 2019*     *2 PM (Aug 13, 2019 to Aug 14, 2019)*     Mer Sqr Sat

You could be too hard on yourself and on others these days. A heavy workload, difficult circumstances or bad weather could make you feel out of it. Try to remember that every black cloud has a touch of gray. Any important decision making or problem solving now is going to require centeredness and patience. You could easily feel irritated by or concerned about siblings, cousins, roommates, schoolmates and/or co-workers. Serious discussions may take place. Confirm appointments. If you can work with this, the sun will come out and turn your gray to silver!

*Aug 14, 2019*     *6 PM (Aug 13, 2019 to Aug 16, 2019)*     Mar Qucnx Jup

This energy tempts us to believe we can hitch a free ride. Nothing could be further from the truth! It may be hard to focus with so much going on but that's what you need to do now. Despite the rush, you may not be on the roll you imagine. Before you take the gamble, assess the risk well. Chances are, you're overreaching the mark or underestimating the odds. Losses could be costly if you opt to act on impulse. This is a time to be tolerant: different strokes for different folks!

*Aug 15, 2019*     *8 AM (Aug 15, 2019 to Aug 16, 2019)*     Ven Sqr Asc

Seek balance in interpersonal interactions. Venus problems, such as binging and making waves, affect your public image. So stay cool!

*Aug 15, 2019*     *5 PM (Aug 15, 2019 to Aug 16, 2019)*     Sun Sqr Asc

Run ins with others who don't see things the way you do are a possibility today. Be aware of your ego and avoid steam rolling to get your way. On the other hand, you could feel more self-conscious than usual, a little too aware of the more negative aspects of your personality, and overly concerned with the way others see you. Center in your heart and you'll be able to ride this one out.

*Aug 15, 2019*     *9 PM (Aug 15, 2019 to Aug 16, 2019)*     Mer Trine Plu

A great time to get to the core of the matter. Whether you're taking it to the next level in sports or in convincing others, this is the time to make it happen. This influence is like having a ballpark halogen light inside your brain. Subject matter previously hidden becomes apparent. Constructive financial strategies you devise under this influence are likely to pay off.

*Aug 17, 2019*     *7 AM (Aug 17, 2019 to Aug 18, 2019)*     Mer Qucnx Moo

Watch out! Your emotions are getting in the way of your thinking. You could be impatient with younger kids, fed up with teachers, or generally disgruntled. Try to keep in touch with your inner feelings. Stuff that happened in the past could resurface. To avoid getting into it with people, it's best not to revolve negative experiences in your mind.

*Aug 19, 2019 12 PM (Aug 19, 2019 to Aug 20, 2019) Ven Qucnx Jup*

The planet of love and money (Venus) and the planet of opportunity (Jupiter) come together, but they may be at odds with each other. Much good fortune comes from this meeting. The square, however, alerts us to the dangers of excess, overspending, overeating, and over dating. Sometimes, the sweet breezes of these astros incline the person toward laziness, a definite waste. This is not the hour to follow impulses or overindulge desires. The things you know are best for you may not jive with what you feel like doing. Some self-restraint allows for fun and pays off big tomorrow. Resist the temptation to buy stuff you really don't need or cannot afford.

*Aug 19, 2019 2 PM (Aug 19, 2019 to Aug 20, 2019) Mer Conj Mer*

Happy Mercury Return! Unless Mercury has challenging aspects in the natal chart, you'll find that your mind is sharp, thoughts are clear, ideas roll off your tongue. This is a favorable time for studies, intellectual projects, lectures and writings. Use this time for communication -- by phone, e-mail, letter or in person. You'll need to stay grounded because this much Mercurial energy can be hard on the nerves.

*Aug 19, 2019 2 PM (Aug 19, 2019 to Aug 20, 2019) Mer Oppos Ura*

Are you suddenly intolerant of lesser and supposedly denser mortals who don't get your wit but feel put off by your tongue? Just because your brain had its Wheaties this morning, doesn't mean everyone else has. However, you could come up with some very exciting ideas now. If you can handle the high charged energy, this is a great time to experiment with science, astrology, computers.

You could be very impatient with others. This is because Uranus brings you extra mental energy. Use it creatively but handle with care. Reckless words and actions now could lead to accidents or quits you later regret.

*Aug 19, 2019 8 PM (Aug 18, 2019 to Aug 21, 2019) Mar Qucnx Nep*

This transit usually stimulates a period of self-evaluation. Unfortunately, the tendency is to be too hard on oneself, to concentrate on mistakes and failures and hence, to feel discouraged. Learn from the past, but redefine your goals and sense of mission for the future. You may be vulnerable to wishful thinking or to some pretty convincing delusions. Examine any personal or professional proposals objectively before making a commitment. You could easily get carried away with some fancy or another. To escape into illusion and give into temptation would leave you wondering later what it was all about. If you feel excessively bummed these days, ponder if there be someone or something (including yourself) who you need to forgive. Forgiveness is the key to peace and resolution. Whatever you do, do not play the victim! Self-knowledge and attunement with the heart can help you navigate this fog!

*Aug 20, 2019 6 AM (Aug 18, 2019 to Aug 21, 2019) Mar Conj MC*

Place your attention on your career. What happens now could significantly affect your general direction during the next two years. Take note of new career activities initiated now. Opposition or circumstantial difficulties could make the way appear more like an obstacle path. No matter. Sharpen your skills.

*Aug 20, 2019*                      *(Aug 18, 2019 to Oct 9, 2019)*                      Mar 10th H.

Mars in the House of career, reputation and elders: Now is the time to make assertive moves to get ahead. Those who can help you may be evaluating your performance, so give it your best! This might be an opportune time to get a new business or career off the ground. Sometimes this transit highlights affairs related to the father or to an important elder or institution with which you are involved. If you find yourself bossing everyone around but not wanting to take orders from anyone, remember that ambition can blind you. True humility is the most effective way to wield power. If you determine to overcome any opposition that might come your way, you'll learn how to use even obstacles to your advantage.

*Aug 20, 2019*                      *6 PM (Aug 19, 2019 to Aug 22, 2019)*                      Mar Sxtil Mar

A time of much energy and drive, perfect for starting something new or for taking care of business. Work those weights, run that mile, 'cause this is an opportune time to build up your body. If you're into action requiring military like discipline and stamina, do it now! Or maybe for you, the challenge is in winning over that special someone. Think positive and win!

*Aug 21, 2019*                      *1 AM (Aug 21, 2019 to Aug 22, 2019)*                      Sun Qucnx Jup

This influence is like having lots of money in your hands but not necessarily spending it wisely. You've got plenty of enthusiasm. But you could easily go too far, take on too much, promise more than you're willing or able to deliver. You could get ripped off if you're not careful. Someone older or in authority could disapprove of your actions or decisions. It could be hard to figure out the right move. If you believe in yourself, you're more likely to obtain the support of others. If you feel full of yourself, you're apt to make foolish mistakes. If you feel frustrated as to where you're headed in life just now, wait this one out.

*Aug 21, 2019*                      *8 PM (Aug 20, 2019 to Aug 23, 2019)*                      Mar Trine Sat

If friends remark that you are unusually serious now, they are right! This influence offers a good formula for success if you are willing to work hard, keep organized, define your goals, and stay on track. Your ambition is likely to be intensified, as well as your will to succeed and grapple with knotty problems. Parents, bosses, mentors, people in power, support your goals.

*Aug 22, 2019*                      *3 AM (Aug 21, 2019 to Aug 23, 2019)*                      Ven Qucnx Nep

You're emotionally vulnerable and somewhat susceptible to being duped right now. So, try to stay centered. If temptation knocks at your door, tell him, "Not now! I have transiting Venus square Neptune. We can talk next week!" To avoid regrets, use caution.

Use this time to get in tune with the wounded inner child who could threaten to run the show if you ignore him. When emotions are "bigger" than the situation calls for, look within. An inner nerve is being tapped. Don't be carried away by infatuations. Forgiveness is a cosmic unguent. Kindness never fails. Music soothes the soul.

*Aug 22, 2019*      *8 AM (Aug 21, 2019 to Aug 23, 2019)*      Ven Conj MC

Are you enjoying a bit of the limelight, especially with superiors or in relation to your work? You may find that you enjoy your job or the responsibility it entails more than usual. Unless another transit strongly contradicts, all close relationships will be favored by this influence.

*Aug 22, 2019*      *(Aug 21, 2019 to Sep 17, 2019)*      Ven 10th H.

Venus passing through the House of career, reputation and elders: Connections could take you to the top. Perhaps an older person sponsors you. This is a propitious time for any art related career. Know your worth.

*Aug 22, 2019*      *2 PM (Aug 21, 2019 to Aug 23, 2019)*      Ven Sxtil Mar

A little social life adds spice to your life. This might be the perfect time to meet a friend for lunch, take in a movie or go dancing. An extra dose of enthusiasm, charm and self-confidence is a boon in business as well. Some extra cash may come your way. No matter how hectic life may be for you these days, take the time to have a little fun. Meetings formed under this influence often prove to be fortuitous.

*Aug 22, 2019*      *2 PM (Aug 22, 2019 to Aug 23, 2019)*      Mer Sxtil Ven

You're feeling more together than usual. Take care of any negotiations or important correspondence. All else being equal, this might be a good time to take in a movie, see a show, go out. Even better, enjoy a meaningful conversation with a friend. How about an excursion combining work, study and fun?

*Aug 23, 2019*      *3 AM (Aug 23, 2019 to Aug 24, 2019)*      Ven Trine Sat

This is a positive aspect, especially if you're involved in the arts. It's also a good time to select a new wardrobe or decorate your room. Sometimes old friendships and important relationships are rekindled during this time. It's easy to relate to employers and authority figures. There's a sense of mutual appreciation. Long term friendships or romances sometimes develop under this influence.

*Aug 24, 2019*      *10 AM (Aug 23, 2019 to Aug 25, 2019)*      Sun Qucnx Nep

Under Neptune's imaginative influence, you might be inspired to meditate, paint, listen to music, or dance. Stretch your antenna, but beware. Neptune can blur your vision with emotional clouds almost unnoticeably, leaving you feeling confused, bummed or wiped out. This is certainly the case for those who allow themselves to be enticed into a magic carpet

ride to Never-never Land by getting stoned or drunk. Hold back now to have no regrets later. If you're feeling like pulling the covers over your head, try looking on the bright side of things. Resist the temptation to wear your problems. Rather, release the sense of struggle. Actually, much healing can happen now. Jot down momentary inspirations, interesting ideas, poems, songs and symbolic dreams.

*Aug 24, 2019*     *4 PM (Aug 23, 2019 to Aug 25, 2019)*     Sun Conj MC

Place your attention on your place in life today, your responsibilities and your reputation. Generally speaking, this is a favorable time to approach employers, older persons, or those in positions of authority. You're feeling self-confident about your vision but be careful you don't alienate others by coming on too strong.

*Aug 24, 2019*     *(Aug 23, 2019 to Sep 26, 2019)*     Sun 10th H.

Sun passing through the House of career, status, reputation, parents, and authorities: People in power are listening. A purposeful demeanor enhances your chances. Be willing to earn your way. Be on guard lest arrogance and pride damage your reputation.

*Aug 25, 2019*     *12 AM (Aug 25, 2019 to Aug 26, 2019)*     Sun Sxtil Mar

You have an extra dose of self-confidence. That makes this a good time to get things done. Good eye-hand coordination and steady effort make almost any job doable. If you don't get out and do something, all this energy could drive you nuts. How about at least hitting the gym to blow off some steam?

*Aug 25, 2019*     *11 AM (Aug 25, 2019 to Aug 26, 2019)*     Mer Sqr Asc

You're ready to brainstorm, but is the world ready for you? Blocks in communication are common under this influence. Instead of getting uptight, stay patient with anyone who doesn't seem to get your point. Gossip and meaningless chitchat can make you lose your focus. Stick to what counts.

*Aug 25, 2019*     *5 PM (Aug 25, 2019 to Aug 26, 2019)*     Sun Trine Sat

You're up to tackling projects that require real discipline and organization. Hard work pays off. Progress you make now could benefit you for some time to come. All else being equal, you'll likely to be well received by parents, employers, or other authority figures.

*Aug 25, 2019*     *6 PM (Aug 25, 2019 to Aug 26, 2019)*     Ven Sqr Plu

Intense sexual encounters are possible under this "fly by" influence. If you feel yourself coming on too strong, getting power hungry, or allowing other people to dominate you, you could feel very discouraged. Rather than trying to remake the other person, let go and deal with your own stuff.

*Aug 26, 2019*    *11 PM (Aug 25, 2019 to Aug 28, 2019)*    Mar Sqr Plu

Something irking you? This transit will let you know! If you take the time to know yourself, you could begin a course of self improvement with awesome results. It takes willingness to struggle with inner enemies and a basic honest attitude. Resist the temptation to be hard, cruel or otherwise blame others for your own problems. You may not get what you want, but believe it or not, you may be getting exactly what you need. If you need to vent these intense energies somewhere safe, you might want to hit the gym, do some yoga or dance away your rage. Determine to be considerate, take the time to relax, and you may be able to break your old records and come out shining!

*Aug 27, 2019*    *1 PM (Aug 27, 2019 to Aug 28, 2019)*    Ven Trine Moo

Passions formed under this influence may feel good, but they may not last. If you're already in love, this is the time to patch things up or make them better. Perhaps this is the right time to surround yourself with family and friends. Sugar and spice and all things nice!

*Aug 28, 2019*    *2 AM (Aug 27, 2019 to Aug 29, 2019)*    Mer Qucnx Jup

You're in a problem-solving mood. Discovering exactly the lessons life has offered you and how to learn from your experience is the way to crack the code. Meditating in motion may suit you better than staying still.

If you're going to get an apartment or buy a car, read the fine print. Schoolwork could suffer if you're not in the mood or if you're sloppy. Just do it! Leave fishing for later. Ignoring details could prove costly and at the very least you may have to do things over later. Backing up and protecting copies of files is always a good idea. Your life may be spiced by communication with siblings, cousins or even foreigners or people in faraway places. No matter how good the news sounds, give it a few days or more to see if it pans out.

*Aug 29, 2019*    *2 AM (Aug 29, 2019 to Aug 30, 2019)*    Sun Sqr Plu

Fights, power struggles, and intense arguments characterize this short but powerful influence. Gear up to the challenge and try to handle any confrontational situations sensibly. Don't allow others to clobber you with criticism. You could be too hard on them as well. Nevertheless, Pluto can show you where changes have to be made. If you're financially independent, questions related to your credit could surface now. Control your temper and keep clear of violence.

*Aug 29, 2019*    *5 PM (Aug 29, 2019 to Aug 30, 2019)*    Mer Qucnx Nep

This isn't the clearest of times. Neptunian fog can lead you astray. The powers of imagination are stimulated, taking you to new heights of understanding and happiness or plunging you into the depths of despair. Guard the mind. Even so, you're in tune with parts of yourself that are usually blocked off. Become and stay centered. Substance detours and psychic experimentation could be devastating during this cycle. Getting wasted or artificially high will only result in missing the message. Watch out for the temptation to lie; even little white lies make karma. Be aware of the possibility that others could be less than honest

with you.

Get the most out of this cycle by tuning into the higher spheres through music, meditation, philosophical sharing or spiritual musing. Explore creative nondestructive ways to express your feelings such as meditation, yoga, poetry, soul searching with a friend or taking in a movie. Artists, musicians and spiritual seekers find this to be a most inspiring interlude. If you're feeling confused or misunderstood, wait this one out.

Friends may seek your council. By being compassionate but objective, you'll not fall in the trap of licking another's wounds. Stay alert while driving. Make sure the driver of your vehicle is awake and sober. Sleeping at the wheel is dangerous but preventable in most cases. You could easily space things now. Lists are a must.

Mercury passing through the House of career, reputation, parents, and authorities: Take advantage of connections and training that further worthwhile goals. Guard your receipts and maintain integrity in all things, as you might be asked to explain your actions.

At this time when you can sell almost anyone on your plans. Communication with authority figures is enhanced now. This might be the time to ask for permission to do something or get on the good side of your parents by just sitting down and having a 'quality time' chat. All else being equal, this should be an excellent time to visit schools or look for jobs.

*Aug 30, 2019*                      *12 AM (Aug 29, 2019 to Aug 30, 2019)*                      Mer Sxtil Mar

You're sharp today. You say what you mean and mean what you say. It's easier to talk about your feelings, write up those school or business strategies. Get those projects in motion now while you've got the steam. Now is prime time to work out or pump up. If you're into sports or competition, make this one a win. You might enjoy a short trip.

*Aug 30, 2019*                      *8 AM (Aug 29, 2019 to Aug 31, 2019)*                      Mer Trine Sat

It's time to get to business. Put your mind to work and take care of any details on your desk. Stuff you may have felt blocked about is more easily resolved now. Take advantage of this clear frame of mind to turn in those job or school applications, meet with parents, employers or other authority figures. Mental organization, patience and determination, and a welcome dose of common sense, help you resolve even complex problems. Need an extension on your paper deadline, a later curfew perhaps? Ask now!

If you've got some measure of soul attunement, listen to your heart's desires. Extra reserves of energy are at your disposal, making this a good time to work on home, family, or self-improvement projects. Take a hike, work out or dance the night away. Work related inspirations pay off.

*Aug 30, 2019*     *3 PM (Aug 29, 2019 to Aug 31, 2019)*     Ven Qucnx Ura

Perhaps this transit brings nothing more than a whim for a tattoo or an itch for a body piercing. Nevertheless, a word of caution, just in case you need it: Blindness to potential consequences and non-sensitivity to the feelings of others can result in regrets later. Be prepared to meet unexpected emotional urges and strong magnetic attractions. Even if you're sure you've met the love of your life, attractive and long lasting are not synonymous under this combination. Few relationships formed under this aspect stand the test of time. You might have to say no to a friend. It all could be fun, but know what you're getting into.

*Aug 31, 2019*     *9 AM (Aug 31, 2019 to Sep 1, 2019)*     Sun Trine Moo

The world is looking friendly right now. You should be able to figure out even tough problems. Take advantage of this positive breeze to seek answers and work things out.

Go Zen. To navigate this intense labyrinth, you must keep your mental balance. Dark energies are surfacing. This is your chance to cleanse and purify your mental outlook. Keeping up a positive mental attitude now may be easier said than done. Nevertheless, it's your way out of heavy thoughts and attitudes that weigh on you at this time. Just because you feel something, it doesn't mean you should act it out. This means suicide, drugs and self-destruction are not the ticket. If they come up, they've got to go. Dive into your heart and retrieve a happy thought!

Suspicious about others may tell you more about yourself than about them. Otherwise it's probable your problem comes from within. This is a helpful influence for self-discovery and understanding as long as your angle is positive.

Steer clear of brawls, especially with brothers, sisters, classmates and co-workers. Be careful driving.

*Sep 2, 2019*     *3 AM (Sep 2, 2019 to Sep 3, 2019)*     Mer Trine Moo

This time might see you working on children's affairs or community events. You have a natural sense for communicating with others, especially those younger than yourself. Enjoy a chat with the family.

A warm breeze caresses your heart. It's easy to be good to yourself and to others. Share your feelings. Since creativity is enhanced under this influence, artists, cooks, musicians and entertainers are especially delighted. A positive attitude and a friendly smile add sparkle to any financial negotiations. All else being equal, parents and elders are receptive. They want to open the doors of opportunity for you. Love relationships formed under this aspect can often be built to last. Already committed? Bring this bounty to the one you love. Single? No matter. Beauty abounds.

Chances are you're very touchy these days. You could feel unloved or could even be unloving. You could feel lonely or confused about a relationship, about your romantic prospects, your financial situation or about life in general. During this time you can get in touch with your heart. Artists, dancers, writers and musicians are expert at turning the soul's longings, even when unfulfilled, into inspiring poetry and images. The only lasting happiness comes from within. Don't blow your cash on stuff you may not really want tomorrow.

*Sep 4, 2019*      *3 AM (Sep 4, 2019 to Sep 5, 2019)*      Mer Qucnx Ura

You may feel weirded out today. You could find yourself changing your mind again and again. You might want to do something crazy. However, try not to go off half-cocked.

By pushing the limits, accidents can happen. Friends could prove to be unreliable, so its okay to be picky. Speeding while driving is dangerous under this influence. Reckless behavior now could result in accidents.

Have a back up plan just in case you run into any unexpected interruptions to your routine due to a computer malfunction, telephone interruption, etc. Hey, there's no need to freak out. Backing up files is always a good idea.

*Sep 4, 2019*      *8 AM (Sep 4, 2019 to Sep 5, 2019)*      Sun Qucnx Ura

Watch out! Here's a fuse about to blow. Uranian squares bring in a lot of restlessness and can be very disruptive. Uranus is "The Awakener." You could receive a needed lesson, but perhaps not in the packaging you'd prefer. Be humble. If you do feel riled up, take a jog or find a constructive way to release this energy. Sitting on it could lead to explosions. You may feel the "system" or someone with greater authority than yourself, stifles your freedom. Or maybe you're impatient with protocol, legal glitches, and rules. Seek changes but avoid radical actions that cause unnecessary damage. Be nice to your vehicle and hi-tech equipment. This is a dangerous time to live on the edge. If good friends would mislead you with foolish invites, be prepared to say no.

*Sep 5, 2019*      *11 AM (Sep 3, 2019 to Sep 7, 2019)*      Mar Qucnx Ura

Whoa, the battle is raging! Or is it? Whether the disruptive energy comes from within or from without, the challenge is the same. Learn how to handle your own inner conflicts rather than throwing them on people you love (or innocent bystanders)! This may be a time to forgive and let go; most of all, forgive yourself and move on! Avoid all and any people, substances, or actions that are hurtful or destructive.

If there wasn't a battle, how could you win? The conquering hero is meditating within; bow to one another and join forces.

This is an excellent time for presenting your ideas and for getting your ideas across. Any kind of school work, mechanical work or writing benefits by this favorable influence. Elders and people in power are likely to receive you well. Make use of this positive boost if you're looking for a job or need to fill out an application. You might enjoy a short outing or drive.

*Sep 7, 2019 12 AM (Sep 6, 2019 to Sep 7, 2019) Mer Sqr Ven*

You may feel others aren't listening or they could complain you're not in tune with them. Decisions made now may have to be rethought later. You could be tempted to buy fancy stuff you really don't need. If this happens, it could be a sign that you need to bring your head together with your heart. Stay away from gossip.

*Sep 8, 2019 2 PM (Sep 8, 2019 to Sep 9, 2019) Ven Sxtil Asc*

You appear more charming, upbeat and refined than usual. Spend some time on yourself but resist overdoing. Now could be the time to make that date, apply for that job, or otherwise make yourself known.

This feeling good influence should give you a real boost. Be creative. Get out there! Stress levels are relatively low, making this an opportune time to get your schedule organized or figure out your plans. Regardless of whatever else you might be handling, here's some good energy for dealing with parents, teachers and/or people in charge. Carpe Diem, seize the day!

*Sep 9, 2019 11 PM (Sep 8, 2019 to Sep 11, 2019) Sun Sqr Ven*

Chances are you feel like taking it easy today. It could be hard gearing up if you've work to do. Your sense of self and your need to be loved meet, but could be at odds with each other. Some people seek comfort in sweets. Instead of mellowing out, they tend to be crabby and emotional, and unreasonably demanding with close friends and family. Maybe it's just a bad hair day, or perhaps older persons are put off by your appearance. Whatever it is, it's probably not a big deal. On the up side, this influence can inspire you to perfect art and music projects, upgrade your wardrobe, or enjoy the company of another --that is, if you're willing to take the time and make the effort.

*Sep 10, 2019 1 AM (Sep 10, 2019 to Sep 11, 2019) Mer Sxtil Asc*

You can really get your thoughts and ideas across. A good time for purchases and sales, and for asking someone out. This is a positive influence for job hunting.

*Sep 12, 2019 5 PM (Sep 12, 2019 to Sep 13, 2019) Ven Oppos Jup*

With moderation you can have a smashing good time. In other words, too much of a good thing can be harmful. If you find it hard to say no and know you should, just say, "My

astrologer told me this wasn't cool!" Seriously, self-indulgence could end up costing more than you thought.

Living beyond your means may not seem to matter today -- but tomorrow, as you know, the bills (and hang overs) inevitably arrive. Even marvelous loves and affiliations, business ventures and religious cults, contacted during this time need to withstand the test of time. You're vulnerable to hype and even somewhat gullible. Vacations sound like fun but unnecessary expenses could drain your wallet.

*Sep 12, 2019 10 PM (Sep 12, 2019 to Sep 13, 2019) Mer Oppos Jup*

Bring any plans and promises down to scale before making a commitment. Chances are you're seeing the big picture and feeling good, but are inclined to overlook the details. Overoptimism could be brought down to size later on by an unpleasant but necessary reality check. Try not to overdo things. Your own ideas are great, but take the time to listen to what others have to say.

When we commit to less and do more, our extra efforts are applauded. But, when we commit to more and do less, people often angrily resent the breach of our word. Seek balance in word and deed. If someone presents an exciting possibility to you, reflect upon the worst and the best before saying "yes!" Similarly, your body doesn't process food and drink any differently on special occasions; keep your diet reasonable.

*Sep 13, 2019 1 AM (Sep 11, 2019 to Sep 14, 2019) Mar Sxtil Sun*

You could be at your assertive best! Take advantage of this boost of extra energy and self-confidence to get your projects moving. Self-improvement programs, sports, and energetic leadership are all favored. Get out there and do it!

Why chase rainbows? You are the rainbow! Even so, during times like these it's sometimes hard to be alone, and yet it's hard to love. It hurts to feel sad and yet it can hurt when you're close. It's time to feel it, time to work it out. Just close your eyes, take a breath, relax. You're turned on, just don't turn your best friend off by coming on too strong. All the love you need is right where you are! Claim it!

*Sep 14, 2019 (Aug 6, 2019 to Oct 27, 2019) Nep Sqr Ven*

Love is indeed the key. During this cycle, you may have experiences testing your ability to discern the difference between true love and compelling, but harmful, desires. Even the wisest of worldly men have been duped when dealing with the lure of human love. In this challenging aspect to Venus, Neptune, often called the Achilles' heel of the zodiac, can undo you if you allow your sentiments to blur your better judgment. Torturing yourself by getting into affairs with someone who's married or dating someone else; unplanned pregnancies; or making a fool of yourself by chasing the impossible are all part of the negatives. The only way to curb potentially self-destructive appetites is to compose yourself. Develop the insight to know the difference between mystical vision and fantasizing.

Nevertheless, for some, an important friendship begun now is meant to be, but the lessons entailed are tough. Take reasonable precautions to avoid theft. Be honest with yourself and with others.

*Sep 14, 2019*      *6 PM (Sep 14, 2019 to Sep 15, 2019)*      Mer Trine Nep

You could spellbind your audience, get that date by pure persuasion, be at your most poetic. Imagination and creative thinking are enhanced by this aspect. It's easier than usual to express your feelings and explore philosophical and spiritual truths. At the very least, you'd enjoy a good book or movie.

*Sep 15, 2019*      *3 AM (Sep 14, 2019 to Sep 16, 2019)*      Mer Sqr Mar

Master the challenge of this square and you may find you have the right answers at the right time. Then again, you could be irritable and easily set off. While you may have legitimate complaints, think about the way you choose your words if you want positive results. If you use your tongue like a weapon, be prepared to handle the return artillery. Getting ticked off sets you up for a fall. Remember, anything you say could be used against you. Strategize and put your energy into your work. It'll pay off. Reasonable caution is advised while traveling.

*Sep 15, 2019*      *7 AM (Sep 14, 2019 to Sep 16, 2019)*      Ven Trine Nep

Compassion, sensitivity to the needs and feelings of others and artistic and musical inspiration are enhanced under this influence. This is an opportune time to visit family or friends, especially those in need of comfort. Relationships initiated under this aspect could be an ideal encounter or some pie-in-the-sky bubbles soon to burst.

*Sep 15, 2019*      *12 PM (Sep 14, 2019 to Sep 16, 2019)*      Mer Qucnx Sat

You could be too hard on yourself and on others these days. A heavy workload, difficult circumstances or bad weather could make you feel out of it. Try to remember that every black cloud has a touch of gray. Any important decision making or problem solving now is going to require centeredness and patience. You could easily feel irritated by or concerned about siblings, cousins, roommates, schoolmates and/or co-workers. Serious discussions may take place. Confirm appointments. If you can work with this, the sun will come out and turn your gray to silver!

*Sep 15, 2019*      *6 PM (Sep 14, 2019 to Sep 16, 2019)*      Ven Sqr Mar

Squares create challenges. Being that this is a love challenge, your heart is your best counselor for whatever might come up in your personal relationships. It's likely that you desire to express and receive love now. So, where's the rub? It might be just a moment during the day in the midst of larger happenings. Did you react with anger or hurt at another's words? Did s/he react to yours? Your sense of values could be in conflict with your feelings. Go into your heart. Think through your actions before jumping into anything. Maybe you're tempted to spend more than you can afford or go further than you think you should. Don't be afraid to say no. Never put yourself or another down in the name of love.

We all have different needs. Be honest in all business transactions.

As far as your image goes, things are looking super today. Chances are you feel very expressive and are able to communicate well. This is not an easy time. You could feel unappreciated and unloved. You can't always get what you want. What's keeping you from getting the love you need? Practice "heart smarts." First of all, recognize what's good in you. Then, even if you don't feel like it, go into your heart. Bring up memories of good times you've had. Replace negative feelings with good vibes.

A great time to get to the core of the matter. Whether you're taking it to the next level in sports or in convincing others, this is the time to make it happen. This influence is like having a ballpark halogen light inside your brain. Subject matter previously hidden becomes apparent. Constructive financial strategies you devise under this influence are likely to pay off.

This transit will test your level of self-knowledge, self-discipline and self-restraint. Doors open, but if caught off guard you could blow your chance for success through poor timing, overoptimism, exaggerated promises, gullibility or some other type of naivete. Avoid getting caught up in the illusion that life and its problems will somehow solve themselves without a defined effort on your part. Watch your expenses since it's far too easy to blow your cash these days. Balance the big picture with the details and you'll prosper.

You're so sensitive now. No pouting allowed! Especially if you find yourself at odds with a woman, chances are that you're actually feeling pain and insecurities left over from your childhood. Or perhaps your concern over a loved one or even the latest headline bring tears to your eyes. An amorous urge seeks expression. Be careful not to overpower with smothering kisses nor with sentimentality the object of your affectionate. Here's a meditation for you: serenity: a lake without ripples. Get a grip! You can handle this one.

Even with the best of intentions, you could paint yourself into a corner if you get too excited promise more than you really can deliver. You may feel like the best thing since sliced bread these days, but unfortunately, not everyone agrees. It's too easy to get into arguments over beliefs. Live and let live. Not to worry, others will let you know when you're getting too conceited. Don't be a user. You could end up a loser!

All that glitters is not gold. In the yin/yang potential of all oppositions, these two bountiful planets could usher in a period of relative happiness and an overall sense of well being. You may be experiencing a strong attraction to a special somebody. Vacations could be a ball, but vacation romances probably are best left as they ended. If you tend to be uptight, this transit could help you loosen up and enjoy life. Yet, even happiness can turn sour if you overdo it. You could regret ignoring the need for boundaries in an intimate relationship. If your cash is burning a hole in your pocket, stash some. Do you really want to spend all your green on one ride? Sometimes relationship conflicts center on cultural or moral differences that have to be sorted out. Give any partnerships formed during this cycle some time before committing to serious engagements.

This positive astrology brings love and communication together harmoniously. The possibilities are endless, but it doesn't last long. Some simply take pleasure in the everyday details of life. Others enjoy mini-excursions, a movie or a chat with a friend in a local café. Still others use this influence by writing and sharing the thoughts of their hearts. If you want to win someone's love, now is the time to impress them with your words. This is a propitious moment to take up a course like Compassionate Communication by Marshall Rosenberg, or to read *How to Influence Friends and Loved Ones* by Dale Carnegie. It's classic. Give loved ones a call.

Karma with the Word could manifest in mumbled exchanges, mail mishaps, problems with the neighbors or misunderstandings.

You're feeling exceptionally sure of yourself. Use this positive charge to get a lot accomplished. This a good time to push through important projects, apply for a job, or set out to win in any competition.

he down side is that your fuse is likely to be short now. Guard against impatience and irritation, and you'll reach the goal Jordan style. But watch out. Little things could get you mad. Being pushy with members of the opposite sex is not going to go over well now. Obviously, if you're edgy, this is not a particularly good time for approaching parents and other authorities. Carelessness, anger and frustration can result in accidents. It's a lot of ch'i to handle. Physically working out, engaging in sports, or dancing could help you blow off some steam.

Saturn, sometimes called "The Great Teacher," is testing you. Psychological attitudes or external events block the flow. Responsibilities pile up. Clashes with parents and/or other authority figures may occur. While some might choose to sit this one out, you can make this influence work for you. If you feel overwhelmed, determine your priorities and tackle each situation one by one. Look at the glass as half full instead of half empty. Patience is a powerful key. Don't force things.

Everyone needs to love and be loved. Rather than feeling lonely or despondent, meditate on the light within the heart. You value yourself by acknowledging inner beauty. Consider the

notion that Love is the gardener preparing the garden of your heart. Sometimes it's necessary to meet another half way. Other times, the loving choice is to say "no," even to the best of friends. Try not to over personalize. You're not the only one learning how to love. As long as you're not overly sensitive, you can have fun today. Too much sugar opens the chutes to moodiness. Retail therapy is cathartic, but determine your budget before you set out. Restraint today could mean riches gained tomorrow.

Your innermost demons are suddenly unchained! Be on guard! You must muster the inner strength and courage to confront them at the gates of your soul. It helps to have a positive focus in your life, such as a family member you love, a good friend, a coach and sports activity, or a creative outlet. The important thing is to focus on the positives that you've had in your life in order to root out the negatives.

Allowing your demons to pursue their appetites for drugs, sex and self-destruction gives them control, not you. So, don't let them have it. You, and you alone, are in charge of your destiny! Don't be afraid to make a stand for what's right in the face of what momentarily seems to be "cool."

*Sep 30, 2019*      *6 PM (Sep 29, 2019 to Oct 2, 2019)*      Mar Oppos Jup

Restlessness and defensiveness are the order of the day (yours as well as others). You're hard put not to let others cramp your style. Discipline is a must if you want to win, let's face it! Overdoing or procrastinating puts too much stress on a body. Handle only that which you can take on with excellence! Don't expect hand-outs, do your part! Take things little by little to reach your larger goals. Not everyone sees things from your angle. You know, different strokes for different folks! Prove your point through your example.

Get ready for clashes. That is, if you take yourself too seriously now. Even if your family or significant other is in your face, you can make it right if you try to understand. Your feelings could take you in one direction, your head in another. Don't be too hard on yourself. If you

can't get everything you want, settle for now for what you need.

You're in a problem-solving mood. Discovering exactly the lessons life has offered you and how to learn from your experience is the way to crack the code. Meditating in motion may suit you better than staying still.

If you're going to get an apartment or buy a car, read the fine print. Schoolwork could suffer if you're not in the mood or if you're sloppy. Just do it! Leave fishing for later. Ignoring details could prove costly and at the very least you may have to do things over later. Backing up and protecting copies of files is always a good idea. Your life may be spiced by communication with siblings, cousins or even foreigners or people in faraway places. No matter how good the news sounds, give it a few days or more to see if it pans out.

This isn't the clearest of times. Neptunian fog can lead you astray. The powers of imagination are stimulated, taking you to new heights of understanding and happiness or plunging you into the depths of despair. Guard the mind. Even so, you're in tune with parts of yourself that are usually blocked off. Become and stay centered. Substance detours and psychic experimentation could be devastating during this cycle. Getting wasted or artificially high will only result in missing the message. Watch out for the temptation to lie; even little white lies make karma. Be aware of the possibility that others could be less than honest with you.

Get the most out of this cycle by tuning into the higher spheres through music, meditation, philosophical sharing or spiritual musing. Explore creative nondestructive ways to express your feelings such as meditation, yoga, poetry, soul searching with a friend or taking in a movie. Artists, musicians and spiritual seekers find this to be a most inspiring interlude. If you're feeling confused or misunderstood, wait this one out.

Friends may seek your council. By being compassionate but objective, you'll not fall in the trap of licking another's wounds. Stay alert while driving. Make sure the driver of your vehicle is awake and sober. Sleeping at the wheel is dangerous but preventable in most cases. You could easily space things now. Lists are a must.

Communicating right now may feel like getting a wad of gum out of your hair --impossible! It seems people that could help you just aren't getting your point. You could feel limited by "the system", bummed by your parents and professors, or at odds with the management at work. Getting caught in cynicism and/or other pessimistic expressions, can be a major mental bummer. Or perhaps you're fine but have to deal with someone else's dark thoughts. Look at the facts, but keep a positive mind set.

Delays are common under this influence so patience is essential. Conversations with or news about a sibling, roommate, co-worker, classmate or neighbor could cause you concern. This won't last long. Hanging in there pays off!

Unless you can "meet the square" and use the energy constructively, it's best to wait this one out. Don't try to push too hard. You're only fighting yourself. Watch out for a self-centered attitude that says "might is right." Remember that on the Path it is not so much what happens to you but rather how you react that so often determines the difference between making the mark and losing out.

The planet of love and money (Venus) and the planet of opportunity (Jupiter) come together, but they may be at odds with each other. Much good fortune comes from this meeting. The square, however, alerts us to the dangers of excess, overspending, overeating, and over dating. Sometimes, the sweet breezes of these astros incline the person toward laziness, a definite waste. This is not the hour to follow impulses or overindulge desires. The things you know are best for you may not jive with what you feel like doing. Some self-restraint allows for fun and pays off big tomorrow. Resist the temptation to buy stuff you really don't need or cannot afford.

Most people feel stressed or frustrated when grappling with such energies. Relax. This transit is meant to teach you about discipline and order, qualities that will multiply your capacity for long term success. Accept the teaching and the Teacher with gratitude. This is not the time to push your way through. Aggressive moves are likely to boomerang. Hopefully you'll contact the power at the core of this square. Otherwise, be patient, and let this one blow over. Make sure your car's in shape.

Combine intuitive attunement with a sense of the planning needed to get things done and you have a winning combination. This is a great time for getting involved in your community, giving back to your family and others who support you in some way. To prevent today's inspirations from later fading away, write them down in a journal. Neptune's better side is like parting the eerie depths to discover magical kingdoms and a forgotten poetry. Use this time to get in tune with the wounded inner child who could threaten to run the show if you ignore him. When emotions are "bigger" than the situation calls for, look within. Challenges that seem to get in your way are really testing your sense of self-confidence. If

you feel good about yourself and others, the worst that can happen is that your friends or teachers tell you to get over yourself. When circumstances or people in positions of power (parents, teachers, bosses, etc.) prevent you from doing what you want to do, you could feel bummed out. To avoid frustration, do what you have to do so you can do what you want to do!

Help your head work with your heart; be caring and loving. Taking time to say special words or to send a thank you note really does make a difference. In any financial agreement, get it in writing and read the fine print. Give detail your loving attention, but don't stress over the small stuff!

*Oct 17, 2019*      *11 PM (Oct 17, 2019 to Oct 18, 2019)*      Ven Sqr Ura

Perhaps this transit brings nothing more than a whim for a tattoo or an itch for a body piercing. Nevertheless, a word of caution, just in case you need it: Blindness to potential consequences and non-sensitivity to the feelings of others can result in regrets later. Be prepared to meet unexpected emotional urges and strong magnetic attractions. Even if you're sure you've met the love of your life, attractive and long lasting are not synonymous under this combination. Few relationships formed under this aspect stand the test of time.

You might have to say no to a friend. It all could be fun, but know what you're getting into.

Under Neptune's imaginative influence, you might be inspired to meditate, paint, listen to music, or dance. Stretch your antenna, but beware. Neptune can blur your vision with emotional clouds almost unnoticeably, leaving you feeling confused, bummed or wiped out. This is certainly the case for those who allow themselves to be enticed into a magic carpet ride to Never-never Land by getting stoned or drunk. Hold back now to have no regrets later. If you're feeling like pulling the covers over your head, try looking on the bright side of things. Resist the temptation to wear your problems. Rather, release the sense of struggle. Jupiter passing through the House of values and money: You experience improved fortunes. *Oct 29, 2019*      *2 PM (Oct 28, 2019 to Oct 31, 2019)*      Mar Sqr Sun

Keeping your cool, even under pressure, pays off big now. You'll discover how much patience you have or perhaps still need! Blowing it could do more damage than you think. Lots of people struggle with stress, so try not to take things so personally. Feeling good about yourself and considering the needs of others is the key to keeping the peace. Think before you react. Reasonable caution with cars and machines is advised.

*Oct 30, 2019*      *1 PM (Oct 28, 2019 to Nov 1, 2019)*      Mar Trine Ven

There's a basic drive to appreciate and taste life. This could be the time to get that new look! Married? Keep romance alive in your marriage. Single? The breezes feel warm and favorable. Use the extra dose of love and good vibes you feel know to settle any outstanding grievances. Diplomacy and kindness mend the rifts. This transit is an epicure's delight; cook it up and invite someone special or hit your favorite

restaurant. Take some time out to enjoy your life; a mini vacation might be ideal. By providing some service, extending a hand, helping those in need, you expand the joy within your heart. Your romantic life receives a few sprinkles of happiness now. This astrology is potentially positive for increased cash flow. Even though this is a positive influence, it must be said: too much of a good thing can be harmful.

*Oct 31, 2019 10 AM (Oct 30, 2019 to Nov 1, 2019) Sun Sxtil Moo*

The world is looking friendly right now. You should be able to figure out even tough problems. Take advantage of this positive breeze to seek answers and work things out.

*Oct 31, 2019 mer trine jup*

This influence will help you balance the big picture with the details. For example, if you want to apply for a job or go to school away from home, this is the time to plan it out and possibly to apply. Vacations, schoolwork and travel are all favored. This is an optimum time to sign contracts as long as you carefully consider the fine print. Your life may be spiced by communication with siblings, cousins or even foreigners or people in faraway places. Good news!

*Nov 2, 2019 2 PM (Nov 1, 2019 to Nov 3, 2019) Ven Sxtil Nep*

Compassion, sensitivity to the needs and feelings of others and artistic and musical inspiration are enhanced under this influence. This is an opportune time to visit family or friends, especially those in need of comfort. Relationships initiated under this aspect could be an ideal encounter or some pie-in-the-sky bubbles soon to burst.

*Nov 2, 2019 7 PM (Nov 1, 2019 to Nov 3, 2019) Ven Sqr MC*

If you meet this square successfully, you could spend an enjoyable, even stimulating few days with someone special. However, if you feel yourself put down in relation to someone else, this shows that you need to work on your basic self-esteem. Cash flow issues could cut into plans. Duty and desire may be at odds.

*Nov 3, 2019 1 AM (Nov 3, 2019 to Nov 4, 2019) Ven Qucnx Mar*

Squares create challenges. Being that this is a love challenge, your heart is your best counselor for whatever might come up in your personal relationships. It's likely that you desire to express and receive love now. So, where's the rub? It might be just a moment during the day in the midst of larger happenings. Did you react with anger or hurt at another's words? Did s/he react to yours? Your sense of values could be in conflict with your feelings. Go into your heart. Think through your actions before jumping into anything. Maybe you're tempted to spend more than you can afford or go further than you think you should. Don't be afraid to say no. Never put yourself or another down in the name of love. We all have different needs. Be honest in all business transactions.

*Nov 3, 2019 2 PM (Nov 3, 2019 to Nov 4, 2019) Ven Qucnx Sat*

This is not an easy time. You could feel unappreciated and unloved. You can't always get what you want. What's keeping you from getting the love you need? Practice "heart smarts." First of all, recognize what's good in you. Then, even if you don't feel like it, go into your heart. Bring up memories of good times you've had. Replace negative feelings with good vibes.

*Nov 4, 2019*      *6 AM (Nov 3, 2019 to Nov 5, 2019)*      Sun Sqr Mer

The forecast: high probability of harsh words with a brother or sister, authority figure, parent, teacher or older person. Communication is improved when you center in your heart and take a moment to consider the other person's needs and feelings. Instead of getting angry or down on yourself or someone else, listen to your own thoughts and be willing to admit mistakes. You can learn a lot from taking in what others have to say.

*Nov 4, 2019*      *6 AM (Nov 3, 2019 to Nov 5, 2019)*      Sun Sqr Ura

Watch out! Here's a fuse about to blow. Uranian squares bring in a lot of restlessness and can be very disruptive. Uranus is "The Awakener." You could receive a needed lesson, but perhaps not in the packaging you'd prefer. Be humble. If you do feel riled up, take a jog or find a constructive way to release this energy. Sitting on it could lead to explosions. You may feel the "system" or someone with greater authority than yourself, stifles your freedom. Or maybe you're impatient with protocol, legal glitches, and rules. Seek changes but avoid radical actions that cause unnecessary damage. Be nice to your vehicle and hi-tech equipment. This is a dangerous time to live on the edge. If good friends would mislead you with foolish invites, be prepared to say no.

*Nov 6, 2019*      *5 AM (Nov 5, 2019 to Nov 7, 2019)*      Ven Conj Plu

This transit is short, but potentially intense. Jealousy, strong sexual desire, possessiveness, and selfishness are shadow aspects that could emerge. You can use this time constructively by cleaning out stuff standing between you and true love. Regenerate core attitudes regarding self-worth and how you relate to others.

*Nov 8, 2019*      *10 AM (Nov 7, 2019 to Nov 9, 2019)*      Mer Conj Asc

*Nov 8, 2019*      *(Nov 8, 2019 to Dec 4, 2019)*      Mer 12th H.

Mercury passing through the House of endings, hidden support, hidden enemies: You're searching behind the curtain, examining the past for answers. Examining the past might be instructive but don't let it bring you down. This is a good time for research, quiet contemplation and meditation.

*Nov 9, 2019*      *2 AM (Nov 9, 2019 to Nov 10, 2019)*      Sun Trine Sun

This feeling good influence should give you a real boost. Be creative. Get out there! Stress levels are relatively low, making this an opportune time to get your schedule organized or figure out your plans. Regardless of whatever else you might be handling, here's some good energy for dealing with parents, teachers and/or people in charge. Carpe Diem, seize the day!

*Nov 9, 2019*      *5 PM (Nov 9, 2019 to Nov 10, 2019)*      Sun Qucnx Ven

Chances are you feel like taking it easy today. It could be hard gearing up if you've work to do. Your sense of self and your need to be loved meet, but could be at odds with each other. Some people seek comfort in sweets. Instead of mellowing out, they tend to be crabby and emotional, and unreasonably demanding with close friends and family. Maybe it's just a bad hair day, or perhaps older persons are put off by your appearance. Whatever it is, it's probably not a big deal. On the up side, this influence can inspire you to perfect art and music projects, upgrade your wardrobe, or enjoy the company of another --that is, if you're willing to take the time and make the effort.

*Nov 11, 2019*      *2 AM (Nov 11, 2019 to Nov 12, 2019)*      Ven Trine Mer

This positive astrology brings love and communication together harmoniously. The possibilities are endless, but it doesn't last long. Some simply take pleasure in the everyday details of life. Others enjoy mini-excursions, a movie or a chat with a friend in a local café. Still others use this influence by writing and sharing the thoughts of their hearts. If you want to win someone's love, now is the time to impress them with your words. This is a propitious moment to take up a course like Compassionate Communication by Marshall Rosenberg, or to read How to Influence Friends and Loved Ones by Dale Carnegie. It's classic. Give loved ones a call.

*Nov 11, 2019*      *2 AM (Nov 11, 2019 to Nov 12, 2019)*      Ven Sxtil Ura

Be ready for unexpected romantic, social or financial opportunities. Write down your poetic and practical inspirations. Why not get away from routine and do something completely different for a change? Friendships formed during this transit tend to be special, if out of the ordinary. Combining art and technology might be a lot of fun. Your team might experience a breakthrough at work.

*Nov 12, 2019*      *6 PM (Nov 11, 2019 to Nov 13, 2019)*      Mer Qucnx Ven

You may feel others aren't listening or they could complain you're not in tune with them. Decisions made now may have to be rethought later. You could be tempted to buy fancy stuff you really don't need. If this happens, it could be a sign that you need to bring your head together with your heart. Stay away from gossip.

*Nov 13, 2019*      *6 AM (Nov 13, 2019 to Nov 14, 2019)*      Mer Trine Sun

This is an excellent time for presenting your ideas and for getting your ideas across. Any kind of school work, mechanical work or writing benefits by this favorable influence. Elders

and people in power are likely to receive you well. Make use of this positive boost if you're looking for a job or need to fill out an application. You might enjoy a short outing or drive.

*Nov 15, 2019 12 AM (Nov 14, 2019 to Nov 15, 2019) Ven Qucnx Sun*

Everyone needs to love and be loved. Rather than feeling lonely or despondent, meditate on the light within the heart. You value yourself by acknowledging inner beauty. Consider the notion that Love is the gardener preparing the garden of your heart. Sometimes it's necessary to meet another half way. Other times, the loving choice is to say "no," even to the best of friends. Try not to over personalize. You're not the only one learning how to love. As long as you're not overly sensitive, you can have fun today. Too much sugar opens the chutes to moodiness. Retail therapy is cathartic, but determine your budget before you set out. Restraint today could mean riches gained tomorrow.

*Nov 15, 2019 7 AM (Nov 15, 2019 to Nov 16, 2019) Sun Conj Asc*

You're feeling pumped, focused, even radiant. You could find yourself in the limelight. Enthusiasm, if controlled, adds to your credibility. The vibes are so positive, it's easy to get carried away. Guard against arrogance. Keep yourself heart centered.

*Nov 15, 2019 (Nov 14, 2019 to Dec 14, 2019) Sun 1st H.*

Sun passing through the House of Self: As your vitality is likely to be increased by solar rays, strive to be the best "me" you know how to be.

*Nov 15, 2019 12 PM (Nov 15, 2019 to Nov 16, 2019) Ven Oppos Ven*

It's helpful to remember that opposites attract. When they don't, you're looking at a potential tug of war. At best, this means some positive social interactions, and at worst a real clash of values. Diplomacy is Venus' weapon of love.

*Nov 15, 2019 (Nov 2, 2019 to Nov 26, 2019) Sat Oppos Sun*

This isn't an easy time. Saturn always brings up past accounts and forces us to reevaluate our situation. For the time being, you likely will find it is best to work within the system in your dealings with parents or authorities and especially with key persons related to your career direction. Not all are likely to be sympathetic to your cause. As you ponder what the future holds in store for you, don't be so hard on yourself. Rather than moaning and groaning, use this cycle as a chance to seek constructive long term solutions to chronic problems. A relationship from the past could reappear now, causing you to look deeply into yourself. Issues related to the father or the father principle demand resolution. Patience! The change you seek will soon arrive. The key to soul power now, a real possibility, comes from a willingness to grow spiritually.

*Nov 15, 2019 11 PM (Nov 14, 2019 to Nov 17, 2019) Mar Qucnx Jup*

This energy tempts us to believe we can hitch a free ride. Nothing could be further from the

truth! It may be hard to focus with so much going on but that's what you need to do now. Despite the rush, you may not be on the roll you imagine. Before you take the gamble, assess the risk well. Chances are, you're overreaching the mark or underestimating the odds. Losses could be costly if you opt to act on impulse. This is a time to be tolerant: different strokes for different folks!

*Nov 19, 2019 11 AM (Nov 17, 2019 to Nov 24, 2019)* Mer Sqr Ura

You may feel weirded out today. You could find yourself changing your mind again and again. You might want to do something crazy. However, try not to go off half-cocked.

By pushing the limits, accidents can happen. Friends could prove to be unreliable, so its okay to be picky. Speeding while driving is dangerous under this influence. Reckless behavior now could result in accidents.

Have a back up plan just in case you run into any unexpected interruptions to your routine due to a computer malfunction, telephone interruption, etc. Hey, there's no need to freak out. Backing up files is always a good idea.

*Nov 19, 2019 12 PM (Nov 17, 2019 to Nov 24, 2019)* Mer Sqr Mer

Don't allow yourself to be pressured into making decisions you're not yet clear about. You could be dealing with a build-up of mental tension and nervous energy. Write down areas of non-resolution. Give yourself some time to figure out answers and be patient if the answers come slowly now. Sometimes car problems crop up under this influence, so check your oil.

*Nov 19, 2019 (Nov 17, 2019 to Dec 23, 2019)* Mar 12th H.

Mars in the House of the past, endings, hidden friends and enemies: Clean up the past to open the way to the future. A part of you is in retreat, processing events of the last two and a half years and getting ready for a new thrust once Mars enters your 1st house. More often than not, our worst hidden enemies lie within ourselves! One way to heal yourself of fear is by helping (not enabling) others. Giving a hand to someone in need could be mutually beneficial, providing you set and stick to healthy boundaries. Psychic meddling can be dangerous to the soul. Rather, learn how to meditate to discover the answers that lie within you. This influence favors writers, researchers, strategists, psychologists, priests and others working at sea or behind the scenes.

*Nov 20, 2019 (Nov 19, 2019 to Dec 17, 2019)* Ven 2nd H.

Venus passing through the House of values and money: You attract the good things in life, your taste is impeccable. Manage your resources sensibly. Keep in mind that all that glitters is not gold. Think beautiful, be beautiful, and guard the light!

*Nov 20, 2019 9 AM (Nov 19, 2019 to Nov 21, 2019)* Sun Trine Jup

Take advantage of this uplifting forecast. A return of positive karma could be coming your way. A surge of extra enthusiasm brightens your day. Whether it's romance, school or a job

that you're thinking of, all should go well. A good day for making up if need be. Advice from a guide or older person is helpful. Opportunities happening now tend to be fortuitous.

*Nov 20, 2019*      *9 PM (Nov 19, 2019 to Nov 22, 2019)*      Mar Sqr Nep

This transit usually stimulates a period of self-evaluation. Unfortunately, the tendency is to be too hard on oneself, to concentrate on mistakes and failures and hence, to feel discouraged. Learn from the past, but redefine your goals and sense of mission for the future. You may be vulnerable to wishful thinking or to some pretty convincing delusions. Examine any personal or professional proposals objectively before making a commitment. You could easily get carried away with some fancy or another. To escape into illusion and give into temptation would leave you wondering later what it was all about. If you feel excessively bummed these days, ponder if there be someone or something (including yourself) who you need to forgive. Forgiveness is the key to peace and resolution. Whatever you do, do not play the victim! Self-knowledge and attunement with the heart can help you navigate this fog!

*Nov 21, 2019*      *7 AM (Nov 21, 2019 to Nov 22, 2019)*      Mar Sxtil MC

Financial backing or perhaps a supportive team are among the potential positive developments happening now to support your ambitions. Employers, parents, authority figures, whoever represents "the boss" for you is likely to be receptive now. Take advantage of the positive breeze. Go for it!

A time of much energy and drive, perfect for starting something new or for taking care of business. Work those weights, run that mile, 'cause this is an opportune time to build up your body. If you're into action requiring military like discipline and stamina, do it now! Or maybe for you, the challenge is in winning over that special someone. Think positive and win!

*Nov 22, 2019*      *(Nov 11, 2019 to Dec 2, 2019)*      Sat Qucnx Ven

Saturn comes with hard lessons related to the heart and to love. This is a time to be patient. The heart must grow, however painfully. Even if you experience loss of some kind, you may discover love through friends or loved ones who come through and really care.

Don't be afraid of letting go of relationships that have run their course; relationships worth keeping will make it through this and be stronger. Venus also deals with finances, and you could find yourself in a crunch. Patience! Relationships and projects worth keeping demand considerable effort but pay off in the long run

*Nov 22, 2019*      *7 PM (Nov 21, 2019 to Nov 24, 2019)*      Mar Oppos Sat

Accept the teaching and understanding will follow. Some tough tests may come your way during this time span. Life is offering you sparring partners who are meant to help you increase your skills. Patience is more than a virtue, its an utter necessity right now! If you buck the system, you could miss the point. Hidden opportunities presented to you in the form of coaches and trainers will increase your timing, judgment and grit. All skills acquired now will be on deck to serve you well later.

*Nov 23, 2019*                      *(Nov 18, 2019 to Nov 27, 2019)*                      Jup Sqr Jup

Take hold of the reins and don't let go! Finishing what you begin could prove to be a mega challenge now. Much distracts you and tempts you to throw in the towel and try something new. Gain self respect and the respect of others by tying up loose ends. Finish your work and study cycles. If you're not where you want to be, take a tally of your strengths and weaknesses. Did you overshoot the mark? Big plans sometimes take years to fulfill. The restless ones give in, the persistent ones make it home. Check your tone of voice for any splash of arrogance or conceit, a real turn off. Promise only what you can realistically fulfill. Beware of quick fixes and get rich schemes. So, the warning has sounded; avoid excess. Know that if you can keep your self-confidence and enthusiasm within bounds, you can accomplish a lot and have fun doing so.

*Nov 23, 2019*      *2 PM (Nov 23, 2019 to Nov 24, 2019)*      Sun Sxtil Nep

This influence pumps up your imagination and your ability to see beyond, providing you with the makings of a short inspirational interlude. Artists, musicians, romantics, mystics, spiritual seekers, and idealists all delight in being lifted in the spirit. You could woo your creative side or simply meditate in motion, take in an interesting movie, write a poem, or go star-gazing.

*Nov 23, 2019*      *8 PM (Nov 23, 2019 to Nov 24, 2019)*                      Sun Sqr MC

*Nov 24, 2019*      *3 AM (Nov 23, 2019 to Nov 25, 2019)*                      Ven Sqr Jup

The planet of love and money (Venus) and the planet of opportunity (Jupiter) come together, but they may be at odds with each other. Much good fortune comes from this meeting. The square, however, alerts us to the dangers of excess, overspending, overeating, and over dating. Sometimes, the sweet breezes of these astros incline the

person toward laziness, a definite waste. This is not the hour to follow impulses or overindulge desires. The things you know are best for you may not jive with what you feel like doing. Some self-restraint allows for fun and pays off big tomorrow. Resist the temptation to buy stuff you really don't need or cannot afford.

*Nov 24, 2019 3 AM (Nov 23, 2019 to Nov 25, 2019) Sun Qucnx Mar*

You're feeling exceptionally sure of yourself. Use this positive charge to get a lot accomplished. This a good time to push through important projects, apply for a job, or set out to win in any competition.

he down side is that your fuse is likely to be short now. Guard against impatience and irritation, and you'll reach the goal Jordan style. But watch out. Little things could get you mad. Being pushy with members of the opposite sex is not going to go over well now. Obviously, if you're edgy, this is not a particularly good time for approaching parents and other authorities. Carelessness, anger and frustration can result in accidents. It's a lot of ch'i to handle. Physically working out, engaging in sports, or dancing could help you blow off some steam.

*Nov 24, 2019 7 PM (Nov 23, 2019 to Nov 25, 2019) Sun Qucnx Sat*

Saturn, sometimes called "The Great Teacher," is testing you. Psychological attitudes or external events block the flow. Responsibilities pile up. Clashes with parents and/or other authority figures may occur. While some might choose to sit this one out, you can make this influence work for you. If you feel overwhelmed, determine your priorities and tackle each situation one by one. Look at the glass as half full instead of half empty. Patience is a powerful key. Don't force things.

*Nov 26, 2019 11 PM (Nov 26, 2019 to Nov 27, 2019) Ven Trine MC*

You're feeling especially loving and harmonious right now. Your appreciation of all beautiful things is heightened. You could be in the limelight, especially with superiors or in relation to your work.

*Nov 27, 2019 5 AM (Nov 27, 2019 to Nov 28, 2019) Ven Oppos Mar*

Oppositions can manifest as perfect polarities and/or as conflicts. Actually, sweet Venus and go get 'em Mars can be great dancing partners. Mars brings out Venus' charm while Venus softens Mar's brusque demeanor. You may breeze through this transit and hardly know the difference, or you might find yourself engaged in conflict.

So, what kind of strife potentially occurs under this influence? To begin with, there can be Martian jealousies, anger and strong sexual urges. Then there are the many ways people who love each other forget and fight. There could be suspicion and mistrust, replacing love's buoyant joy with dark misgivings, or the all too frequent conflicts over money, sex; who gets what, when and how much. Well, it takes two to argue. If you vow to restrain yourself and maintain your harmony, half the battle is already won. If you play Venus to another person's Mars, remember the power of kindness. If you play Mars, examine your motive and purify your desire. Martian energy is impulsive; love now, think later can be a disastrous

formula in romance. Have fun but be careful. A lot of unplanned pregnancies and broken hearts happen with this astrological combination. A little note: just because someone turns you on, that doesn't mean they understand you. Navigate from the heart.

*Nov 27, 2019*      *6 PM (Nov 27, 2019 to Nov 28, 2019)*      Ven Trine Sat

This is a positive aspect, especially if you're involved in the arts. It's also a good time to select a new wardrobe or decorate your room. Sometimes old friendships and important relationships are rekindled during this time. It's easy to relate to employers and authority figures. There's a sense of mutual appreciation. Long term friendships or romances sometimes develop under this influence.

*Nov 28, 2019*      *1 AM (Nov 27, 2019 to Nov 29, 2019)*      Sun Conj Plu

Lots of energy is available to you now, boosting your will to improve. Your ego could be a bit large. You might be oblivious to the obvious, but you can tell if you're coming on too strong by gauging other people's reactions. Catch yourself before overreacting when you are mocked or confronted in a bossy manner. It's an ego trap, chill out! Now is not the time to tangle with those in charge. Rather than locking horns in power struggles, control conflict by controlling yourself.

Do something different. Pay attention. You may discover insights into day-to-day problems and into your psychology that will prove to be of great value later. Your antennas are tingling, making this a prime time to study your astrology. A teaching you attend now or dream you experience could be a revelation. No matter how cosmic it appears, you're apt to forget if you don't write it down. This is a positive influence for participating in group activities and for taking the lead. Tying into the Internet or some other computer related work may be on your menu.

*Dec 5, 2019*      *7 AM (Dec 5, 2019 to Dec 6, 2019)*      Ven Qucnx Mer

All work and no play makes for a dull day. Hopefully, you don't have urgent business to attend to, so you can hang out. A great time for contemplation. Help your head work with your heart; be caring and loving. Taking time to say special words or to send a thank you note really does make a difference. In any financial agreement, get it in writing and read the fine print. Give detail your loving attention, but don't stress over the small stuff!

*Dec 6, 2019*      *8 PM (Dec 5, 2019 to Dec 8, 2019)*      Mar Sqr Mer

Your forecast calls for electrically charged mental atmosphere, potentially culminating in serious debates, regrettable arguments, words you're sorry you said, and potential accidents. What to do? Count to nine before you speak. Meditate and avoid the need to apologize. Reasonable caution with cars and knives is advised. Avoid impulse. Read the fine print in any contract. The Laughing Buddha finds happiness by not taking himself too

seriously.

Whoa, the battle is raging! Or is it? Whether the disruptive energy comes from within or from without, the challenge is the same. Learn how to handle your own inner conflicts rather than throwing them on people you love (or innocent bystanders)! This may be a time to forgive and let go; most of all, forgive yourself and move on! Avoid all and any people, substances, or actions that are hurtful or destructive.

If there wasn't a battle, how could you win? The conquering hero is meditating within; bow to one another and join forces.

For example, if you want to apply for a job or go to school away from home, this is the time to plan it out and possibly to apply. Vacations, schoolwork and travel are all favored. Challenges that seem to get in your way are really testing your sense of self-confidence. If you feel good about yourself and others, the worst that can happen is that your friends or teachers tell you to get over yourself. When circumstances or people in positions of power (parents, teachers, bosses, etc.) prevent you from doing what you want to do, you could feel bummed out. To avoid frustration, do what you have to do so you can do what you want to do!

*Dec 8, 2019*      *(Dec 4, 2019 to Dec 13, 2019)*      Jup Trine MC

*Dec 9, 2019*      *5 AM (Dec 9, 2019 to Dec 10, 2019)*      Ven Oppos Sun

You may find yourself butting heads with someone you care about over values. Especially in close relationships, you could feel terribly self-conscious. Everyone needs to love and be loved. Rather than feeling lonely or despondent, meditate on the light within the heart. You value yourself by acknowledging inner beauty. Consider the notion that Love is the gardener preparing the garden of your heart. Sometimes it's necessary to meet another half way. Other times, the loving choice is to say "no," even to the best of friends.

Try not to over personalize. You're not the only one learning how to love. So, what helps

you feel happy? Go shopping, change your hairstyle, play with your dog or bake a cake. As long as you consider your budget and your waistline, you could have fun. While you may be at your creative and romantic best, it's easy to overindulge. Wear that outfit, visit that bistro, go on that date; just check your vanity and insecurity at the door.

*Dec 9, 2019*      *9 AM (Dec 9, 2019 to Dec 10, 2019)*      Sun Oppos Ven

It feels good when someone appreciates you and notices why you're special. This is a friendship picker-upper. However, you could experience a clash of ideas or values. Somehow other people block your plans or get in the way of your social life. If necessary, stand your ground. Especially when dealing with parents and with people in charge, meeting half way may be the only way to work out problems. If hidden tensions surface in close relationships, it's okay. Be patient with that close buddy or special someone!

While you may feel exceptionally strong in your faith and philosophy of life, not everyone shares your beliefs. Don't count on handouts. You need to be the master of your own ship. Use this energy to produce lasting results that will catapult you into a successful future.

*Dec 19, 2019 10 PM (Dec 19, 2019 to Dec 20, 2019) Sun Sqr Jup*

This influence is like having lots of money in your hands but not necessarily spending it wisely. You've got plenty of enthusiasm. But you could easily go too far, take on too much, promise more than you're willing or able to deliver. You could get ripped off if you're not careful. Someone older or in authority could disapprove of your actions or decisions. It could be hard to figure out the right move. If you believe in yourself, you're more likely to obtain the support of others. If you feel full of yourself, you're apt to make foolish mistakes. If you feel frustrated as to where you're headed in life just now, wait this one out.

*Dec 20, 2019 7 AM (Dec 19, 2019 to Dec 21, 2019) Mer Qucnx Sun*

However, if you feel yourself put down in relation to someone else, this shows that you need to work on your basic self-esteem. Cash flow issues could cut into plans. Duty and desire may be at odds.

*Dec 21, 2019 12 PM (Dec 21, 2019 to Dec 22, 2019) Ven Qucnx Mar*

Squares create challenges. Being that this is a love challenge, your heart is your best counselor for whatever might come up in your personal relationships. It's likely that you desire to express and receive love now. So, where's the rub? It might be just a moment during the day in the midst of larger happenings. Did you react with anger or hurt at

another's words? Did s/he react to yours? Your sense of values could be in conflict with your feelings. Go into your heart. Think through your actions before jumping into anything. Maybe you're tempted to spend more than you can afford or go further than you think you should. Don't be afraid to say no. Never put yourself or another down in the name of love. We all have different needs. Be honest in all business transactions.

You're in a problem-solving mood. Discovering exactly the lessons life has offered you and how to learn from your experience is the way to crack the code. Meditating in motion may suit you better than staying still.

If you're going to get an apartment or buy a car, read the fine print. Schoolwork could suffer if you're not in the mood or if you're sloppy. Just do it! Leave fishing for later. Ignoring details could prove costly and at the very least you may have to do things over later. Backing up and protecting copies of files is always a good idea. Your sentiments and the ideas (or speech) of another could clash. What they say sounds rude. Or perhaps your message gets misconstrued. Courtesy tells another "I value you and what you have to say." If you're willing to really listen, great dialogue can result. Put a hold on gossip and meaningless conversation. Letting people know you appreciate them often does a world of good!

Love is indeed the key. During this cycle, you may have experiences testing your ability to discern the difference between true love and compelling, but harmful, desires. Even the wisest of worldly men have been duped when dealing with the lure of human love. In this challenging aspect to Venus, Neptune, often called the Achilles' heel of the zodiac, can undo you if you allow your sentiments to blur your better judgment. Torturing yourself by getting into affairs with someone who's married or dating someone else; unplanned pregnancies; or making a fool of yourself by chasing the impossible are all part of the negatives. The only way to curb potentially self-destructive appetites is to compose yourself. Develop the insight to know the difference between mystical vision and fantasizing.

Nevertheless, for some, an important friendship begun now is meant to be, but the lessons entailed are tough. Take reasonable precautions to avoid theft. Be honest with yourself and with others.
