

Introduction to Your Personalized Horoscope Day-By-Day Report

What follows are "inner planet transits" to your personal birth chart. Use this report as a guide to the period ahead of you.

Note that some days have more than one influence associated with them, and others don't have any. Pay attention to multiple influences on one day. If they contradict each other, this is natural. Our birth charts contain contradictory elements, as we are contradictory beings! As well, our days are not always black and white. We don't always have entirely good or entirely bad days. For example, one day we may be at our charming best, but we may experience a mechanical breakdown that frustrates us as well. When electing a day to start a project or other initiative, pay attention to the influences surrounding it. Remember, also, that we can exercise free will.

The interpretations of the Sun, Mercury, Venus, and Mars transiting the houses last for a few weeks. For example, if your report reveals the Sun transiting the first house, this influence lasts until the date that the Sun is transiting the next house (in this case, the second house). The same is true for Mercury, Venus, and Mars.

Many interpretations include "headlines"--keywords or phrases that help sum up the influence.

Sun square Mercury: 3/12/2016 3:22 AM, Exact

Speaking or writing may create ego conflicts unless your very active mind considers others. A fast pace, with many letters, phone calls, errands, meetings, or discussions, is on the agenda. You may feel mentally restless, impatient, and overly eager to get your own ideas across. Also, a situation may arise which requires you to say what is on your mind, to make a decision, or to clearly voice your personal opinion on some issue. Don't be surprised if you are not in top mental gear today. You could find yourself struggling to communicate or being easily misunderstood. Hard words are possible with an authority figure or an older person.

Mercury square Sun: 3/12/2016 9:05 PM, Exact

This is an active phase when communication could turn hot and heavy if ego energies are unrestrained. Plans may be altered. There is much activity; you move rapidly from one thing to another and a hectic, somewhat stressful pace is likely. Many errands, phone calls, letters which require a response, and other "busywork" is on the agenda. A minor but rather tense confrontation is likely, possibly with someone older or with an authority figure.

Mercury is in the 9th: 3/14/2016 3:14 PM, Moving Forwards at Degree 0 in a 31 Degree House

Mercury is in the 9th house now, making this a good time to embark on a trip or course of study. Philosophical communication stimulates the mind and understanding is easier.

Mercury trine Saturn: 3/15/2016 1:33 AM, Exact

Getting organized; thinking realistically.

Older people can offer valid insight. Organizational skills are accented and much can be accomplished. The emphasis is now on long-range financial planning, thinking about future security, and formulating strategies to achieve your ambitions. Your ability to study quietly, to concentrate on complex mental work, and to think deeply about serious matters is much better than usual. This is a good time to organize your affairs and also to seek professional advice about your concerns.

Mercury square Mercury: 3/17/2016 4:46 PM, Exact

Avoid making important decisions today.

Mental inflexibility and verbal confrontation characterize this time. Put off negotiations for a couple of days. There could be a lot of pressure to make decisions that you will regret later. Plenty of nervous energy accompanies this transit. You may have to speak your mind in a way that challenges or unnerves someone else.

Sun trine Venus: 3/17/2016 11:53 PM, Exact

The power of attraction

This is a day to fall in love with love. Entertainment and beauty are satisfying and relationships bloom. A very nice day, perhaps filled with some renewed appreciation for all that is beautiful and fine. A sense of value and valuing that may find you lavishing affection on those near you. You might feel love or value for an older person. Giving and receiving appreciation, love, and happiness come into your life now. You are moved to express your affections more openly than usual. You also want to be surrounded with beauty and harmonious people, and your artistic efforts flourish. You shine today, and you're more attractive than usual. One of the positive effects of this transit is that people who haven't taken notice of you before suddenly notice you. This is a time of increased attractions to others at this time and you will also find that finances are favored as well.

Sun trine Ascendant: 3/18/2016 5:47 PM, Exact

Ease; positive energy flow.

On this day, you will find your immediate concerns falling into place. Unless otherwise over-ridden by progressions and outer planet transits, aspects of your life are in synch. You are in harmony with the people in your immediate environment. There is a sense of ease and of flowing with, rather than fighting against or resisting, what is going on around you. Therefore, you have more energy and more fun at this time. Now is a good time to make a presentation, go for an interview, or meet the public in some way; the response is positive. This transit occurs twice a year and its effects last a day or two.

Venus square Neptune: 3/20/2016 11:01 AM, Exact

Foggy desires.

Imagination and fantasy fog judgment and create romantic confusion. Keep

expectations realistic. Dreams, wishes, and fantasies about love are strong now, and you may be infatuated with someone you meet at this time, only to be disappointed later when you discover this person does not fulfill all of your expectations. You are simply not seeing people objectively now. Your imagination is very active and creative however and so is your yearning for something beautiful. The artist in you emerges, and your creations please and inspire you. Relationship ups and downs characterize this transit--a time when romantic mirages are more than likely. You see what you hope to see, rather than what really is. The "highs" of a relationship begun under this energy may be thrilling, but the accompanying "lows" are bound to set in, and they can be extremely draining. Be careful not to set yourself up for disappointment. The same goes for finances--what appears to be a great buy is likely to turn out to be a financial drain or money pit.

Mercury trine Venus: 3/20/2016 5:34 PM, Exact

Loving expressions.

This is a good time for any social activity, as friendliness and goodwill abound. Express feelings of love and affection. You are very congenial and cooperative now and more interested in the similarities than in the differences between yourself and others. This is a very good time to let people know you care about them: send a card; write a note of appreciation or even a love letter! You may also want to buy something beautiful, pleasing, and frivolous which simply makes you feel good.

Mercury trine Ascendant: 3/21/2016 2:41 AM, Exact

Good self-expression.

Mental activities and communications flow easily during this brief transit. Communications are excellent now. You come across clearly and present yourself articulately. Public speaking, interviews, and other transactions with the public are favored. Conversations you have at this time go smoothly, and an agreement can be reached.

Venus square Sun: 3/22/2016 10:46 PM, Exact

Looking for fun.

Overeating is a danger. Skip dessert. The desire for entertainment and diversion is strong. Beware of temptation. Your desire for pleasure, ease, and affection is

brought to the fore, and may interfere with work or complicate situations in which you need to be acting assertively and on your own behalf. Your mood and attitude is conciliatory, and your need for love and approval heightened.

Mercury oppose Pluto: 3/24/2016 10:45 PM, Exact

Secrets come to light.

An intellectual confrontation is possible if subtle force is used to convince others. Reject obsessive entreaties. This can be a time for exposing and talking about hidden, intensely private, secret, or taboo subjects. Your mind is very probing and your conversations and interactions with others are intense. Pat answers and superficialities don't suffice now. You can be too intrusive or overbearing when stating your point of view. You may find someone you meet today is too secretive and underhanded for your taste. Your thoughts and ideas go against their secretive, power-oriented manner, and you are not afraid to tell them so.

Venus is in the 9th: 3/25/2016 12:41 PM, Moving Forwards at Degree 0 in a 31 Degree House

Venus is in the 9th house now. This is a good time for an extended vacation or course of study related to the arts. Foreigners are especially attractive and stimulating.

Venus trine Saturn: 3/26/2016 4:00 AM, Exact

Mature love.

Benefits from older associates are possible. Long-standing relationships enjoy affectionate renewal. The past beckons warmly today. This is an excellent time to make decisions about your financial affairs, as your judgment is sound and reliable, though a bit conservative. Investing in beautiful things that are likely to increase in value over time (such as jewelry or fine art) is favored. You are not interested in fleeting excitement or frivolity now. Spending "quality time" with an old and trusted friend, or enjoying the company of an experienced, mature person who has much of substance to give you will make you happy.

Sun oppose Pluto: 3/26/2016 10:31 AM, Exact

Provocative.

Encounters with others are apt to involve a power struggle. Don't force purely selfish issues or push a physical confrontation. You directly confront something that has been hidden, forgotten, or ignored for a long time. Unresolved issues in personal relationships are stirred up and the underlying causes for a painful or problematic aspect of a relationship may be brought to light. Personal power and control are issues for you now, and if you take too much power (i.e. are manipulative and tyrannical) or too little power (i.e. are overly passive and easily victimized), then you will become embroiled in power struggles with others. There could be some underhanded or devious goings-on behind the scenes as well. Tension of a psychological or political nature may be present.

Mercury trine Neptune: 3/26/2016 7:56 PM, Exact

Imaginative.

Music, poetry and creativity are important now and stimulate the imagination. Sensitivity and sympathy are strong. Imagination and intuition are high, and involved in decisions made today. You are in the right place at the right time. Favors photography, the arts, poetry, fiction, spirituality, advertising, and promotion. You are inspired creatively, artistically, or spiritually at this time. Your imagination, intuition, and psychic sensitivity are high now, and you find yourself wanting to paint or listen to music, daydream, or fantasize rather than concentrate on practical matters.

Mercury conjunct Mars: 3/27/2016 12:21 AM, Exact

Keen perception.

The mind is very active today. Over-stimulation could result in a heated exchange if the ego wants fight. You are likely to come to a very clear, definite decision at this time, and to let others know exactly what you want. You are not in a very conciliatory mood and are not averse to stirring up unpleasant controversy in defense of your plan, idea, or desire. You may speak or act in haste now, which can be a cause of regret later on.

Mars sextile Pluto: 3/27/2016 7:30 PM, Exact

Renewed energy.

Tremendous energy can be applied to group activities. Remodeling and renovation projects activate. Personal renewal is possible. Strong sexual energies are present. A drive to probe and penetrate may find you examining and

working through some strong internal changes. You may be considering a major overhaul or revision in your ambitions at this time. If you do not have a sense of meaningful purpose or a passionate commitment to anything, you will want to reassess where you are going and why. If you do have a clear goal, you can make significant progress and work with great satisfaction now. An opportunity to do what you really want to do is likely. Increased focus and concentration on what is relevant and what truly matters helps you right now.

Mercury conjunct Moon: 3/28/2016 4:09 AM, Exact

Nostalgic.

What you say now will be based primarily on feelings, rather than a purely rational plan. Conversations have a particularly emotional, intimate, or nostalgic tone. Sharing memories and reminiscences, or discussing a very personal topic with someone you feel you can trust is likely now. You may have a significant communication (letter, phone call, or personal discussion) with someone who was once very important to you or with whom you have a long history. This is a good time to reflect, review, and get a perspective on emotional matters or things of the past.

Mercury sextile Sun: 3/28/2016 8:07 AM, Exact

Mentally active.

Communication with others is facilitated by an active mind. Business trips, telephone calls and mail are accentuated. This is a busy time; communicating and getting in touch with others is very likely. Numerous phone calls, letters, meetings, errands, or discussions bring you into contact with others. This is a good time to brainstorm with others, share ideas, and come to a group consensus.

Venus square Mercury: 3/30/2016 3:32 AM, Exact

Concentration may be weak. Beware of fine print. Something that someone says or communicates to you may be unappreciated or taken the wrong way. Your thoughts turn to love and relationship. You are more aware of beauty and may want to rearrange your decor or buy something to beautify your surroundings.

Mercury square Saturn: 3/30/2016 6:49 AM, Exact

Avoid important discussions for the time being.

Communication is stifled. Delay important discussions for a few days until conversation flows more readily. Your thinking is rather gloomy and pessimistic at this time. You see the superficiality, the flaws, and the foolishness or impracticality in others' plans. Also, communicating with others is difficult now, and people resist what you are saying. You feel more inhibited and uncommunicative, and you sense that others are not receptive. Frustrating conversations and the feeling that you are coming across negatively are possible now, so you are inclined simply to keep your thoughts to yourself. Getting from point A to point B can be a challenge during this transit because of obstacles. Communications may be blocked or delayed, and negative thinking could dominate at this time. Projects you thought were complete may need revision, and people may appear overly critical, insensitive, or sarcastic. Avoid signing on the dotted line at this time. Remember that you are hypersensitive today. What others say to you today may seem especially difficult.

Mercury conjunct Jupiter: 3/30/2016 7:10 AM, Exact

Business sense.

The big picture comes into focus today. The mind is able to encompass large concepts. Business is favored. This is a time for making long-range plans, seeing the big picture, and thinking about what is really important to you in the long run. The trivial details and business of day-to-day living does not dominate your attention now. Reading books or articles of an inspirational nature or on subjects of personal growth and development is very fruitful now. This is also an excellent time for business functions, negotiations, and communicating with the world at large.

Sun trine Neptune: 3/30/2016 7:11 AM, Exact

Inspiration.

Musicians and artists feel inspired. Idealism prompts generosity and good deeds. Trust inner instincts. At this time you really enjoy art, theatre, music, and your own inner world of fantasy. Your imagination is vivid. If you have an interest in spiritual matters, these interests come to the fore now also. The inability to be decisive and a lack of energy or drive is a negative possibility. You can be quite lazy now. Follow your hunches today, and they may take you to the right place at

the right time. Your hunches are more likely to be correct and you are "tuned in". You are inspired, and charitable acts now will serve to lift your spirits like no drug can.

Mercury conjunct Midheaven: 3/30/2016 12:26 PM, Exact

Clear-headed and objective.

Your mental focus will be on professional and career matters and communications until Mercury enters the 11th House. At this time you are objective and can make some clear decisions about where you are headed or what the next step to achieve your important personal goals should be. Your judgment is sound at this time. You may have an important professional conference or a conversation about your career. This is an excellent time to seek out your superiors or those in a position to help you advance.

Mercury is in the 10th: 3/30/2016 12:26 PM, Moving Forwards at Degree 0 in a 35 Degree House

Mercury is in the 10th house now, turning the mind to career and professional interests. It's a good time to communicate with superiors and learn new job skills.

Sun conjunct Mars: 3/30/2016 4:18 PM, Exact

Action.

Energy is high as business and professional matters are emphasized. Irritation is a possibility. You feel energetic, confident, and assertive now, and are less inclined to be patient with others' needs and demands. You may become angry if your will is blocked or if you have to adjust your vigorous pace to others' slower tempo. This is an excellent time to take the initiative or to begin a project that you have been considering. ACTION is the theme for today. If you tend to be hot-tempered, this is aggravated now, and you can be quite pugnacious. If you are a more relaxed, easy-going person, you will simply feel more energy and drive than usual.

Mercury sextile Mercury: 4/1/2016 5:00 PM, Exact

Any form of communication, travel or plans with others is favored. The mind is clear and adaptable. A non-stop flow of communication between yourself and the people in your immediate environment is likely today. You may engage in

interesting and informative discussions or fritter your time away in inconsequential chatter and gossip. Mental curiosity or restlessness may also impel you to take a short trip or visit.

Sun conjunct Moon: 4/2/2016 1:49 AM, Exact

Emotional self-assurance

Emotional self-assurance helps you take charge of your personal life, close relationships, and domestic affairs. Key issues now are your home, personal life, and closest emotional relationships. You feel more quiet and reflective, and you feel a need to be closer to home and to loved ones. You can draw a lot of strength and satisfaction from your family and roots now, but if all is not well in this area, you will clearly see any difficulties or inadequacies at this time. You are more emotional and subjective than usual. This is an opportune time to make a resolution (or two)!

Sun sextile Sun: 4/2/2016 10:02 AM, Exact

You're in your element.

Look for opportunities to mingle with others for mutual benefit, as this is a somewhat lucky day for speculation or investments. Friendship and cooperative endeavors flourish now. You achieve a harmonious balance of giving and receiving, of talking and listening, and any social or joint activity will benefit. Working with -- rather than against -- the flow should be easy to do.

Venus trine Venus: 4/3/2016 8:50 PM, Exact

Smooth negotiations.

Luxuriate in a loving and lucky phase. Enjoy the arts. Appreciate the creative relationships that prosper now. Contentment, emotional well-being and harmony prevail in your personal relationships. At this time you relax, and indulge in your pleasure-loving side. Unless other astrological indications override this influence, you are unlikely to be forceful and try to make things happen, but instead are inclined to flow along with people and situations, attracting what you need and letting the world come to you. Harmonious interactions with others are favored at this time, likely because you yourself are projecting the more charming, cooperative, and agreeable side of your nature! Smoother negotiations are the result, and love is easier than usual to enjoy -- and to find -- today.

Venus trine Ascendant: 4/4/2016 11:14 AM, Exact

At your charming best.

A light, carefree mood allows you to enjoy the company of others. You are less disciplined than usual. Now could be the time to make that date, apply for the job, or otherwise make yourself known. At this time you are inclined to invest your time and money into making your environment more beautiful and comfortable. You may also wish to enhance your personal appearance in some way, such as getting a new hairstyle or purchasing clothing, cosmetics and the like. Social gatherings are also very positive for you now.

Mercury square Venus: 4/4/2016 3:52 PM, Exact

Distracted.

A shopping spree could result in a load of expensive and unnecessary trinkets. Discussions with a lover could be tense. You are more distressed than usual over any dissonance in your environment or personal relationships, and you are inclined to avoid serious discussions or real disagreements with others. Also, challenging mental work and concentration is difficult for you now.

Mercury oppose Uranus: 4/4/2016 11:55 PM, Exact

Hasty words.

The mind rushes forward, propelled by uncomfortable nervous energy. Thoughts may be unstable. This time is filled with stimulating discussions about controversial topics, unusual or offbeat ideas, or "crazy" schemes. The tempo of your life increases and may leave you feeling frazzled. Because you are quite restless, you may do or say things in haste that you will regret later.

Mercury square Ascendant: 4/5/2016 1:07 AM, Exact

Feeling stressed.

Difficulties expressing yourself or making up your mind will pass. Travel may also be frustrating. You will be alert and on your toes now. The pace is likely to be fast, even hectic. You are restless and eager to meet others halfway, to converse, exchange information, and make connections. Nervousness or irritability due to aggravations and the stress of increased demands at work is

possible.

Venus trine Moon's Node: 4/6/2016 1:44 AM, Exact

Making connections.

You may make an important contact today--either romantic or financial. The person you meet is bound to lead you in the right direction.

Sun square Saturn: 4/6/2016 10:57 AM, Exact

Roadblocks.

Obstacles to accomplishment and gratification arise causing feelings of defeat. Responsibilities weigh more heavily. It may be hard to organize or persevere today. Everything may seem to be falling apart and coming unglued. Don't force things. Be patient and let the chaos blow itself out. Clashes with authorities or someone older over responsibilities are possible. Relationships with men and people in authority may be particularly uncomfortable. Also, you have more self-doubt than usual; your mood is somber and rather self-critical. This is a good time to take stock of your life, to see how you are limiting and holding yourself back, and to determine your next steps. But do not attempt to press forward now, and don't take whatever setbacks you experience too much to heart. It's hard to satisfy the ego today. You feel blocked by circumstances or others. It's too easy to feel discouraged, but discouragement is a time waster. Gratitude isn't forthcoming right now, so it's best to wait it out rather than waste energy letting it get to you. As you face obstacles to your goals, you begin to see the tools with which you have to overcome them. A little dose of realism seems forced upon you under this influence, but your efforts to measure up to expectations can ultimately increase your confidence in your ability to be responsible for yourself. This influence is a somber one, but it's passing.

Sun conjunct Jupiter: 4/6/2016 11:39 AM, Exact

Self-confidence; the urge to grow.

Good will and optimism are stimulated. A lucky break is possible. Travel and speculation are favored. You feel expansive, enthusiastic, and optimistic now. You want to reach out, do more and experience more. You benefit greatly from the opportunities that present themselves at this time, and a person who will be very influential and helpful to you may come into your life. Vitality increases as you build your confidence. You feel more generous, optimistic, and sociable

under this influence. You might hunger for increased recognition and respect, and, with your generous attitude and concern for others' well-being, you might just get what you want. This is a good time to take steps to grow something--your business, your significant relationships, and so forth. This transit also favors legal, educational, religious, and cultural endeavors.

Sun conjunct Midheaven: 4/6/2016 10:36 PM, Exact

Recognition.

This is a good time for you to act regarding business and professional matters. Public recognition is also possible at this time. You may also find that those in positions of power and authority are more receptive than usual. Your career, reputation, and most important personal goals receive a boost now, primarily through your own initiative and willingness to assert yourself. You feel a surge of positive energy. Superiors or people in authority will also notice you now and can help you immensely; enabling you to fulfill something you are striving for. Public recognition for your work or your unique personal contribution to the world is very possible.

The Sun is in the 10th: 4/6/2016 10:36 PM, Moving Forwards at Degree 0 in a 35 Degree House

The Sun is in the 10th house now and for the next few weeks. This will increase ambition and put the spotlight on your career. Dealings with authorities and the public are probable. A time when practical vision may be at a high, during which you can see what needs to be done and just how to go about doing it. Career and vocational issues may benefit from the increased clarity you possess.

Venus oppose Pluto: 4/10/2016 3:34 PM, Exact

Intense emotional attraction.

An intense emotional or sexual attraction, a very revealing, intimate encounter, or a powerful desire to be close to, and share your deepest feelings with, someone is very likely now. Emotions and issues in a close relationship that have been brewing beneath the surface for quite awhile come to the surface at this time, possibly in a very disruptive way. All of your relationships intensify and you need to be aware of your tendency to act in a rather compulsive, demanding way towards others. Jealousy and possessiveness arise at the first provocation. Relationships feel threatened. Reassurance calms the green-eyed monster.

Sun sextile Mercury: 4/11/2016 11:07 AM, Exact

It's a good time to get your point across to others. You speak or write with clarity and creativity. This is a time when you express yourself very clearly, and conversations, negotiations, and communications of all kinds are cordial and successful. Expect a rapid pace with numerous transactions, letters, phone calls, or errands requiring mental clarity. New ways to communicate or an easy manner will make conversations and interactions go well today. You may find yourself more talkative and facile than otherwise. A dialogue with an older person may take place.

Venus trine Neptune: 4/13/2016 5:43 PM, Exact

Heightened sensibilities.

Ideal romantic and creative expression is possible. Compassion and understanding enhance relationships. At this time you are more sensitive to beauty and also the feelings and needs of others. It is easy for you to give generously of yourself, for you sympathize strongly with other people and spiritual values are more important than material ones at this time. You perceive romantic situations as if they were "designed" just for you. A magical, romantic time!

this phase. The sweet tooth is stimulated. Feelings of tenderness and love, especially for family or children, are very strong at this time. You want to shower loved ones with affection, to invite friends into your home, and to be pampered and cared for. Your relationships with women are very harmonious and positive now. Your mood is especially romantic and sensual. Let it guide you, and you might just find yourself in a very fortunate situation.

Venus sextile Sun: 4/16/2016 5:40 AM, Exact

Sociability.

Socialize now. Warmth and affection flow easily. Friends bring benefits, business is favored, and employers are generous. Opportunities for friendship, cooperation, love, and shared happiness arise. The warmth and good will you generate now is likely to be a benefit to you both now and later on. You feel especially friendly and sociable.

Mercury sextile Saturn: 4/16/2016 11:27 PM, Exact

Logical mind.

It's easy to separate the wheat from the chaff. Discerning the truly worthwhile is possible now. Avoid isolation. The day of this transit is ideal for organizing or paying attention to serious matters, and buckling down in general, although it's not especially "fun" or frivolous. Try to take advantage of your increased clarity and realism by applying your logical mind to solve some problems that might have been nagging at you.

Sun square Venus: 4/17/2016 10:05 AM, Exact

You may be unable to appreciate or value people and things now. Your tastes may offend someone older or in authority. Your desire for love and affection, as well as beauty and pleasure, is strong now and you act on feelings and creative impulses more readily than usual. If you are not happy with some aspect of your personal life, these issues arise at this time and there may be disagreements or tension in a close relationship.

Sun oppose Uranus: 4/18/2016 1:57 AM, Exact

Rebel without a cause.

Restlessness and rebellion are possible. The desire to break free of restrictions is dominant and separations are possible. Someone may oppose you and frustrate your sense of independence today. You may feel squelched or thwarted in a relationship, be it romantic, a friendship, or job related. New ideas and insights may be slow to come just now. Someone older may stifle you. Relationships go awry or at least take an unexpected turn. The need for more freedom, independence, or novelty on your part, or on the part of someone close to you, may disrupt the status quo in an important relationship. Or, you may come into contact with someone who is very different from yourself and who challenges, surprises, or upsets you. Expect the unexpected in your relationships!

Sun square Ascendant: 4/18/2016 4:18 AM, Exact

This transit can signify ordinary frustrations and setbacks, possibly involving a male figure. It occurs twice a year and only lasts a day or two, affecting your dealings with others. You may lack any real sense of yourself today, or be unable to communicate or convey your ideas. You tend to feel that your personality lacks any vitality. An authority figure could be hard to connect with now. You may feel out of step with the people in your immediate environment now, not in harmony with the intentions and desires of those you work or live with. Relationships, especially professional ones, can be tense, especially if you attempt to work your own will. This is not a time to force issues.

Venus square Saturn: 4/19/2016 11:05 AM, Exact

Keeping others at arm's length.

This phase contributes to romantic disharmony and aloofness. Friends and lovers disappoint. Put off creative endeavors, new relationships, or financial plans for a few days. Withdrawing from emotional social contact is favored now, for even when you are with others you are likely to feel separate and alone. Sadness and disappointments in your personal life are also probable now. Inadequacies and flaws in your friends or lovers are particularly bothersome to you now, and you may feel that you have nearly exhausted your patience for dealing with these problems. It is a time to be quiet and to look objectively at how your relationships are going. Though not a pleasurable time, this can be a fruitful period in which to learn more about love and what you truly value. You may be feeling unsatisfied, isolated, and unloved. Personal relationships are likely to be

strained as you express your affections cautiously and sparingly. If you believe you are not getting what you want in love, you attract negative situations and challenges in your relationships. This is not a good time to begin a new relationship--new ones begun now are likely to be stamped with themes of duty and restriction.

You are feeling generous and expansive, and are inclined to give lavish gifts or buy something lovely for yourself that is costly or extravagant. A diet or budget is likely to go out the window right now. This is a magical transit when you are especially generous and giving, optimistic, and kind towards others. This is an excellent transit to begin a new relationship or financial undertaking. You have a large appetite for love and pleasure right now, and generosity of spirit as well. You may find yourself going head-to-head with someone older over matters of honesty and integrity. You could fear being deceived or misled, or you could question the motives of authorities. Your

defenses are weaker than usual now and you are inclined to passively withdraw or give in to other people rather than act decisively and strongly in your own behalf. Confusion, vagueness, or misrepresentation can occur in your relationships, so beware of making commitments at this time; you're likely to see things much more clearly and realistically later on. You may not appreciate someone's unrealistic approach to a situation. Their general fogginess and impractical attitude may find you at odds with them. Problems in love and involving money matters crop up because of your lack of the ability to discriminate at this time. It's easy to see what you want to see, rather than what actually IS.

endeavors flourish now. You achieve a harmonious balance of giving and receiving, of talking and listening, and any social or joint activity will benefit. Working with -- rather than against -- the flow should be easy to do.

Mercury square Neptune: 8/6/2016 2:42 PM, Exact

Mental confusion. Don't sign on the dotted line!

Confusion and muddled thinking are a danger. Travel plans go awry. Delay decisions and important discussions. Mental clarity, discrimination, and your ability to separate fact from fiction are diminished now. Miscommunications and an inability to formulate your ideas coherently are likely. Your mind wanders, and this can be a time of creative reverie or daydreaming. There is the danger of foggy thinking and of your being misled or getting too carried away with some plan or idea. Avoid making binding contracts at this time. You find it hard to follow facts, directions, and instructions. Difficulties concentrating on hard, cold facts is likely, and you may question facts altogether or avoid being pinned down for answers. This is a bad time for signing on the dotted line.

Mercury square Sun: 8/9/2016 12:00 AM, Exact

This is an active phase when communication could turn hot and heavy if ego energies are unrestrained. Plans may be altered. There is much activity; you move rapidly from one thing to another and a hectic, somewhat stressful pace is likely. Many errands, phone calls, letters which require a response, and other "busywork" is on the agenda. A minor but rather tense confrontation is likely, possibly with someone older or with an authority figure.

Logical mind.

It's easy to separate the wheat from the chaff. Discerning the truly worthwhile is possible now. Avoid isolation. The Sun is in the 2nd: 8/12/2016 7:43 PM, Moving Forwards at Degree 0 in a 26 Degree House

The Sun is in the 2nd house now and for the next few weeks. The focus is on finances and personal income. The material world takes on greater significance. Avoid overspending. Last month you reflected on yourself, gave attention to your own needs, and what you want in your life this year. This month, you focus on what you have, what makes you feel secure, and what you value. This is a time when you can respond to new ideas and find a footing upon which you can build a foundation. You may be gathering resources, materials and finances to catch and hold on to vital ideas or impulses you have experienced. This period is one

of nurturing and growth.

Venus square Neptune: 8/13/2016 5:24 PM, Exact

Foggy desires.

Imagination and fantasy fog judgment and create romantic confusion. Keep expectations realistic. Dreams, wishes, and fantasies about love are strong now, and you may be infatuated with someone you meet at this time, only to be disappointed later when you discover this person does not fulfill all of your expectations. You are simply not seeing people objectively now. Your imagination is very active and creative however and so is your yearning for something beautiful. The artist in you emerges, and your creations please and inspire you. Relationship ups and downs characterize this transit--a time when romantic mirages are more than likely. You see what you hope to see, rather than what really is. The "highs" of a relationship begun under this energy may be thrilling, but the accompanying "lows" are bound to set in, and they can be extremely draining. Be careful not to set yourself up for disappointment. The same goes for finances--what appears to be a great buy is likely to turn out to be a financial drain or money pit.

Sun sextile Mercury: 8/14/2016 8:58 AM, Exact

It's a good time to get your point across to others. You speak or write with clarity and creativity. New ways to communicate or an easy manner will make conversations and interactions go well today. You may find yourself more talkative and facile than otherwise. A dialogue with an older person may take place.

Venus square Sun: 8/16/2016 5:34 AM, Exact

Looking for fun.

Overeating is a danger. Skip dessert. The desire for entertainment and diversion is strong. Beware of temptation. Your mood and attitude is conciliatory, and your need for love and approval heightened.

Mercury square Mercury: 8/17/2016 3:01 AM, Exact

Avoid making important decisions today.

Mental inflexibility and verbal confrontation characterize this time. Put off negotiations for a couple of days. There could be a lot of pressure to make decisions that you will regret later. Plenty of nervous energy accompanies this transit. You may have to speak your mind in a way that challenges or unnerves someone else.

Romantic maturity; Level-headedness.

Art and beauty gain form and structure. Mature friends and relationships benefit. Visit mom and/or dad. Close construction on deals. You are feeling sober and realistic about love at this time, and are interested in being with people you respect and can depend upon - your oldest, true-blue friends. Also, reaching out to an older relative or another mature, experienced person can mean a lot to you and be mutually beneficial now. You feel a love of order and law -- an appreciation for responsibilities and duty. Problems are valued for the lessons they represent, rather than perceived as obstacles.

Sun sextile Uranus: 8/21/2016 2:42 AM, Exact

Unusual encounters are possible. Applying new methods can revolutionize the mundane. Feel free. Take a little trip, or get outside today. You may want to break that routine and try something new or different right now. You may discover insights into day-to-day problems that will be of great value later. Acting on impulse, changing your usual routine, improvising and using your intuition rather than following a prescribed, logical way of doing things is called for now. The tempo of your life accelerates now. Expect a rather inconstant, unpredictable, but interesting time.

Venus square Mercury: 8/23/2016 11:36 AM, Exact

Concentration may be weak. Beware of fine print. Something that someone says or communicates to you may be unappreciated or taken the wrong way. Your thoughts turn to love and relationship. Mercury sextile Venus: 8/25/2016 5:15 PM, Exact

Fun and games.

This is a time to play hooky with someone very special. Fun and games are a diversion from the routine. There is a friendly, cooperative, harmonious tone to the interactions you have now. It is a good time for social activities and for getting in touch with friends. You avoid heavy discussions and do not want to focus on dry, practical matters. Reading light fiction, going out to see a romantic comedy, or simply sharing a pleasant time with someone you like is more in tune with your feelings now. It's easy to make social connections under this influence. This transit favors diplomacy, charm, social graces, negotiations, presentation of ideas, romantic overtures, teaching, business deals, publishing, commerce, public relations, and joint ventures or partnerships.

Venus sextile Venus: 8/28/2016 5:47 AM, Exact

Cooperation.

This is the perfect time to go to a party. Friends and loved ones are drawn by warmth and affection. Harmonious interactions with others are favored at this time, likely because you yourself are projecting the more charming, cooperative, and agreeable side of your nature! Smoother negotiations are the result, and love is easier than usual to enjoy -- and to find -- today. Personal relationships are harmonious and rewarding. Also, financial transactions go smoothly for you and material benefits are possible at this time.

Mercury sextile Ascendant: 8/28/2016 6:00 AM, Exact

Communications with or from associates can be stimulating during this brief transit. This is an excellent time to be out and about. There are significant opportunities to make connections, exchange information, and to learn

something through a meeting or chance encounter. Letters, phone calls, and conversations that you initiate are productive at this time.

Venus sextile Ascendant: 8/28/2016 8:17 PM, Exact

Maintaining harmony.

A spirit of cooperation and teamwork influences the day. Now could be the time to make that date, apply for the job, or otherwise make yourself known. Light and pleasant interactions characterize this time period. You gain what you want through diplomacy or charm and by enlisting the support of your friends, rather than by being forthright and bold. You are willing to make concessions in order to maintain harmony in your environment.

Mars trine Moon: 8/30/2016 3:36 AM, Exact

Emotional vitality.

The feelings take on intensity, seeking gratification. Heartfelt expressions of passion are revealed. Domestic chores are handled with ease. Your feelings run hot now, and you are more likely to act on instinct, emotion, and impulse rather than reason. Your responses to life are passionate, and also more natural, childlike, and direct. High spirited physical play, lovemaking, or any activity that really involves you emotionally (such as a rock concert, a rousing football game, etc.) will be very gratifying to you now.

Mars oppose Sun: 8/30/2016 6:03 PM, Exact

Feeling out of sorts.

The ego and business interests are tested. Angry confrontations are possible. Buried resentment could surface suddenly. A tendency to fly off the handle easily characterizes this transit, due to inner tension between the will and performance. It's hard to find satisfaction or a sense of peace at this time. You may feel decidedly "out of sorts". You may have an emotional confrontation with someone older than you or with an authority figure. Your feelings and emotions may be running against your best interests. Intense competition or conflict is quite likely at this time; you feel you must fight or stand up for your rights in the face of some person or situation that opposes you. You may actually seek out a battle in order to test your own powers. Beware of acting so abruptly or aggressively that you bring harm to yourself or other people.

Sun square Neptune: 9/2/2016 1:36 AM, Exact

Misconceptions.

Getting lost in a dream world is possible, as feelings of defeat and low physical stamina obscure reality. Perhaps an ultra-mundane day, lacking in imagination or much, if any, escape. It is not likely that you will lose yourself in a great book or movie. You may feel separated and not a part of everything around you. This may be a discouraging day when things don't quite seem to go your way, or you feel a bit drained. Take a break and don't start any serious new project today. Minor disappointments or just plain fatigue might hit you like a ton of bricks today. Lay low for more energizing times to come. Don't ask for anything, such as help, as it is unlikely to be forthcoming. Instead, find time to help someone. It could lift your spirits, and you won't fall into the easy tendency to feel sorry for yourself that this aspect often brings. Confusion, inability to focus on mundane tasks, poor understanding or miscommunication between yourself and others, and the desire to evade real responsibilities and challenges are negative potentials for you now. You are more sensitive, impressionable, dreamy, or idealistic at this time also. It can be difficult to concentrate and to formulate clear goals right now. Misconceptions abound. Concentrating on artistic or spiritual pursuits is better than focusing on things that require straightforward, factual thinking today. It can be difficult knowing where or how to direct your willpower under this influence. It's also a challenge knowing where you stand with others. Avoid such things as scheduling surgery, important appointments, job interviews, or launches of new projects at this time.

Venus conjunct Pluto: 9/4/2016 1:48 AM, Exact

Intense feelings--all or nothing!

Compulsion and obsession may characterize the day. The urge for physical love is prominent. Choose partners and actions with care. Charms seem to work today, and obsessions are possible. You value your darker, more secretive areas and don't mind working through some sensitive problems. Deep emotions, both positive and negative, are stirred up within you, and you become more intense and demanding of the people you are closest to. Fears, insecurities, jealousies, and hidden resentments may surface, as well as a very strong need to be loved and to love. There is a compelling, urgent quality to the feelings you experience now, and you may develop a powerful attraction to someone who fascinates and mystifies you. This is a good time to reveal your deepest feelings, fears, needs, and yearnings with the ones you love. This is an "all or nothing" energy. You have the power of attraction at your disposal. Things shouldn't be forced, even though the desire to sway, coerce, and manipulate others may be present.

Passions are strong and intense. There is a tendency to want--and to demand--a lot from a partnership or friendship. This is a time when you can be focused and confident, especially when it comes to handling business and finances, as well as with regards to love and partnership. Powerful and uplifting time for romantic/sexual relationships. New insights into relationships and love. Strong attractions. Relationships begun under this influence are intense and passionate, deep and far from superficial, and can be quite possessive as well.

Sun square Sun: 9/5/2016 5:49 AM, Exact

A minor test of ongoing projects is possible. It's not a good time to challenge authority or to take a gamble. You feel temporarily blocked now. Resistance and challenges from others or from outside situations suggest this is not a good time to try to force your will and desires onto the world, as friction is the only likely result. Relations with men can be especially tense. Your ego is in the forefront, and if you don't get attention effortlessly, you're inclined to do something to draw attention.

Mars trine Jupiter: 9/6/2016 6:27 PM, Exact

Opportunity knocks!

Rewards for past good works are possible. Projects progress smoothly. Athletes are favored with skill and luck. At this time you will want to branch out; you have the energy to do more and take on more challenges. This is a very good time to begin implementing the plans and promises that you have made to yourself, as any new endeavor is likely to succeed. A new health regimen, actions taken to advance professionally, or anything you do to move toward achieving a cherished goal or ideal go well now.

Venus sextile Neptune: 9/7/2016 4:36 AM, Exact

Creativity Attracts.

Opportunities for idealistic and romantic expression arise. Compassion for others is high. Creativity attracts. You are receptive to beauty at this time and want to be surrounded with harmony, beauty, and kindness. Also, you feel tender and gentle toward others, and you want to please or to be of service to them in some way. Some selfless generosity or an effort on behalf of someone in need will make you feel very happy now.

Venus oppose Mars: 9/7/2016 11:58 AM, Exact

Heated relations.

While sexual energy is high, lovers may be working at cross-purposes. Conflicts develop if this energy is squelched. Relationships with partners or lovers are intensified now. You experience strong feelings of attraction and love desire, and if you are unhappy in your sexual life, you can be very tense and angry "for no reason" now. You may be tempted to act on an infatuation. Passions run high. Jealousies are possible. Impulsive decisions affect your finances and/or established relationships. You may stir up problems in order to fulfill a need for excitement. Romantic needs are at odds with assertive, physical, or sexual needs. Relations are heated and erotic, but come with an underlying tension. This aspect is not all about love and lust, however. This is also a time when we may not know whether to approach a situation assertively or diplomatically. There can be creative differences with others now.

Mars trine Midheaven: 9/7/2016 1:01 PM, Exact

Accomplishment.

This transit brings self-confidence and the ability to accomplish tasks you set for yourself particularly in the area of professional life and public standing. Indeed, others look to you for leadership, making it easier for them to work with you.

The Sun is in the 3rd house now and for the next few weeks, emphasizing relationships with siblings, neighbors and daily habit patterns. A short trip or course of study can revitalize ideas and communication. This is likely to be a very busy time when you feel energetic and eager to get things done. You may even take a short trip-or two, or three. One way you might especially "shine" during this period is to take a class and learn something new. Other ways could involve communication: write that letter, poem or prose, give a talk, have that heart-to-heart talk you've wanted to have with someone. You are exploring and searching now, linking things together, following up connections, seeing where the ends meet -- communications of all kinds are featured.

Sun sextile Saturn: 9/9/2016 8:09 AM, Exact

Self-discipline.

Discipline and self-control come easier today. Relationships are sober and serious, geared to responsible action. Today you will be able to tackle tasks that require real discipline or organization. You find yourself in a very practical mood and working with, instead of against, yourself. You may have some serious or contemplative moments. Your ability to concentrate and focus on your work is very good now. This is a time to attend to details, take care of practical business, and to make your life more stable and secure. It would be beneficial to consult advisors on investments and long-range plans, and to put your affairs in order. Eliminating waste and inefficiency is important to you now.

Venus oppose Moon: 9/9/2016 10:21 AM, Exact

This is a good time to handle any domestic activity, but delay a search for love until emotions are more discrete. Your feelings, friends, and female relatives figure prominently in your life now. Magnetic powers are especially strong.

This is a very pleasant phase. Love, pleasure and entertainment attract. Feelings are affectionate and creative. Relaxation, enjoyment, and pleasure are emphasized now. Mercury square Mercury: 9/10/2016 11:32 PM, Exact

Avoid making important decisions today.

Mental inflexibility and verbal confrontation characterize this time. Put off negotiations for a couple of days. There could be a lot of pressure to make decisions that you will regret later. Plenty of nervous energy accompanies this transit. You may have to speak your mind in a way that challenges or unnerves someone else.

Venus square Saturn: 9/12/2016 11:03 PM, Exact

Keeping others at arm's length.

This phase contributes to romantic disharmony and aloofness. Friends and lovers disappoint. Put off creative endeavors, new relationships, or financial plans for a few days. Withdrawing from emotional social contact is favored now, for even when you are with others you are likely to feel separate and alone. Sadness and disappointments in your personal life are also probable now. Inadequacies and flaws in your friends or lovers are particularly bothersome to you now, and you may feel that you have nearly exhausted your patience for dealing with these problems. It is a time to be quiet and to look objectively at how your relationships are going. Though not a pleasurable time, this can be a fruitful period in which to learn more about love and what you truly value. You may be feeling unsatisfied, isolated, and unloved. Personal relationships are likely to be strained as you express your affections cautiously and sparingly. If you believe you are not getting what you want in love, you attract negative situations and challenges in your relationships. This is not a good time to begin a new relationship--new ones begun now are likely to be stamped with themes of duty and restriction.

Venus oppose Jupiter: 9/12/2016 11:36 PM, Exact

Normally a pleasant phase when love attracts strongly, but so does overspending, overeating, especially sweets, and excess credit spending. You are in a festive, partying mood and just want to play and share a good time with your friends. Community social events and fellowship are very rewarding now. Also, at this time it is hard for you to say no to food, drink or extravagances in any form. You are also very generous and tolerant toward others. Though you feel wonderful now, you're likely to regret your actions later if you don't curtail your impulses to overindulge, overspend, and enjoy too much of a good thing.

Venus oppose Midheaven: 9/13/2016 8:25 AM, Exact

Sun square Mercury: 9/14/2016 9:30 AM, Exact

Speaking or writing may create ego conflicts unless your very active mind considers others. A fast pace, with many letters, phone calls, errands, meetings, or discussions, is on the agenda. You may feel mentally restless, impatient, and overly eager to get your own ideas across. Also, a situation may arise which requires you to say what is on your mind, to make a decision, or to clearly voice your personal opinion on some issue. Don't be surprised if you are not in top mental gear today. You could find yourself struggling to communicate or being easily misunderstood. Hard words are possible with an authority figure or an older person.

Mars oppose Mercury: 9/14/2016 9:53 PM, Exact

Opposition.

Ideas and plans may be challenged, causing harsh words and irritation. Delay discussions. Leave the driving to others. You are inclined to jump to conclusions at this time, and to rashly say and do things which you may regret later. You may suddenly decide to act on some idea or plan you have been considering, which can be good as long as you don't move so abruptly and quickly that you override other people's say in the matter. At this time, too, you are quite sharp and possibly sarcastic, which can create unnecessary hard feelings or opposition to your plans.

You become deeply involved in, and even somewhat obsessive about, whatever you are doing. Driving yourself beyond your limits can be destructive now. Take advantage of your ability to focus, and apply this extra energy and insight constructively.

Avoid making important decisions today.

Mental inflexibility and verbal confrontation characterize this time. Put off negotiations for a couple of days. There could be a lot of pressure to make decisions that you will regret later. Plenty of nervous energy accompanies this transit. You may have to speak your mind in a way that challenges or unnerves someone else.

Sun sextile Neptune: 10/2/2016 7:13 PM, Exact

Intuitive.

Creative dreaming and charity characterize actions. Spirituality and awareness of others are pronounced. Let yourself dream today. These days don't come too often, so don't ignore this opportunity to let your imagination loose. Perhaps a good book or movie will take on that more-than-real dimension. Today you feel less competitive and ambitious about practical and mundane matters. The world of imagination, fantasy, art, music, or mysticism is very appealing to you now, and if you have talent in any of these areas, this can be a creative and fruitful time for you. However, the negative possibilities for you now are being undisciplined, slack, indefinite, and wasting time and energy.

Sun oppose Mars: 10/3/2016 4:22 AM, Exact

Ego energies are apt to get out of hand if challenged. This is a critical time for projects. Avoid aggression. You may find yourself at odds with someone today, in particular at the gut or emotional level. Feelings could run strong, and this may require presence of mind and real patience in order to avoid a flare-up. Disagreements erupt because you aren't willing to overlook minor irritations as readily as usual. Confrontations with others may be fruitful if you don't allow your anger to get out of control. You are highly competitive at this time.

Sun oppose Moon: 10/5/2016 1:58 PM, Exact

Inner conflicts.

There may be a conflict between what you must do and what you want to do. Inner feelings come out. Your feelings, emotional needs, and desires for closeness and a sense of belonging come to the fore now. You give your home, personal relationships, and inner life more attention. Problems you may have been avoiding in these areas are brought into focus. An important relationship, perhaps a younger person or someone in your near environment, may come into focus today. There could be an emotional overtone to all of this that may require understanding and flexibility on your part.

Mercury sextile Venus: 10/5/2016 8:23 PM, Exact

Fun and games.

This is a time to play hooky with someone very special. Fun and games are a diversion from the routine. There is a friendly, cooperative, harmonious tone to the interactions you have now. It is a good time for social activities and for getting in touch with friends. You avoid heavy discussions and do not want to focus on dry, practical matters. Reading light fiction, going out to see a romantic comedy, or simply sharing a pleasant time with someone you like is more in tune with your feelings now. It's easy to make social connections under this influence. This transit favors diplomacy, charm, social graces, negotiations, presentation of ideas, romantic overtures, teaching, business deals, publishing, commerce, public relations, and joint ventures or partnerships.

Sun trine Sun: 10/5/2016 10:10 PM, Exact

Cooperation. You're in your element.

This should be an easygoing phase when others cooperate in creative projects and plans run smoothly. Confidence and inner harmony prevail. You can move forward with creative projects and express yourself more easily and comfortably now. Your efforts are well received at this time. Ideas and interaction with authority figures or older people may be in the fore. Working with -- rather than against -- the flow should be easy to do.

Mercury sextile Ascendant: 10/6/2016 7:30 AM, Exact

Get out and about.

Communications with or from associates can be stimulating during this brief

transit. This is an excellent time to be out and about. There are significant opportunities to make connections, exchange information, and to learn something through a meeting or chance encounter. Letters, phone calls, and conversations that you initiate are productive at this time.

Mars square Pluto: 10/6/2016 6:53 PM, Exact

Pushing yourself too hard.

This combination can produce a despot if challenged. Avoid angry scenes and potential violence. Chances of winning are poor. Your desires are intense right now, and difficult to satisfy. A strong desire to prove yourself to others and to the world may be at the root of confrontations and bull-headedness at this time. Avoid forcing issues.

Venus trine Saturn: 10/7/2016 1:39 PM, Exact

Mature love.

Benefits from older associates are possible. Long-standing relationships enjoy affectionate renewal. The past beckons warmly today. This is an excellent time to make decisions about your financial affairs, as your judgment is sound and reliable, though a bit conservative. Investing in beautiful things that are likely to increase in value over time (such as jewelry or fine art) is favored. You are not interested in fleeting excitement or frivolity now. Spending "quality time" with an old and trusted friend, or enjoying the company of an experienced, mature person who has much of substance to give you will make you happy.

Sun square Saturn: 10/9/2016 10:52 PM, Exact

Roadblocks.

Obstacles to accomplishment and gratification arise causing feelings of defeat. Responsibilities weigh more heavily. It may be hard to organize or persevere today. Everything may seem to be falling apart and coming unglued. Don't force things. Be patient and let the chaos blow itself out. Clashes with authorities or someone older over responsibilities are possible. Relationships with men and people in authority may be particularly uncomfortable. Also, you have more self-doubt than usual; your mood is somber and rather self-critical. This is a good time to take stock of your life, to see how you are limiting and holding yourself back, and to determine your next steps. But do not attempt to press forward now, and don't take whatever setbacks you experience too much to heart. It's hard to

satisfy the ego today. You feel blocked by circumstances or others. It's too easy to feel discouraged, but discouragement is a time waster. Gratitude isn't forthcoming right now, so it's best to wait it out rather than waste energy letting it get to you. As you face obstacles to your goals, you begin to see the tools with which you have to overcome them. A little dose of realism seems forced upon you under this influence, but your efforts to measure up to expectations can ultimately increase your confidence in your ability to be responsible for yourself. This influence is a somber one, but it's passing.

Sun oppose Jupiter: 10/9/2016 11:34 PM, Exact

Going overboard is a danger as the temptation to pull out all stops pervades. Don't allow overconfidence to blind you. A goal or vision you have been working toward comes into fruition now, or gains momentum and positive recognition from others. You feel expansive and inclined to take risks, and you may be overly extravagant now.

Sun oppose Midheaven: 10/10/2016 10:27 AM, Exact

However, you may also have problems with people opposed to your efforts in the area of business and profession, but this will only last a day or two unless there are other indications. You could experience challenge or even downright opposition when it comes to matters of your job or practical skills. Someone may challenge or question your authority. You may find yourself oriented more to the family and home at this point. This is a time for withdrawing your energy, attention, and efforts from the outside world and external goals in order to replenish yourself. Quiet reflection and attention to your inner world, your family, and the foundation that supports all of your outside activities, is called for. This is a time to "lie low". You may have to work quietly or without much outside recognition at this time.

You may have a significant communication (letter, phone call, or personal discussion) with someone who was once very important to you or with whom you have a long history. This is a good time to reflect, review, and get a perspective on emotional matters or things of the past. What feels right clashes with logic today. Unless other astrological indications override this influence, you are unlikely to be forceful and try to make things happen, but instead are inclined to flow along with people and situations, attracting what you need and letting the world come to you. Harmonious interactions with others are favored at this time, likely because you yourself are projecting the more charming, cooperative, and agreeable side of your nature! Venus trine Ascendant: 10/17/2016 1:01 AM, Exact

Sun square Pluto: 12/27/2016 12:28 PM, Exact

Unenlightened ego energies could undo carefully laid plans. Authority figures react harshly to coercion. Underlying or previously hidden aspects of a situation come to light now. The misuse of personal power, dominating or manipulating others, and the subtle ways you try to control situations or other people are issues. The tyrant in you comes out, or you find yourself dealing with the more difficult, dark, tyrannical side in other people. Also, this can be a time when you are forced to confront and deal with something which is no longer working - from old, outworn possessions to an unhealthy relationship or a deeply ingrained, self-defeating attitude. Insubordination and abuse of power are themes you encounter now. Impatience with rules and compulsiveness characterize this transit. The urge to get to the bottom of matters is with you, but you are too insistent. Avoid beating a dead horse and attempting to force matters that should naturally take time to unfold.

Mercury square Pluto: 12/29/2016 3:14 AM, Exact

Obsession and compulsion are a danger if ideas and beliefs are challenged. Pushing concepts on others will not work. The tendency to read between the lines with a negative slant is strong during this transit, and can easily stir up trouble. Suspiciousness. It is impossible for you to be content with superficial answers now, and you are impatient with people who avoid looking candidly and honestly at root causes and hidden reasons for any problem or situation. You tend to force your views on other people now. Also, you can become obsessed with an idea or problem until you have figured it out.

Sun square Mars: 12/31/2016 3:09 PM, Exact

Spring fever.

Your ego rises to any stimuli. Allowing an unrestrained subconscious to run wild brings poor results. You know just what you want right now and woe to anyone or anything that gets in your way! You are much more likely to become domineering, pushy, or inconsiderate of others now, so it is a good time for you to do what you need to do by yourself rather than with others. Accidents, mistakes made in haste, or ego conflicts may occur due to your impatience and willfulness. You have "spring fever" no matter what the season. Driven by a restless desire to do something, without a well-defined goal, you tend towards impulsive actions and get yourself into needless arguments. Positively, physical energy is high and you could accomplish a great deal.

Mars square Neptune: 1/1/2017 5:23 PM, Exact

Intuition is faulty. Deception.

Feelings of malice and discouragement, or the desire to take evasive action accompany this phase. Vitality is low. Drugs and alcohol complicate matters. Inspiration comes from unusual sources, but you have a hard time staying focused and organized. Your energy levels may be variable. Intuition is strong, but may be faulty. This is not a good time to begin a new project or affair.

Venus trine Uranus: 1/1/2017 8:59 PM, Exact

Interesting "twists" in your love life.

Introduce something new to your romantic scheme. Partners offer interesting twists that provide pleasant stimuli. Stay loose for maximum enjoyment today. Independence, as well as anything unusual or different, is valued. You may enjoy getting away from routine and doing something completely different for a change. Unexpected pleasures, new friends, or a more playful, adventurous attitude in your relationships make this time period stimulating and delightful. You want a break from your usual routine, and because you are willing to experiment and to be spontaneous, you are likely to experience a refreshing change of pace. A new romance or a revitalization of a current one is very likely.

Sun square Moon: 1/2/2017 10:50 PM, Exact

Out of sync.

Emotions and ego are out of sync, creating tension and irritation. Personal and professional interests conflict. Tension in your home life, conflicts between work demands and personal needs, or unresolved emotional tangles are likely to arise today, necessitating adjustments and compromises on your part. A side of you that is usually hidden or in the background is likely to emerge now, and this may be positive or negative. You may have a sense of circumstances working against you or feel a lack of support and love from those around you. You could clash with younger people or old habits. Your support system (environment) may feel stressed.

Mars square Sun: 1/5/2017 7:47 PM, Exact

Impatience.

The ego is alert to any challenge, and ready to fight. Apply excess energy to demanding tasks. Avoid irritations and anger.

Sun oppose Saturn: 1/7/2017 4:26 AM, Exact

The ego must take a back seat, as confrontations with authorities limit activities and test patience. Obstacles to self-discipline or to your sense of organization may appear. Someone could frustrate you in this regard, or external events might pile up and be thrust upon you. Authorities and red tape may stand between you and your goals. It may seem that circumstances, other people, or the whole world is against you today! You feel overwhelmed by demands, outside pressures, or your responsibilities and you are looking at your life with serious doubt or pessimism. Others don't seem to help, even if they try to; solitary activity or reflection is called for now.

Sun square Jupiter: 1/7/2017 5:07 AM, Exact

Avoid going overboard, and this can be a productive time. Credit spending should be curbed. It's not a great day to make plans or decisions. It could be hard to figure out the right move. You may feel frustrated as to where you are headed in life just now. Someone older or in authority may disapprove of your actions or decisions. You are optimistic and possibly extravagant now. You are less cautious than usual, feeling that nothing can possibly go wrong. If you are inclined to overindulge, overspend, or go to excesses in any manner, this tendency is exaggerated at this time. However, you also aim higher than usual and a very promising opportunity or contact can also occur.

Sun square Midheaven: 1/7/2017 3:41 PM, Exact

Today's transit represents obstacles and frustrations relating to business, the authorities and government, and possibly involving a male figure - especially if supported by outer planet transits and progressions. In any case, the transit indicates that your energy is to be best spent in those areas of public life that may also have an effect upon your domestic life. You are at cross-purposes with the people in your environment who are most able to benefit you. You tend to come on too strong, to be oblivious to others' needs and intentions, or to act inappropriately now. You feel an urgency to take positive steps to achieve your goals, but be certain that you are not overstepping yourself, as this can cause some enmity at this time. Avoid making important business decisions today!

Mars is in the 9th: 1/10/2017 1:47 AM, Moving Forwards at Degree 0 in a 31 Degree House

Consistency and purposefulness.

Tackle that difficult, exacting job now. Superiors may reward sacrifice and accomplishment. Activities are favorably structured. You are purposeful, stable, and steady. Your concentration is excellent now and you are serious about your work. You want to focus on real accomplishment and avoid frivolity and

distractions. You may fruitfully tackle difficult, disagreeable tasks or work that usually frustrates you, for your patience and ability to do painstaking work is brought out now. Self-control and self-discipline are required of you at this time, but fortunately, they yield positive results in the long run.

Venus square Neptune: 1/12/2017 9:08 PM, Exact

Foggy desires.

Imagination and fantasy fog judgment and create romantic confusion. Keep expectations realistic. Dreams, wishes, and fantasies about love are strong now, and you may be infatuated with someone you meet at this time, only to be disappointed later when you discover this person does not fulfill all of your expectations. You are simply not seeing people objectively now. Your imagination is very active and creative however and so is your yearning for something beautiful. The artist in you emerges, and your creations please and inspire you. Relationship ups and downs characterize this transit--a time when romantic mirages are more than likely. You see what you hope to see, rather than what really is. The "highs" of a relationship begun under this energy may be thrilling, but the accompanying "lows" are bound to set in, and they can be extremely draining. Be careful not to set yourself up for disappointment. The same goes for finances--what appears to be a great buy is likely to turn out to be a financial drain or money pit.

Venus square Sun: 1/15/2017 10:45 PM, Exact

Looking for fun.

Overeating is a danger. Skip dessert. The desire for entertainment and diversion is strong. Beware of temptation. Your desire for pleasure, ease, and affection is brought to the fore, and may interfere with work or complicate situations in which you need to be acting assertively and on your own behalf. Your mood and attitude is conciliatory, and your need for love and approval heightened.

Mars square Mercury: 1/17/2017 3:28 PM, Exact

Impatience.

The word can become a weapon if nervous irritation escalates. Delay dangerous tasks for a few days. Drive with care. Verbal battles, disputes, and heated debates are very likely at this time because you speak your mind without much

forethought, tact, or consideration of consequences. Right now you will say the things you usually only think, especially to people you disagree with. Also, you are quite impatient and easily frustrated, and are inclined to move about too quickly and abruptly, which can cause accidents. Unless you slow your pace down a bit, this time period can be quite a headache.

Sun oppose Venus: 1/17/2017 5:49 PM, Exact

Depending on other transits this can be a positive time, when relationship elements come into prominence. You are feeling particularly affectionate now and the company of your love partner or very close friends is important to you. This is not a time for solitary activity. Sharing, harmonizing, and love are the themes now. However, if you are not happy in your personal life, your problems may seem especially pressing at this time.

Sun square Uranus: 1/18/2017 9:03 AM, Exact

Disrupted routines; changes of plans.

Expect the unexpected, as routines are disrupted. Radical actions could result in accidents or romantic upsets. Someone older may tend to stifle your freedom. Your usual routine is likely to be disrupted now, either by "freak" accidents beyond your control or by your own impatience with the status quo. Sudden unexpected events, and breaking free of confining situations and relationships are very likely. During this transit, you feel the need for action, but if you don't know where you're headed, you might take the wrong turn. Unexpected changes in plans or events can test your patience, and you might feel a bit out of control. However, these events could stimulate you to try new approaches and they certainly act to cut boredom. This transit could offer you the drive to do something new, but avoid making hasty major decisions for the time being.

Sun oppose Ascendant: 1/18/2017 11:18 AM, Exact

Today's challenge will involve others (possibly a male figure) and how you deal with them. Relationship issues that you haven't dealt with should be brought up at this time for best results. You may not be able to communicate or get yourself across as well as you wish. A significant personal encounter or confrontation occurs today. You cannot, and probably will not want to, be alone now. This is a time to reach out to people and to get others' input or counsel. Listen to your mate or a friend who can enlighten you at this time. Also,

consulting a professional for health, business, or personal reasons will be very constructive and fruitful now.

This is an excellent time to make decisions about your financial affairs, as your judgment is sound and reliable, though a bit conservative. Investing in beautiful things that are likely to increase in value over time (such as jewelry or fine art) is favored. You are not interested in fleeting excitement or frivolity now. Spending "quality time" with an old and trusted friend, or enjoying the company of an experienced, mature person who has much of substance to give you will make you happy.

Mercury square Pluto: 1/20/2017 3:52 AM, Exact

Obsession and compulsion are a danger if ideas and beliefs are challenged. Pushing concepts on others will not work. The tendency to read between the lines with a negative slant is strong during this transit, and can easily stir up trouble. Suspiciousness. It is impossible for you to be content with superficial answers now, and you are impatient with people who avoid looking candidly and honestly at root causes and hidden reasons for any problem or situation. You tend to force your views on other people now. Also, you can become obsessed with an idea or problem until you have figured it out.

Mercury square Mars: 1/23/2017 8:42 PM, Exact

Saying all the wrong things!

Mental irritation could spark an argument. Be careful while driving. Repressed anger could cause an accident. Errors made in haste, speaking too forcefully, sharp words spoken on impulse, or accidents occurring due to restlessness and impatience are all possible at this time. You feel that you have to fight for what you want or believe in, and you are very clear, decisive, and convincing right now, but you also tend to stir up more controversy or competitive feelings than is really necessary. This is an unfavorable time for any kind of meeting, starting a new project, and business proposals. You can be irritable and hasty, and you are bound to say all the wrong things!

Venus square Mercury: 1/25/2017 7:15 AM, Exact

Concentration may be weak. Beware of fine print. Something that someone says or communicates to you may be unappreciated or taken the wrong way. Your thoughts turn to love and relationship. It's easy to act upon your social or romantic needs successfully. Right now you are more magnetic and attractive, and your love life is likely to be both harmonious and satisfying. You experience a positive flow of warmth and friendliness between yourself and others, and you are stimulated and energized by your casual interactions with others. Creative and artistic efforts also flourish at this time. There is a sense that we can pursue our wants and desires without apology.

Mercury square Moon: 1/25/2017 7:01 PM, Exact

Sun trine Pluto: 1/25/2017 11:22 PM, Exact

Powerful insight.

It may be possible to be a positive force in the world now, especially if attempting to improve conditions for all. This is an excellent time to eliminate whatever is unnecessary and outworn in your life, from clutter and disorder in your environment, to an unhealthy relationship or even a long-held attitude or belief which keeps you from going after what you really want in life. You are also more perceptive than usual. You see other people's true colors more clearly and you may discover a secret or the hidden aspect of some situation. Something lost, hidden, or forgotten may come to light. Real insight into your own inner workings or psychology could surface today, and in a manageable form. You may be in the mood for deep and penetrating conversations or thoughts.

Mars trine Ascendant: 1/26/2017 10:37 AM, Exact

Self-assured.

Today you feel less competitive and ambitious about practical and mundane matters. The world of imagination, fantasy, art, music, or mysticism is very appealing to you now, and if you have talent in any of these areas, this can be a creative and fruitful time for you.
